

## Executive Partner Eligibility Checklist

### Introduction

A typical Executive Partner is a currently working, semi-retired, or a recently retired senior executive from a broad variety of industries, or a successful business owner or entrepreneur.

An Executive Partner will be motivated by supporting and prospering the careers and professional wellbeing of mentees (Adelaide University students).

Our Executive Partners gain access to Adelaide University's high achieving postgraduate business students and inspire them to become effective leaders for the community. There are also opportunities to meet with other industry executives and University staff in the Executive Partners Program.

**The following Criteria is deemed essential for appointment as an Executive Partner:**

- significant corporate or not for profit executive management experience
- experience is contemporary (within the last five years)
- experience in coaching and mentoring
- tertiary qualification(s) or equivalent experience
- experience with successful organisational culture development and implementation
- experience with Board involvement including reporting to directors/CEO/chair
- experience with international contexts within previous roles – **Preferred**
- experience in starting or sustaining a profitable business – **Optional**

While specific industry experience is highly regarded, it is not essential when an applicant can demonstrate the essential criteria.

### Get in touch with us

If you fulfill the above criteria, please apply to become an Executive Partner and provide us with:

- a brief Statement of Intent explaining why you would like to join the Executive Partners Program. The Statement requires a maximum of 200 words (a paragraph or two), and
- a copy of your CV.
