DEPARTMENT OF ENVIRONMENT & WATER (DEW) COLLECTION
Architecture Museum, Adelaide University

DEPARTMENT OF ENVIRONMENT & WATER (DEW)
SERIES S430, S431, S434, S508

COLLECTION DESCRIPTION
The DEW collection comprises information on historic public buildings in South Australia, Included in this collection is information compiled from various sources by H.F. Bierbaum between 1974 and 1977. It contains information on public buildings in the metropolitan area and rural areas including schools, police stations, court houses and gaols. Also in the DEW collection is a collection of Conservation Management Plans (CMPs) and Heritage Surveys by various architectural and heritage consultants.
