

2027 Study Guide

Mount Gambier

Midwifery | Nursing | Social Science | Social Work | Teaching

Tirkangkaku is the Aboriginal name bestowed upon Adelaide University by the Kaurna People.

Tirkangkaku means
"Place of Learning" and is a
gift representing 65,000 years
of continuous discovery.

In Kaurna culture, learning
is never passive – it's active
and transformative.

Tirkangkaku is a place
where all knowledge
systems can come together
and learn from each other.
A place where the world's
oldest living culture shapes
cutting-edge discovery.
A place where we are
creating the future, while
honouring the past.

Acknowledgement of Country

We respectfully acknowledge the Kaurna, Boandik, and Barngarla First Nations Peoples and their Elders past and present, who are the Traditional Owners of the lands that are home to our campuses across Adelaide and South Australia.

Member of the Group of Eight

Australia’s leading research-intensive universities.

Ranked #82 in the world

and 8th nationally in the 2026 QS World University Rankings.

Welcome to Adelaide University

**Adelaide University is Australia's
university for the future ranked
in the global top 100.***

** Ranked equal 82, 2026 QS World University Rankings*

We are transforming higher education by combining face-to-face learning with advanced digital technologies to create a flexible, student-centred experience. Degrees are designed to be stackable and personalised, supported by digital learning, industry partnerships and extensive work-integrated learning opportunities.

The Common Core provides interdisciplinary skills that employers value – ensuring students graduate with real-world knowledge and experience. Across all programs, Adelaide University fosters strong graduate qualities, embeds First Nations perspectives and provides equity-focused support so every student can succeed.

Go8 member

We are part of Australia's elite research-intensive university group.

Connected

Australia's most connected university:
Building on our 7,000 strong partnerships
with industry and collaborators.

7,000

Real-world

Real-world experience:
Work-integrated learning
is embedded across all
programs, giving students
hands-on opportunities.

Equity and inclusion

We champion inclusive
education through First
Nations Knowledges and
equity-focused pathways.

Transformative and flexible education:
Australia's most accessible, contemporary
and future-focused teaching and
learning experience.

Transformative

Our campus

Contemporary learning in South Australia's largest regional city

Set in the scenic Limestone Coast region, Adelaide University's Mount Gambier Campus offers contemporary learning facilities within South Australia's largest regional city. As a major tertiary education centre for South Australia's south-east and Victoria's south-west, our campus provides all the conveniences of a city education while surrounded by the natural environment.

At our Mount Gambier Campus we offer degrees across disciplines such as health, education and social work, reflecting in-demand careers within the region and beyond, plus pathway programs enabling alternative entry into university.

This region has extensive sporting opportunities, nature-based tourism, arts and culture that students can enjoy discovering. Throughout the year there are many different events including winery visits, social lunches, movie outings, race days and more.

Students can also enjoy a selection of fresh, tasty food, available for purchase from the nearby canteen and the student kitchen area which is well equipped – so you can bring your own food to simply heat and eat between classes.

The perfect study destination

There are many benefits to studying locally including:

- Located halfway between Adelaide and Melbourne
- Small class sizes with on campus support
- Strong connections to relevant industries
- Flexible learning options with the ability to condense your timetable.

In the community

At Adelaide University, we have a strong connection with the local community to help build a vibrant and thriving region.

Adelaide University is committed to being an active partner in the communities where we are based. Through our regional campuses, we work closely with local schools, councils, community organisations, and cultural partners to support learning, participation, and connection to higher education across the region.

These collaborations include programs delivered through Adelaide University's cultural institutions and initiatives like the award-winning Children's University, delivered in collaboration with local venues and communities.

Future-focused

Adelaide University's Future Industries Institute (FII) is an internationally recognised research institute, focused on solving real-world problems via collaboration, innovation and technological advances.

FII works closely with industry to lead positive future change through research across five key industry sectors. Our researchers undertake cross-disciplinary world-class research that is informed, innovative and relevant.

adelaideuni.edu.au/research/future-industries-institute

The Adelaide University Enterprise and Innovation Hub is a collaboration powerhouse between the University and industry, research projects and government.

The Hub gives you easy access to Adelaide University's trusted and experienced researchers and knowledge experts, who can

generate ideas, build connections and solve complex challenges.

icc.adelaide.edu.au

Connection with industry

The Forestry Centre of Excellence (FCoE) Mount Gambier is a partnership between Adelaide University, the forest industry, Federal Government and the Government of South Australia. The FCoE is an international leader in forest industries research, education, product and market development, while also building overall resilience in the Australian forest industry. It plays an important role in encouraging collaboration in research and innovation, along with jobs growth in the forestry sector.

The partnership is focused on establishing Mount Gambier as one of the major centres for forest research in Australia to ensure a sustainable future, leveraging Adelaide University's unique expertise and engagement in the region.

Regional priorities

We work closely with our key regional organisations, providing input and supporting the implementation of their strategies and plans across regional development, health and the environment.

In particular, the Limestone Coast Regional Growth Strategy (2025-2030) and the goals around accessible education options delivered in partnership with current and emerging industries, and business collaboration that enables industry innovation, sustainability, education partnerships, value add and diversification.

Budinya Precinct Mount Gambier

Adelaide University, including the Forestry Centre of Excellence, is a proud partner in this innovative education, training and research precinct leading the way we connect, collaborate and learn.

We work together with TAFE SA, the Limestone Coast Technical College, and other tertiary education and industry training organisations, all co-located on the one site.

Adelaide Fringe

Adelaide University is a Major Partner of Adelaide Fringe, providing exclusive opportunities for our students to gain career-shaping, real-world experience in the arts sector. Together with Adelaide Fringe, we are committed to partnering with regional communities to improve access to live arts and build community connection.

Pedal Prix

One of our largest community sponsorships is the Adelaide University Australian HPV Super Series. The competition sees teams race Human Powered Vehicles (HPVs) on a closed circuit, with one stage

held in Mount Gambier attracting hundreds of riders and spectators.

Adelaide University is the naming rights sponsor and is focused on promoting education, the development of sustainable communities, healthy lifestyles, quality research and innovation.

Community sponsorships

We sponsor local organisations and initiatives to support and celebrate the community. Key sponsorships include: Pioneers Basketball, Blue Lake Fun Run, and Sir Robert Helpmann Theatre's Community Circle.

We also sponsor awards for local secondary school students throughout the Limestone Coast and south-west Victoria. Adelaide University's Mount Gambier Campus is also a member of the Mount Gambier Chamber of Commerce.

Public Lecture Series

We host free lectures throughout the year. The local community can connect with industry and business leaders while listening to world-class researchers and speakers focused on driving innovation and growth in the region. Follow the Mount Gambier Campus on social media for regular updates.

World-class facilities

Forestry innovation hub

The new Forestry Centre of Excellence is a hub for forest research, innovation, and skills development in the Green Triangle Region. The Centre boasts dedicated collaborative workspaces, meeting facilities, and wet laboratory.

Partners include the South Australian Forest Products Association, Tree Breeding Australia, and the Green Triangle Forest Industries Hub. Students will have access to a strategic platform for knowledge transfer, workforce training, and investment attraction.

Stay connected

Our advanced IT infrastructure, including one of the nation's fastest network systems, will ensure you get the most out of your study time while on campus, while the central piazza is the ideal place for casual study sessions or group projects.

Modern learning spaces

Access a range of modern study spaces at Mount Gambier Campus, including our cutting-edge Learning Centre equipped with simulated hands-on learning environments specifically for nursing, midwifery and social work.

Accommodation

Whether you're a prospective student, current student or even a family member of one of our students – our Accommodation Service can help you.

Our friendly team can:

- Provide local information, giving you a sense of what accommodation is available and how much it costs, so you can establish a realistic budget.
- Connect you to a range of long- and short-term housing opportunities, including student accommodation, private rentals, share accommodation and homestays.
- Support you to maintain suitable housing throughout your studies.

Secure your place to live

Interested in an accommodation place at Adelaide University from January 2027?

It's easy! Complete our accommodation enquiry form to register your interest, and we'll contact you to discuss your circumstances and options.

adelaideuni.edu.au/life-at-adelaide/accommodation

Relocation Scholarship

Whether you're moving to or from a regional or remote area in Australia to study, you may be eligible for a relocation scholarship.

Find out more about government relocation scholarships.

Scholarships

adelaideuni.edu.au/study/scholarships

Adelaide University is dedicated to helping more people access higher education through a wide range of scholarships designed for all backgrounds. Discover scholarships for academic excellence, leadership, Aboriginal and Torres Strait Islander students and more. A scholarship could be the incentive you need to launch your future with us and ensure you're prepared to step forward with confidence toward your career goals.

We're here to support your studies and help you thrive at university. Become the best you can be with an Adelaide University scholarship.

Adelaide University Vice Chancellor Scholarship

A scholarship rewarding exceptional academic achievers. Recipients receive a stipend of up to \$10,000 per annum and a 100% fee waiver for up to four years¹.

Adelaide University Future Leaders Scholarship

A scholarship recognising high academic achievers who demonstrate leadership potential and community service. Recipients will receive a stipend of up to \$15,000 per annum for the duration of the degree.

Adelaide University Aspire Scholarship

A scholarship acknowledging academic achievers who demonstrate leadership potential and community service. Recipients will receive a stipend of up to \$5,000 per annum for the duration of the degree².

Adelaide University Principals Scholarship

A scholarship rewarding students who have excelled in their school academically and exhibited qualities of active service to their school and/or community. Recipients are nominated by their school principal and will receive a stipend of up to \$3,000 per annum for three years.

Adelaide University Attainment Scholarship

A scholarship supporting students who demonstrate leadership and active community service within a work, academic or community setting and are commencing university studies through a non-ATAR or equivalent selection rank, ie. International Baccalaureate admissions pathway.

Adelaide University Career Catalyst Scholarship

A scholarship supporting students to develop their careers, with the support of an employer. Eligible recipients will receive a 30% fee waiver for the duration of their degree.

Adelaide University Postgraduate Grant

A grant for students looking to advance their career opportunities or change career direction by commencing a Master by coursework degree. Recipients will receive a one-off payment of \$5,000.

Adelaide University Access Scholarship

A scholarship supporting students who have demonstrated financial barriers to accessing post-secondary study. Recipients will receive an annual stipend of up to \$6,000 per annum³ for the duration of the degree.

Adelaide University Online Grant

A grant dedicated to students studying online and who have demonstrated financial barriers to accessing post-secondary study and/or reside in a rural, regional, or remote community. Recipients will receive a one-off payment of \$1,500.

Adelaide University Aboriginal and Torres Strait Islander Leaders Scholarship

A scholarship acknowledging exceptional academic achievement of Aboriginal and Torres Strait Islander students who demonstrate leadership potential or active service in their school or community. Recipients will receive a stipend of up to \$15,000 per annum for the duration of the degree.

Adelaide University Aboriginal and Torres Strait Islander Aspire Scholarship

A scholarship acknowledging academic achievement of Aboriginal and Torres Strait Islander students who show leadership or active service in their school or community. Recipients will receive a stipend up to \$5,000 per annum for the duration of the degree.

Adelaide University Aboriginal and Torres Strait Islander Student Scholarship

A scholarship supporting Aboriginal and Torres Strait Islander students who have demonstrated financial barriers to accessing post-secondary study. Recipients will receive an annual stipend of up to \$6,000 per annum³.

¹ Some degree exclusions apply.

² This scholarship is offered to students who have been shortlisted for the Adelaide University Leaders Scholarship but were not awarded the scholarship, or received a conditional offer but did not meet the 95 Selection Rank criteria.

³ Stipend amount will be awarded on severity of financial hardship.

The Adelaide Attainment Model

Adelaide University is redefining what the future of higher education looks like in Australia.

Here, traditional learning meets the future – face-to-face experiences enriched by the latest digital technologies, giving you the flexibility to learn your way, while staying deeply connected to your peers and teachers.

We aim to foster the most flexible, future-focused learning and teaching environment that puts you at the centre.

Your studies won't be confined to just the classroom. You'll work alongside industry leaders who help shape what and how you learn, ensuring every experience is practical, relevant and inspired by the real world. Through hands-on projects and professional collaborations, you'll gain the skills and confidence that future employers are already looking for.

But your education at Adelaide University goes beyond preparing for a career – it's about readying you for the world. Under the guidance of expert industry partners, you'll learn to think critically, act ethically and create inclusively, ready to shape an innovative and global future.

Education for the future

Stackable degree structures

Our degree structures allow multiple entry pathways and transition points, creating individual and personalised study journeys. You can easily transition between undergraduate programs, and we offer a range of innovative options to extend your undergraduate studies into postgraduate pathways.

Digitally rich learning environment

At Adelaide University, digital technology is not just a tool for delivering content – it provides instant content delivery to support active learning, collaboration, and engagement, enhancing the accessibility and personalisation of our teaching and learning.

Industry informed curriculum

Connect with professional networks while you study. Our curriculum is designed in partnership with over 7,000 industry partners, including those who collaborate on research with Adelaide University. This means the skills we teach are contemporary and industry aligned, informed by the engaged research we undertake, and designed to shape employable graduates.

Community embedded learning

Work-integrated learning – such as placements and clinics – is a key part of our education and is embedded in every program we teach. This hands-on experience provides practical, applied knowledge, and helps students develop a professional network, so you graduate with strong industry experience and contacts.

Depending on your chosen degree, work-integrated learning can include:

- **Internships and placements:** Get hands-on experience by working with real organisations in your field as part of your degree.
- **Industry projects:** Collaborate on real-world projects that solve genuine industry or community challenges.
- **Simulation:** Build practical skills through realistic workplace simulations or online experiences.

Interdisciplinary understanding: The Common Core

The Common Core is a suite of interdisciplinary courses designed to prepare Adelaide University graduates with transferable skills employers value most. These courses foster collaboration and broad perspectives, and an understanding of how each field shapes and connects with society.

You'll select the Common Core courses you want to study from six knowledge areas, engaging with peers across the university, including:

- **Artificial Intelligence:** Introduces the fundamental principles, techniques, and real-world applications of AI.
- **Data Knowledges:** Explores data types, sources, and structures, best practices for collecting, managing, and analysing data, and strategies for evaluating and communicating information effectively.
- **Entrepreneurship and Design Thinking:** Develops the tools and mindset to identify opportunities, develop sustainable solutions, and drive positive change.
- **Ethical Knowledges:** Uncovers the fundamental principles of moral reasoning and their application to real-world situations.
- **Intercultural Understanding:** Fosters cross-cultural communication and competency and a deeper understanding of how one's cultural background shapes life experiences.
- **First Nations Knowledges:** Learning and centring Aboriginal voices and ways of knowing, being and becoming.

The Adelaide Academy

The Adelaide Academy is a future-focused initiative designed to offer high-potential and high performing students the opportunity to take their studies to the next level. As Adelaide University establishes itself, the Academy will grow to offer a suite of enriched learning experiences that go beyond the core curriculum, including:

- Advanced discipline-based coursework
- Industry engagements and internships
- Research projects
- Interdisciplinary workshops and challenges.

The Academy is being developed to recognise and support academic excellence and ambition and will evolve over time to reflect the needs of high-performing students and the expectations of a competitive global workforce.

Fostering our Graduate Qualities

At Adelaide University, our Graduate Qualities are about more than just what you learn – they're about who you become. These values and skills are built into everything we teach, helping you grow into a confident, capable graduate ready to take on your future.

You will graduate as a:

- **Lifelong learner** with enduring passion for personal and professional development.
- **Ethical leader**, who does what is right over what is easy.
- **Strategic problem solver**, who approaches challenges with analytical rigour and creative insight.

- **Global citizen**, with respect for your role in the world and your capacity to enact positive change.
- **Resilient thinker**, able to succeed by harnessing critical, creative and adaptable thinking.
- **Trusted communicator**, who can articulate ideas effectively and inspire change.

Embedding First Nations knowledges

At Adelaide University, you'll learn from and with Aboriginal voices, perspectives and knowledge holders.

First Nations Knowledges are woven throughout your studies, in all study areas, through genuine collaboration with Aboriginal scholars, Elders, and communities – ensuring cultural respect, inclusion, and understanding are part of every learning experience.

Our equity-aligned education

At Adelaide University, we believe everyone deserves the chance to succeed. We offer equity-focused pathways and personalised support to help you overcome barriers and achieve your study goals.

This includes:

- An environment that supports diverse student participation.
- Equitable access to a world-class education for learners of potential.
- Advancing the access, participation and success of First Nations Peoples.
- Supporting you through your university experience to help you succeed in your learning and career journey.

Exceptional student experience

From day one, we're here to support you on your student journey. On campus and beyond, you'll have access to dedicated teaching and supporting staff, and a wide range of services.

Aboriginal student services

Culturally safe and dedicated support services including scholarships, study help, peer mentoring and more, are available to Aboriginal students both on campus and online.

Academic support

Whether you need general study guidance or more specific assistance, we've got you covered. You'll have access to writing, study skills and maths support, along with peer-led learning and 24/7 online support, so you can get help anywhere, anytime.

Access and inclusion

If you have a disability, impairment, chronic health condition, or significant caring responsibilities, you can access confidential and personalised advice, adjustments and support through online services to help you reach your study goals.

Accommodation

Find your home away from home. We'll support you to find and apply for accommodation that's convenient, safe, accessible and right for you, including guidance for regional students.

Career services

Prepare for a lifetime of success. Attend networking and industry events, build career planning and management skills, access job opportunities and more.

Counselling

Take care of your personal wellbeing with access to qualified counsellors on campus and online. Sessions are free, confidential and available regardless of your location.

Orientation

Take the first step toward a fulfilling experience with our Orientation program. Join a campus tour, gain an understanding of your degree, meet people you'll be studying with and enjoy fun activities and events. You'll also be able to participate online through live sessions and virtual tours.

Religious needs

Private prayer rooms are available across most of our campuses. You can also join a faith-based student group or connect with a range of religious chaplains and pastors on campus.

Student clubs, societies and association

Your student association is the voice and social heart of your student experience. With a wide variety of clubs and societies, you'll be sure to find your people and your passion.

**Wide range
of services**

**Dedicated teaching
and support staff**

Pathways to Adelaide University

There are many ways you can gain entry into one of our degrees.

Selection rank (ATAR plus adjustment factors)

If you have qualified for the South Australian Certificate of Education (SACE) or hold an equivalent recent year 12 qualification, including the International Baccalaureate Diploma (IB), and have achieved a competitive selection rank, you can use this as a pathway into university.

Your Selection Rank (ATAR plus any applicable adjustment factors) will be used to compete for a place in a university degree.

For most of our undergraduate degrees, you must not have completed more than 2 years full-time equivalent university study (48 units) to use your year 12 results.

Some degrees take additional factors into account as well as or instead of your ATAR, such as auditions, the University Clinical Aptitude Test (UCAT), oral interviews, etc.

Guaranteed Entry

Choose your preferences with confidence. We offer Guaranteed Entry for most undergraduate degrees. There's no need for a separate application – you're automatically considered when you list your preferred Adelaide University degree as your highest preference.

If you don't achieve the grades for Guaranteed Entry, you'll still be considered on a competitive basis for available places in your preferred degree.

ATAR based

You'll be eligible for an ATAR based Guaranteed Entry place when you:

- Achieve an ATAR (including adjustment factors) that is equal or higher to the Guaranteed Entry score
- Meet any admissions criteria for your degree, for example a subject prerequisite.

Subject based

Did you achieve solid grades in year 12, but didn't get the ATAR you were expecting? You'll be eligible for a Subject based Guaranteed Entry place when you:

- Complete SACE (or equivalent) and have an ATAR of 50 or higher (not including adjustment factors)
- Utilise your best three grades from 20-credit subjects
- Meet any additional admissions criteria such as subject prerequisites.

Selection rank

Guaranteed Entry

Admission test

Higher Education GPA

Internal transfer

VET studies

Admission tests

STAT (Skills for Tertiary Admissions Test)

Never completed year 12 or any other higher education? You may wish to use the Skills for Tertiary Admissions Test (STAT) to gain entry to university. The STAT is a two-hour, multiple-choice test designed to assess a range of skills and knowledge needed to study at university.

The Australian Council for Educational Research (ACER) coordinates the STAT. To sit the test, you'll need to be over 18 years old before 1 February in the year that you wish to commence study. If you have been enrolled in university in the last two years, you must not have completed more than two years (full-time) tertiary study in total.

For more information, visit stat.acer.org/au

Higher Education GPA (Grade Point Average)

If you have already completed at least six months (full-time) of a recognised higher education degree at a recognised higher education institution, you can use your Grade Point Average (GPA) to gain entry to Adelaide University.

Internal transfer

Perhaps you gained entry to a degree that wasn't your first preference or, after completing a few courses, have changed your mind about what you'd like to study. You can use your GPA (or any eligible previous qualifications) to apply for what is called an internal transfer.

This is an option available to students who may have already started studying in one degree and, for a range of different reasons, would like to transfer into another degree at the same university. Please note that not all degrees are available via internal transfer. If unsure, you can contact our friendly student advisers for assistance.

Vocational Education and Training (VET) Studies (Certificate IV or higher)

Have you completed a VET qualification at a Certificate IV or higher? Your completed qualification can gain you entry to many of our degrees.

For students that have studied at either TAFE SA or other Registered Training Organisations (RTOs), most Certificate IV courses (including former Advanced Certificates or equivalent) meet the minimum entry requirements for a wide range of our undergraduate degrees. For some degrees, a successfully completed Diploma or Advanced Diploma will be required to meet the minimum entry requirements.

Preparatory programs at Adelaide University

Fee-free tuition

(student amenities fee required)

Adelaide University is committed to welcoming students from all backgrounds and life stages, with preparatory programs designed to help you succeed and gain entry into your preferred degree.

The Foundation Studies and Aboriginal and Torres Strait Islander Pathway programs provide fee-free pathways to university, regardless of your educational experience. If you do not meet the required qualifications for direct entry into a bachelor degree, these programs provide alternative entry options while helping you adjust to the university environment.

Our preparatory programs set you up to succeed at university by building

academic skills and prerequisite knowledge. You'll benefit from small classes, academic support services and full access to campus facilities. Learn core academic skills and experience student life as an Adelaide University student.

Once you've successfully completed your program, you'll be able to transfer into one of Adelaide University's world-class undergraduate degrees.

Foundation Studies

Foundation Studies is a fee-free program with no tuition fees, designed to help you build essential skills for successful university study. A student services amenities fee applies to all university students which can be deferred through the Federal Government HECS-HELP loan scheme. This program supports students with no previous qualifications to learn the skills required for successful university-level study.

This program is ideal for students with no prior qualifications or formal education experience, including those who may not have an ATAR, are from regional and remote areas, are first in their family to attend university or who may have spent extended periods of time away from formal education.

The Foundation Studies program is split into three blocks, with a series of entry, exit and transition points that cater to diverse educational backgrounds and your chosen destination degree.

adelaide.edu.au/study/degrees/foundation-studies

Aboriginal and Torres Strait Islander Pathway

Adelaide University is dedicated to being a university of choice for Aboriginal and Torres Strait Islander Peoples.

Our Aboriginal and Torres Strait Islander Pathway is a fee-free program with no tuition fees. A student services amenities fee applies to all university students which can be deferred through the Federal Government HECS-HELP loan scheme.

This program is offered also in regional areas and provides culturally aware entry options and tailored study support. Like Foundation Studies, the Aboriginal and Torres Strait Islander Pathway is split into three blocks, with a series of entry, exit and transition points that cater to diverse educational backgrounds and your chosen destination degrees.

adelaide.edu.au/study/degrees/aboriginal-and-torres-strait-islander-pathway

Block 1

Preparatory courses

Block 1 courses develop essential academic skills like communication, critical writing and research. You'll receive support in writing academic assignments, referencing and effective time management. These skills and experiences will help you confidently navigate future university study and develop a comprehensive understanding of the university learning environment.

On completing Block 1 you'll be able to communicate effectively in written and oral formats, engage confidently with numeracy, undertake academic research and have developed a tool kit to approach and organise your study.

Block 2

Pathway to guaranteed entry degrees

Students who have completed year 11, SACE or a Certificate 3 can enter the Foundation Studies program or Aboriginal and Torres Strait Islander Pathway directly at Block 2.

Block 2 extends your engagement with the higher education learning environment and provides foundational knowledge and skill development for your intended destination degree. The courses are designed to develop critical thinking and foster an understanding of university and career pathways while developing foundational knowledge and skills in your chosen discipline.

On completing Block 2 you'll be guaranteed access to a range of accepting degrees, noting that some undergraduate degrees may require a minimum GPA to qualify.

Block 3

Pathway to selective entry degrees

Block 3 is designed to provide a pathway for students wanting to enter selected Adelaide University undergraduate degrees. The courses in this block build on foundational discipline concepts established in Block 2, and will extend your knowledge to help you meet the entry criteria for your chosen degree.

Completing Block 3 qualifies you to apply to selective undergraduate degrees based on your GPA. Some of these degrees have limited professional placement spaces, making entry competitive.

Steps to success

STEP 1

>>>

Explore your study options

Researching your study options is an important first step, and there are many different tools and resources available to help you. You could start by reading through this brochure or head online to explore our website: adelaide.edu.au/study

Attending our Open Day is another great way to get a feel for what university life is like and to learn about the range of services available to support you during your university studies. If you need personalised advice, book a time to chat with a future student adviser – they're here to help with any specific questions you may have.

STEP 2

>>>

Check you meet the eligibility and entry requirements

All degrees have specific entry requirements that you have to meet in order to be eligible for entry into a degree. Each degree will have different entry criteria, so it's important to find out what these are and make sure you can meet them.

Entry requirements can include things like:

- Prerequisites you will need to complete either during your high school (SACE/IB) studies, bridging courses or approved alternatives.
- Assumed knowledge topics that, while not essential for admission into a degree, will help prepare you for many of the topics you'll study during your degree.
- Non-standard entry requirements, such as: attending an interview, undertaking additional assessments (e.g. the UCAT ANZ), performing an audition, submitting a written statement or creative portfolio.

Scholarships

adelaide.edu.au/study/scholarships

SATAC

satac.edu.au

STEP 7

<<<

Welcome to Adelaide University

After receiving your offer, you'll receive enrolment instructions and your new university ID number. You can then start to plan your timetable, enrol into your courses, attend orientation activities, and begin your university journey.

STEP 3

>>>

Apply via SATAC

Applications open in early August for study commencing in the following year. You can apply for your chosen degrees through the SATAC website.

Before you apply, it's a good idea to familiarise yourself with the application process. Note important deadlines and key dates, any supporting documentation as well as SATAC fees and charges and when to pay. For more information, visit the SATAC website: satac.edu.au

STEP 4

>>>

Keep your preferences up to date

As part of your SATAC application, you'll be asked to list up to six preferences—these are the six degrees you are most interested in studying. SATAC makes offers by working down your preference list, so it's important to make sure your first preference is the degree you want to study most.

If you change your mind after you've submitted your application, don't worry! You can change your preferences as often as needed up to the cut-off date for your specific offer round. For a list of key dates, visit SATAC's website.

Helpful tip: Be sure to include some 'back up' options on your application. If you need support in choosing the best back up options or pathways into your dream degree, get in touch with our friendly future student advisers.

STEP 6

<<<

Receive your offer

An offer email will be sent to the email address you provided on your SATAC application. If you have received an offer you don't need to respond, as SATAC will accept the offer on your behalf. If you would like to defer your offer until the following year, you will need to log in to your application through the SATAC website and change the response to the 'defer' option.

If the offer you received was for a degree that is not your first preference, SATAC will accept the offer but note that you would still like to be considered for an offer to your higher preference(s).

STEP 5

<<<

Check your offer

SATAC run several smaller offer rounds, one main offer round, then continue to make offers in the lead up to the start of the study period you applied for. SATAC will email your offer to the highest preference for which you are eligible. This means the degree you most want to study should be your first preference. Remember to check all email folders—including your spam folder—for your offer. You can also check your offer by logging back in to your application through the SATAC website.

Helpful tip: Didn't receive an offer for your first preference? Don't stress—you could still be considered for future offer rounds!

Empowering people

Guided by our world-class teaching staff, you'll discover techniques to develop rapport, ask effective questions, interact with cultural sensitivity and communicate clearly.

You'll be supported to develop the skills and knowledge that will enable you to drive improved social outcomes.

Ignite a love of learning

Teachers play a crucial role in our development, especially for babies, children and young people. From early childhood to adult education, whatever you see yourself teaching we can help you get there.

Supported by our world-class teaching staff you'll develop the skills and knowledge to run an engaging classroom and lead modern education practices.

Hands-on experiences

Embedded work-integrated learning experiences will provide you with valuable hands-on experience while on campus simulation, virtual and augmented reality learning opportunities will build your confidence in a supportive environment.

You'll go beyond the classroom with placement opportunities that will ensure you'll graduate ready to make a difference.

Bachelor of Midwifery (Mount Gambier)

SATAC code	ABP173	IB score	35.25
Start date	Feb	Guaranteed entry	90 (A,A,A)
Duration	3 years full-time	Assumed knowledge	None
Campus	Mount Gambier	Prerequisites	None

Why this degree

As a midwife, you will be a trusted guide, mentor, and source of strength during one of life's most profound experiences.

You'll support women and their families through every stage of pregnancy, birth, and beyond – witnessing the arrival of new life while offering essential care and wisdom in the critical postnatal period. Your guidance will empower new parents with the confidence and skills they need to thrive in their new roles.

You'll be there for one of the most significant moments in a family's life. Long after the mother and baby have returned home, your compassion, expertise and dedication will be remembered.

Career outcomes

As a midwife, you'll lead the way in maternity care, providing women with expert guidance and reassurance throughout their pregnancies. During birth, you'll play a hands-on role, actively ensuring the safety and wellbeing of both mother and baby. In the crucial days that follow, you'll continue to support women and their families, helping them navigate the early stages of caring for their newborn.

As a midwife, you'll have opportunities to work in group practices, providing care to women within caseload models. You could offer family planning support, guide women through pregnancy and birth in a hospital setting or assist with home births.

Roles are available in multidisciplinary healthcare teams in a range of settings, including:

- Community services
- Public or private hospitals
- Rural and remote healthcare
- Home-based services
- Health agencies
- Midwifery education
- Research
- Private practice.

Accreditation

This program is accredited by the Australian Nursing and Midwifery Accreditation Council (ANMAC) and approved by the Nursing and Midwifery Board of Australia (NMBA). Graduates are eligible to apply for registration as a 'Registered Midwife' with the NMBA.

You might also like:

- Bachelor of Nursing
- Bachelor of Social Work.

Bachelor of Nursing (Mount Gambier)

SATAC code	ABP187	IB score	30.25
Start date	Feb, July	Guaranteed entry	80 (A,A,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Mount Gambier	Prerequisites	None

ABP245 Bachelor of Nursing (Enrolled Nurses) (Mount Gambier)

Why this degree

Nurses are at the heart of our hospitals and health sector. They play a vital role in meeting today's complex and evolving health needs.

Whether it's at the height of a pandemic or delivering community care, nurses make a difference by providing quality treatment and support.

Get ready to put yourself at the forefront of patient care and develop your skills in this rewarding and growing field.

Career outcomes

Be ready to embark on a career as a registered nurse, working in a dynamic and vital industry.

Your career options as a healthcare professional will be extensive. You could provide patient care in a variety of settings, including:

- Public or private hospitals
- Community support services
- Aged and rehabilitative care
- Schools
- Home care
- Drug and alcohol treatment centres
- Community health organisations
- Mental health services
- International aid agencies
- Corrections facilities
- Management.

Accreditation

This program is accredited by the Australian Nursing and Midwifery Accreditation Council (ANMAC) and approved by the Nursing and Midwifery Board of Australia (NMBA). Graduates are eligible to apply for registration as a 'Registered Nurse' with the NMBA.

You might also like:

- Bachelor of Midwifery
- Bachelor of Social Work.

Bachelor of Social Science majoring in Ageing and Disability (Mount Gambier)

SATAC code	ABP241	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Mount Gambier	Prerequisites	None

Why this degree

Everyone deserves to live life on their own terms. For Australians who are older and people living with a disability, this isn't always easy.

Navigating complex systems to get the right support is hard work and a daily reality for many. Person-centred support teams are important allies. Getting to know a person's unique needs and connecting them with the right resources to maintain their independence is vital work.

Our Bachelor of Social Science majoring in Ageing and Disability prepares you for a rewarding career in the human services, supporting individuals who are older and those living with disability to ensure their voices and wishes are central in all service and support discussions. Skilfully navigate major systems – like the National Disability Insurance Scheme (NDIS) and My Aged Care – ensuring individuals receive the right supports.

Career outcomes

Human services workers connect people in need to the supports that empower them to more fully participate in their own lives and contribute to their communities. Broadly speaking, they undertake assessments to understand an individual's unique support needs, aspirations and then connect them with relevant resources and services – empowering them to make informed decisions about their support.

You could work as a case manager, coordinating access to support services for individuals living with disabilities. Maybe you'll take on a role as a community outreach worker, designing programs that enhance social connection for citizens who are older. Perhaps you'll join a holistic care team in a rehabilitation clinic, assisting individuals transition from acute health systems to at-home community living.

You can pursue careers in many different sectors and contexts, including:

- Aged care facilities
- Community organisations
- Disability service providers
- Schools and educational institutions
- Social services agencies
- Transitional housing programs.

Accreditation

This program is accredited by Community Work Australia (CWA). Graduates are eligible for membership of CWA.

You might also like:

- Bachelor of Social Science majoring in Human Services
- Bachelor of Social Work.

Bachelor of Social Science majoring in Human Services (Mount Gambier)

SATAC code	ABP241	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Mount Gambier	Prerequisites	None

Why this degree

At their core, human services are about helping people achieve stability and improve their quality of life.

This could be assistance with food and housing – or counselling and financial support for people experiencing crisis. It could be helping isolated individuals find friends and a sense of purpose through community programs or influencing social policy to improve conditions for individuals, groups and communities.

Put your belief in equality and fairness into practice. Gain the tools to influence social policies. Develop high level communication, ethical and cultural competency skills. Become an effective agent of systemic change and pursue rewarding careers supporting individuals, families and communities.

Career outcomes

Human services professionals ensure people in need are connected to the support they require to achieve stability, maintain independence and improve their quality of life. Their roles are as varied as the needs of the clients they serve; they may work in local government, community outreach, disability support, aged care, child protection, social work, housing and more.

You could work as a case manager, connecting clients experiencing crisis with crucial support services. You might be a community outreach worker, designing fun programs that enhance social connection for young people with disabilities. Perhaps you'll work in a community health clinic alongside allied health professionals, helping run support groups for new parents.

You could also work in:

- Aged care facilities
- Advocacy groups
- Community organisations
- Disability service providers
- Healthcare facilities
- Residential care settings
- Schools and educational institutions
- Social services agencies
- Transitional housing programs
- Youth development programs.

Accreditation

This program is accredited by Community Work Australia (CWA). Graduates are eligible for membership of CWA.

You might also like:

- Bachelor of Social Science majoring in Ageing and Disability
- Bachelor of Social Work.

Bachelor of Social Work (Mount Gambier)

SATAC code	ABP216	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	4 years full-time	Assumed knowledge	None
Campus	Mount Gambier	Prerequisites	None

Why this degree

Are you passionate about social justice, human rights and equality? Do you want to support people to make a real difference in their lives and social circumstances?

Social workers are a lifeline for people experiencing points of crisis or significant change. They can work individually in private practice, or as part of a larger interprofessional team in a wide range of clinical, community or organisational settings. Social workers support individuals, families, and communities to address life challenges, enhance wellbeing and bring about social change.

Social work careers blend intellectual challenge with emotional fulfilment. The work is dynamic and varied, offering opportunities to engage with diverse populations and complex social issues. You'll love effecting positive change and contributing to a more just and equitable society.

Career outcomes

As a social worker, you'll work with people to provide holistic assessment, evidence-based intervention and support, counselling and service referrals. You'll practice research, advocacy and influence policy to promote a more fair and inclusive society.

There are employment opportunities for social workers in a wide range of sectors, including:

- Homelessness
- Correctional services
- Youth justice
- Courts and justice system
- Child protection
- Domestic, family and sexual violence
- Aged care
- Primary and Tertiary Health care
- Mental health
- Leadership and management
- Refugees and asylum seekers
- Schools
- Disability
- Social Policy and research
- Community Development and community work.

Accreditation

This program is provisionally accredited by the Australian Association of Social Workers (AASW).

Graduates are eligible for membership of the AASW.

You might also like:

- Bachelor of Social Science majoring in Ageing and Disability
- Bachelor of Social Science majoring in Human Services.

Bachelor of Teaching (Early Childhood Education) (Mount Gambier)

SATAC code	ABP221	IB score	30.25
Start date	Feb	Guaranteed entry	80 (A,A,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Mount Gambier	Prerequisites	None

Why this degree

Early childhood education goes far beyond nursery rhymes, picture books and learning the alphabet. It's about giving young children the language, confidence, social skills and behaviours to set them up for a lifelong journey of discovery. And the research is clear – quality early childhood education has a positive effect on learning and development throughout the school years (Australian Institute of Health and Welfare). With our Bachelor of Teaching (Early Childhood Education), you'll become a resourceful and engaging teacher, ready to inspire the next generation. You'll learn effective modern teaching techniques, understand childhood development, and discover how to create safe and inclusive classrooms. Graduate classroom-ready; having completed 640 hours of placements in early childhood settings, starting from first year.

Career outcomes

You will graduate with a qualification recognised by the Australian Children's Education & Care Quality Authority (ACECQA) and the Teachers Registration Board of South Australia. This means you'll be able to register and work as a teacher in early childhood and care sites, including long day care centres and preschools. You'll even be able to start working in early childhood settings from the end of your second year, while completing your studies.

Accreditation

This program is accredited by The Australian Children's Education & Care Quality Authority (ACECQA). The program is an approved early childhood qualification for Early Childhood Teachers under the National Quality Framework.

Bachelor of Teaching (Primary) (Honours) (Mount Gambier)

SATAC code	ABP224	IB score	30.25
Start date	Feb	Guaranteed entry	80 (A,A,B)
Duration	4 years full-time	Assumed knowledge	None
Campus	Mount Gambier	Prerequisites	None

Why this degree

As a primary school teacher, you'll be many things: role model, confidant, supporter, educator. You'll help your students build foundational literacy, numeracy and critical thinking skills while nurturing their unique talents and helping them become well-rounded individuals with their own passions. Learn inclusive and culturally responsive teaching practices while specialising in your chosen area of the Australian Curriculum. If you enjoy engaging with young people, believe in the power of education to transform lives, and want a career that truly makes a difference – our Bachelor of Teaching (Primary) (Honours) is for you. With a comprehensive curriculum and 640 hours of practical placement starting from first year, you'll be ready to inspire and educate students from Reception to Year 6.

Career outcomes

You will graduate with a qualification recognised by the Teachers Registration Board of South Australia. This will enable you to work as a Reception to Year 6 teacher in primary schools within Australia and other select countries. Your honours qualification will help you stand out and enhance your employment prospects.

Accreditation

This program is accredited by the Teachers Registration Board of South Australia (TRB). Graduates of this program may register to teach in South Australia, and in most cases, interstate and overseas (please check interstate and international countries for specific registration requirements relevant to those jurisdictions).

Bachelor of Teaching (Secondary) (Honours) (Mount Gambier)

SATAC code	ABP227	IB score	30.25
Start date	Feb	Guaranteed entry	80 (A,A,B)
Duration	4 years full-time	Assumed knowledge	None
Campus	Mount Gambier	Prerequisites	None

Why this degree

Inspire students to discover their unique potential as an innovative and engaging secondary school teacher of Years 7 to 12.

Teaching is a rewarding career where every day brings new opportunities to make a difference. With our Bachelor of Teaching (Secondary) (Honours), you'll gain the knowledge and skills to not only help students thrive academically, but to become well-rounded individuals.

Follow your passions by specialising in two subject areas aligned with the Australian Curriculum. Gain practical experience in the classroom with 640 hours of placement, starting from first year. Master positive classroom management and culturally responsive teaching practices. Create inclusive and supportive learning environments for students of all abilities.

Become a respected and valued member of your community and inspire the next generation.

Career outcomes

You will graduate eligible to apply for registration with the Teachers Registration Board of South Australia. You will also be eligible for registration as a teacher in other Australian states and select countries. Your honours year of study will set you apart and enhance your employment prospects.

You will be qualified for roles such as:

- Secondary school teacher (Years 7-12)
- Senior years coordinator
- Youth support worker
- Education consultant or policy advisor.

Accreditation

This program is accredited by the Teachers Registration Board of South Australia (TRB). Graduates of this program may register to teach in South Australia, and in most cases, interstate and overseas (please check interstate and international countries for specific registration requirements relevant to those jurisdictions).

RESEARCH PROGRAMS

Doctor of Philosophy	NA	3 to 4	AC, M, ML, WT, RW, W, MG	N	N		Jan, July	NA	NA	On campus	N
Graduate Certificate in Research Design	AGC122	0.5	AC, M, ML, WT, RW, W, MG	Y	N		Feb, July	NA	NA	On campus	N
Graduate Certificate in Research Skills	AGC121	0.5	AC, M, ML, WT, RW, W, MG	N	N		Feb, July	NA	NA	On campus	N
Master of Philosophy	NA	2	AC, M, ML, WT, RW, W, MG	N	N		Jan, July	NA	NA	On campus	N
Master of Research	NA	1.5	AC, M, ML, WT, RW, W, MG	N	N		Feb, July	NA	NA	On campus	N

Global Learning

Broaden your horizons by completing part of your Adelaide University degree overseas.

Make overseas study a part of your degree.

Enjoy a wide range of personal, academic, and professional benefits through our overseas experiences, including the unique opportunity to immerse yourself in a new culture and connect with people from around the globe.

With new opportunities continually being added to Adelaide University's offerings, you can choose an experience that suits you.

adelaide.edu.au/study/global-learning

Activate

Challenge yourself and explore your passion.

Activate is designed to complement your Year 12 studies, with school approval and timetabling support part of the application process. You'll also have access to Adelaide University's academic support, digital platforms, and student services, including mentoring.

With flexible options for a range of students, Activate builds confidence, supports academic growth, and provides you with experience before stepping into your first year of university.

Future-making research

Our researchers create ideas that shape tomorrow.

They dream big, think deeply and challenge assumptions so we can make the world a better place. We forge dynamic partnerships, always collaborating to ensure our impact is future-defining, transformative and enduring.

Operating on a large scale, we have more capacity for breakthroughs and a greater appetite for change. We work with industry, government and community to make ideas real – from protecting our planet to shaping global food systems and supporting human health.

Our research will transform South Australia's economy and accelerate its leadership on a global scale.

Sustainable Green Transition

Applying to Adelaide University

How to apply

Applications to most Adelaide University undergraduate degrees are made online via SATAC: satac.edu.au

Applications open in early August. Apply before 30 September to avoid paying the SATAC late fee. You can add and swap preferences for most programs until the Change of Preference deadline in early January 2027, except for a handful of programs (including Bachelor of Medical Studies/Doctor of Medicine, Bachelor of Science (Veterinary Bioscience), Bachelor of Oral Health, and Bachelor of Dental Surgery) which close to new preferences on 30 September.

Entry pathways

Adelaide University is committed to making higher education accessible to all, regardless of their educational background. We offer pathways to study that support a diverse range of learning needs. These options include Year 12 entry, International Baccalaureate (IB), Grades-based entry, STAT, TAFE, and our preparatory programs, Foundation Studies and the Aboriginal and Torres Strait Islander Pathway. To find out more about the available pathways, see pages 16 and 18.

Adjustment factors

SATAC centrally administers two South Australian universities adjustment factors schemes. The two schemes are the Universities Equity Scheme and the Universities Language, Literacy and Mathematics Scheme.

satac.edu.au/adjustment-factors

Degree intake

Many undergraduate degrees will allow students to commence study in February or July. Please refer to individual degrees to check whether midyear entry is available. For students looking to study 100% online we have intakes throughout the year.

adelaide.edu.au/study

Deferring your studies

Most undergraduate degrees can normally defer for 12 months. Please refer to specific degrees for exceptions.

Concurrent degrees and double degrees

We offer concurrent degrees that allow students to study two qualifications simultaneously, to fast-track studies and enhance employability. Double degrees combine complementary disciplines and enable students to graduate with expertise in two areas and broaden career options.

Work-integrated learning (WIL)

Work-integrated learning offers students real-world experiences through internships and placements. Students are connected with valuable employability opportunities that allow them to apply their academic knowledge in real professional settings.

Additional entry requirements

Inherent requirements set the essential skills and knowledge all students must have to complete a course successfully.

English language requirements for international students

All international students undertaking an Australian Year 12 program are required to achieve a Pass grade or above in one of the approved English as a Second Language or English language subjects. If an applicant attempts but does not pass the English language subject, then alternative options, such as an acceptable English language proficiency test result, may be arranged.

Successful completion of the International Baccalaureate (IB) diploma meets the English language requirements of Adelaide University.

Unique Student Identifier

A Unique Student Identifier (USI) is your individual education number for life. It creates an online record of your education and training undertaken in Australia. If you are at university you need a USI. Without one, you cannot receive Commonwealth financial assistance, or your qualification or statement of attainment.

For more details, visit: usi.gov.au/students/get-a-usi

More information

Find answers to your questions using our online 'Frequently Asked Questions page', or our helpful staff can respond.

HELP (Higher Education Loan Program)

A HECS-HELP loan allows students to borrow from the Australian Government to cover some or all of their student contribution. To be eligible for HECS-HELP, you must be studying in a Commonwealth Supported Place.

Students who receive HECS-HELP will have part or their entire student contribution amount paid to Adelaide University by the Australian Government, and a HECS-HELP debt recorded for them with the Australian Taxation Office (ATO). Students then become responsible for repaying this debt later through the Australian taxation system.

For more information on HECS-HELP loans, visit: studyassist.gov.au

Student services and amenities fee

Students are charged an annual student services and amenities fee (SSAF) to assist with the funding of student services and amenities at Adelaide University. Eligible students may defer this fee to an SA-HELP loan.

Additional costs

Students may be required to pay for specialist equipment and reading materials, or may incur other incidental costs throughout their studies. Students are advised not to purchase any equipment until they receive their faculty/school handbook, available during Orientation.

2027 fees and costs

Student Contribution amounts for Commonwealth Supported Places are regulated by the Government. Contributions are calculated at the course level, not the program level, according to the area of study that each course falls within. As a guide the 2026 Student contribution bands are shown below. The Government indexes Student Contributions annually.

adelaideuni.edu.au/study/how-to-apply/entry-requirements/commonwealth-supported-students

Area of study	Student contribution per 1 EFTSL (48 units)
Agriculture, Education, English, Indigenous and Foreign Languages, Mathematics, Nursing, Statistics, Postgraduate Clinical Psychology	\$4,738
Allied Health, Built Environment, Computing, Engineering, Environmental Studies or Science, Other Health, Visual and Performing Arts, Surveying, Pathology, Professional Pathway Psychology or Professional Pathway Social Work	\$9,537
Medicine, Dentistry or Veterinary Science	\$13,558
Accounting, Administration, Commerce, Communications, Law, Society and Culture	\$17,399

What is 1 EFTSL?

Eligible Full Time Study Load (EFTSL) is the Australian Government's measure of a student enrolment load. One EFTSL is equal to full-time study for one student for one year. Each subject you enrol in is equal to 0.125 EFTSL.
