

To Whom It May Concern,

Thank you for your request regarding trade references and director guarantees in relation to your credit application.

Please note that while trade references are common for companies, partnerships, trusts or sole traders, the University operates under a unique governance structure. Adelaide University is established by an Act of the South Australian Parliament, Adelaide University Act 2023 and is governed by its Council. Accordingly, there are no directors, or director guarantees applicable to our entity.

Please refer to our first annual report [News and events | Adelaide University](#).

As such, the University does not ordinarily supply Trade References or complete credit applications. We are more than happy to establish a business relationship and utilise your company on our standard payment terms and look forward to supporting your business.
