

Business & Law

2027 Study Guide

Tirkangkaku is the Aboriginal name bestowed upon Adelaide University by the Kurna People.

Tirkangkaku means "Place of Learning" and is a gift representing 65,000 years of continuous discovery.

In Kurna culture, learning is never passive – it's active and transformative.

Tirkangkaku is a place where all knowledge systems can come together and learn from each other. A place where the world's oldest living culture shapes cutting-edge discovery. A place where we are creating the future, while honouring the past.

Acknowledgement of Country

We respectfully acknowledge the Kaurna, Boandik, and Barngarla First Nations Peoples and their Elders past and present, who are the Traditional Owners of the lands that are home to our campuses across Adelaide and South Australia.

Member of the Group of Eight

Australia's leading research-intensive universities.

Ranked #82 in the world

and 8th nationally in the 2026 QS World University Rankings.

Welcome to Adelaide University

**Adelaide University is Australia's
university for the future ranked
in the global top 100.***

** Ranked equal 82, 2026 QS World University Rankings*

We are transforming higher education by combining face-to-face learning with advanced digital technologies to create a flexible, student-centred experience. Degrees are designed to be stackable and personalised, supported by digital learning, industry partnerships and extensive work-integrated learning opportunities.

The Common Core provides interdisciplinary skills that employers value – ensuring students graduate with real-world knowledge and experience. Across all programs, Adelaide University fosters strong graduate qualities, embeds First Nations perspectives and provides equity-focused support so every student can succeed.

Go8 member

We are part of Australia's elite research-intensive university group.

Connected

Australia's most connected university:
Building on our 7,000 strong partnerships with industry and collaborators.

7,000

Real-world

Real-world experience:
Work-integrated learning is embedded across all programs, giving students hands-on opportunities.

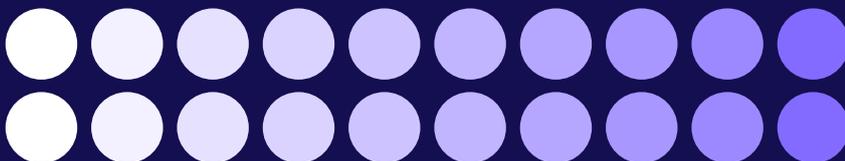

Equity and inclusion

We champion inclusive education through First Nations Knowledges and equity-focused pathways.

Transformative and flexible education:
Australia's most accessible, contemporary and future-focused teaching and learning experience.

Transformative

Our campuses

Experience vibrant campus life with face-to-face lectures, social spaces and modern facilities.

Or, choose flexible 100% online study supported by expert teaching and a connected learning community.

Perfectly positioned on North Terrace, our Adelaide City Campus is where cutting edge connects with tradition.

The campus encompasses precincts both east and west of the city. You'll find the latest in teaching and research facilities, along with buildings steeped in history, contemporary spaces and vibrant galleries.

Immerse yourself in modern study and meeting spaces. Access cosy student lounges, rooms for private or group study, quiet zones and collaborative areas.

As a business or law student you'll have access to specialised learning facilities including the Iress Trading Room, Moot Court and ThinkLab.

Discover vibrant social hubs where you can join a range of clubs or teams, meet friends after class to enjoy local live music, or work out in the fitness hubs which include a 25m heated swimming pool, fully equipped gym, multi-sport courts and a rock-climbing wall.

You'll be spoilt for choice with premium on campus vendors including café style fare, casual favourites such as burgers and salads, plus Vietnamese and Japanese eateries. Popular bars, pubs and restaurants are also within easy walking distance from both the east and west precincts.

Adelaide City Campus is easily accessed by public transport, including train, tram and bus. There is also plenty of nearby car parking and bike storage available on campus.

Adelaide City Campus

Magill Campus is located in the picturesque eastern suburbs of Adelaide, only seven kilometres from the city centre. Getting to campus is easy, with local bus routes and plenty of affordable on-campus car parking available.

Boasting cutting-edge research laboratories and hands-on studios, you'll access a range of modern study spaces and a well-equipped library with quiet study areas.

The campus also has a gym, and is only a short walk to local cafés, a supermarket, a pharmacy and more.

You'll have access to a range of support services including career counselling, wellbeing support, study assistance, access and inclusion services, mentoring and more.

Magill Campus is **7km** from the city centre.

07

Adelaide University has seven campuses in total.

Magill Campus

Flexible online learning

You'll enjoy the same world-class teaching, personalised support and sense of community as our on-campus students – without needing to attend in person. Access digital learning environments, collaborate in virtual classrooms and connect with your peers and teachers.

You'll have flexible access to coursework, interactive resources and dedicated online student services to help you succeed wherever you are.

World-class facilities

Premier financial trading spaces

Get hands-on experience using the same technology as the world's leading banks and investments firms in our purpose-built financial trading spaces. The Iress Trading Room and Financial Markets Lab are fitted with industry-standard software enabling real-time access to all major global finance markets. You'll build confidence through immersive simulated stock exchange trading experiences where you'll be able to construct investment portfolios, observe live financial markets and stress-test market performance.

Iress Trading Room

Moot Court

Mooting in motion

Level up your debating, advocacy, and mediation skills through participating in moot court experiences. You'll learn to argue a case, how to act as an advocate and gain experience presenting before a judge. Designed to look and operate just like a real courtroom, our moot court will provide you with opportunities to develop your practical legal skills and knowledge in a supportive environment.

You can also access world-class legal resources at the Sir John Salmond Law Library, including key statutes, case law and major journals from Australia and around the world. With strong collections in comparative, international and environmental law, it's a supportive space to study, learn and recharge.

ThincLab

Idea incubators

Adelaide University is home to a range of entrepreneurial hubs where big ideas are nurtured. Immerse yourself in modern, well-appointed facilities where entrepreneurial and innovative minds converge. The world-class ThincLab on North Terrace provides a supportive start-up environment with opportunities to create, develop and action ideas. In the west-end, the world-leading Ehrenberg-Bass Institute for Marketing Science is home to marketing science experts that advise global brands such as Colgate-Palmolive, Mondelez International and Nestlé.

Enterprise Hub

Study 100% online

Study with us from anywhere in Australia.

Whether you're looking to advance in your field or it is time for a career change, our 100% online mode might be what you're looking for. We offer the chance to study to anyone in Australia, with 50 programs covering Business, Marketing and Communication, Health Science, Construction, and Psychology.

Flexible learning for busy people

Our courses are designed to give you the flexibility to study on your own terms, with learning resources available on-demand. Fit study around your work, family, and life commitments without compromising the quality of your education.

Designed and delivered by our experts

We're committed to creating quality programs and learning experiences. Our academics create learning materials with the latest insights from industry, which our online learning experts bring to life using interactive technology and tools like videos, quizzes, and podcasts.

Studying online doesn't mean studying alone

You'll be supported throughout your 100% online studies by a dedicated Student Assist Officer and have access to academic and technical support seven days a week - even outside of regular hours. You will also become part of our online learning community with the opportunity to connect with other students across Australia.

Scholarships

adelaideuni.edu.au/study/scholarships

Adelaide University is dedicated to helping more people access higher education through a wide range of scholarships designed for all backgrounds. Discover scholarships for academic excellence, leadership, Aboriginal and Torres Strait Islander students and more. A scholarship could be the incentive you need to launch your future with us and ensure you're prepared to step forward with confidence toward your career goals.

We're here to support your studies and help you thrive at university. Become the best you can be with an Adelaide University scholarship.

Adelaide University Vice Chancellor Scholarship

A scholarship rewarding exceptional academic achievers. Recipients receive a stipend of up to \$10,000 per annum and a 100% fee waiver for up to four years¹.

Adelaide University Future Leaders Scholarship

A scholarship recognising high academic achievers who demonstrate leadership potential and community service. Recipients will receive a stipend of up to \$15,000 per annum for the duration of the degree.

Adelaide University Aspire Scholarship

A scholarship acknowledging academic achievers who demonstrate leadership potential and community service. Recipients will receive a stipend of up to \$5,000 per annum for the duration of the degree².

Adelaide University Principals Scholarship

A scholarship rewarding students who have excelled in their school academically and exhibited qualities of active service to their school and/or community. Recipients are nominated by their school principal and will receive a stipend of up to \$3,000 per annum for three years.

Adelaide University Attainment Scholarship

A scholarship supporting students who demonstrate leadership and active community service within a work, academic or community setting and are commencing university studies through a non-ATAR or equivalent selection rank, ie. International Baccalaureate admissions pathway.

Adelaide University Career Catalyst Scholarship

A scholarship supporting students to develop their careers, with the support of an employer. Eligible recipients will receive a 30% fee waiver for the duration of their degree.

Adelaide University Postgraduate Grant

A grant for students looking to advance their career opportunities or change career direction by commencing a Master by coursework degree. Recipients will receive a one-off payment of \$5,000.

Adelaide University Access Scholarship

A scholarship supporting students who have demonstrated financial barriers to accessing post-secondary study. Recipients will receive an annual stipend of up to \$6,000 per annum³ for the duration of the degree.

Adelaide University Online Grant

A grant dedicated to students studying online and who have demonstrated financial barriers to accessing post-secondary study and/or reside in a rural, regional, or remote community. Recipients will receive a one-off payment of \$1,500.

Adelaide University Aboriginal and Torres Strait Islander Leaders Scholarship

A scholarship acknowledging exceptional academic achievement of Aboriginal and Torres Strait Islander students who demonstrate leadership potential or active service in their school or community. Recipients will receive a stipend of up to \$15,000 per annum for the duration of the degree.

Adelaide University Aboriginal and Torres Strait Islander Aspire Scholarship

A scholarship acknowledging academic achievement of Aboriginal and Torres Strait Islander students who show leadership or active service in their school or community. Recipients will receive a stipend up to \$5,000 per annum for the duration of the degree.

Adelaide University Aboriginal and Torres Strait Islander Student Scholarship

A scholarship supporting Aboriginal and Torres Strait Islander students who have demonstrated financial barriers to accessing post-secondary study. Recipients will receive an annual stipend of up to \$6,000 per annum³.

¹ Some degree exclusions apply.

² This scholarship is offered to students who have been shortlisted for the Adelaide University Leaders Scholarship but were not awarded the scholarship, or received a conditional offer but did not meet the 95 Selection Rank criteria.

³ Stipend amount will be awarded on severity of financial hardship.

The Adelaide Attainment Model

Adelaide University is redefining what the future of higher education looks like in Australia.

Here, traditional learning meets the future – face-to-face experiences enriched by the latest digital technologies, giving you the flexibility to learn your way, while staying deeply connected to your peers and teachers.

We aim to foster the most flexible, future-focused learning and teaching environment that puts you at the centre.

Your studies won't be confined to just the classroom. You'll work alongside industry leaders who help shape what and how you learn, ensuring every experience is practical, relevant and inspired by the real world. Through hands-on projects and professional collaborations, you'll gain the skills and confidence that future employers are already looking for.

But your education at Adelaide University goes beyond preparing for a career – it's about readying you for the world. Under the guidance of expert industry partners, you'll learn to think critically, act ethically and create inclusively, ready to shape an innovative and global future.

Education for the future

Stackable degree structures

Our degree structures allow multiple entry pathways and transition points, creating individual and personalised study journeys. You can easily transition between undergraduate programs, and we offer a range of innovative options to extend your undergraduate studies into postgraduate pathways.

Digitally rich learning environment

At Adelaide University, digital technology is not just a tool for delivering content – it provides instant content delivery to support active learning, collaboration, and engagement, enhancing the accessibility and personalisation of our teaching and learning.

Industry informed curriculum

Connect with professional networks while you study. Our curriculum is designed in partnership with over 7,000 industry partners, including those who collaborate on research with Adelaide University. This means the skills we teach are contemporary and industry aligned, informed by the engaged research we undertake, and designed to shape employable graduates.

Community embedded learning

Work-integrated learning – such as placements and clinics – is a key part of our education and is embedded in every program we teach. This hands-on experience provides practical, applied knowledge, and helps students develop a professional network, so you graduate with strong industry experience and contacts.

Depending on your chosen degree, work-integrated learning can include:

- **Internships and placements:** Get hands-on experience by working with real organisations in your field as part of your degree.
- **Industry projects:** Collaborate on real-world projects that solve genuine industry or community challenges.
- **Simulation:** Build practical skills through realistic workplace simulations or online experiences.

Interdisciplinary understanding: The Common Core

The Common Core is a suite of interdisciplinary courses designed to prepare Adelaide University graduates with transferable skills employers value most. These courses foster collaboration and broad perspectives, and an understanding of how each field shapes and connects with society.

You'll select the Common Core courses you want to study from six knowledge areas, engaging with peers across the university, including:

- **Artificial Intelligence:** Introduces the fundamental principles, techniques, and real-world applications of AI.
- **Data Knowledges:** Explores data types, sources, and structures, best practices for collecting, managing, and analysing data, and strategies for evaluating and communicating information effectively.
- **Entrepreneurship and Design Thinking:** Develops the tools and mindset to identify opportunities, develop sustainable solutions, and drive positive change.
- **Ethical Knowledges:** Uncovers the fundamental principles of moral reasoning and their application to real-world situations.
- **Intercultural Understanding:** Fosters cross-cultural communication and competency and a deeper understanding of how one's cultural background shapes life experiences.
- **First Nations Knowledges:** Learning and centring Aboriginal voices and ways of knowing, being and becoming.

The Adelaide Academy

The Adelaide Academy is a future-focused initiative designed to offer high-potential and high performing students the opportunity to take their studies to the next level. As Adelaide University establishes itself, the Academy will grow to offer a suite of enriched learning experiences that go beyond the core curriculum, including:

- Advanced discipline-based coursework
- Industry engagements and internships
- Research projects
- Interdisciplinary workshops and challenges.

The Academy is being developed to recognise and support academic excellence and ambition and will evolve over time to reflect the needs of high-performing students and the expectations of a competitive global workforce.

Fostering our Graduate Qualities

At Adelaide University, our Graduate Qualities are about more than just what you learn – they're about who you become. These values and skills are built into everything we teach, helping you grow into a confident, capable graduate ready to take on your future.

You will graduate as a:

- **Lifelong learner** with enduring passion for personal and professional development.
- **Ethical leader**, who does what is right over what is easy.
- **Strategic problem solver**, who approaches challenges with analytical rigour and creative insight.

- **Global citizen**, with respect for your role in the world and your capacity to enact positive change.
- **Resilient thinker**, able to succeed by harnessing critical, creative and adaptable thinking.
- **Trusted communicator**, who can articulate ideas effectively and inspire change.

Embedding First Nations knowledges

At Adelaide University, you'll learn from and with Aboriginal voices, perspectives and knowledge holders.

First Nations Knowledges are woven throughout your studies, in all study areas, through genuine collaboration with Aboriginal scholars, Elders, and communities – ensuring cultural respect, inclusion, and understanding are part of every learning experience.

Our equity-aligned education

At Adelaide University, we believe everyone deserves the chance to succeed. We offer equity-focused pathways and personalised support to help you overcome barriers and achieve your study goals.

This includes:

- An environment that supports diverse student participation.
- Equitable access to a world-class education for learners of potential.
- Advancing the access, participation and success of First Nations Peoples.
- Supporting you through your university experience to help you succeed in your learning and career journey.

Exceptional student experience

From day one, we're here to support you on your student journey. On campus and beyond, you'll have access to dedicated teaching and supporting staff, and a wide range of services.

Aboriginal student services

Culturally safe and dedicated support services including scholarships, study help, peer mentoring and more, are available to Aboriginal students both on campus and online.

Academic support

Whether you need general study guidance or more specific assistance, we've got you covered. You'll have access to writing, study skills and maths support, along with peer-led learning and 24/7 online support, so you can get help anywhere, anytime.

Access and inclusion

If you have a disability, impairment, chronic health condition, or significant caring responsibilities, you can access confidential and personalised advice, adjustments and support through online services to help you reach your study goals.

Accommodation

Find your home away from home. We'll support you to find and apply for accommodation that's convenient, safe, accessible and right for you, including guidance for regional students.

Career services

Prepare for a lifetime of success. Attend networking and industry events, build career planning and management skills, access job opportunities and more.

Counselling

Take care of your personal wellbeing with access to qualified counsellors on campus and online. Sessions are free, confidential and available regardless of your location.

Health clinics

Stay healthy by accessing a range of on campus health clinics at reduced student rates including GP services, physiotherapy, podiatry, psychology and more.

Orientation

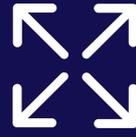

Take the first step toward a fulfilling experience with our Orientation program. Join a campus tour, gain an understanding of your degree, meet people you'll be studying with and enjoy fun activities and events. You'll also be able to participate online through live sessions and virtual tours.

Religious needs

Private prayer rooms are available across most of our campuses. You can also join a faith-based student group or connect with a range of religious chaplains and pastors on campus.

Sports and fitness

Join a sports team, take a group fitness class, or hit an on campus gym or pool between classes. There's something for everyone to stay fit and feel good.

**Wide range
of services**

**Dedicated teaching
and support staff**

Student clubs, societies and association

Your student association is the voice and social heart of your student experience. With a wide variety of clubs and societies, you'll be sure to find your people and your passion.

Pathways to Adelaide University

There are many ways you can gain entry into one of our degrees.

Selection rank (ATAR plus adjustment factors)

If you have qualified for the South Australian Certificate of Education (SACE) or hold an equivalent recent year 12 qualification, including the International Baccalaureate Diploma (IB), and have achieved a competitive selection rank, you can use this as a pathway into university.

Your Selection Rank (ATAR plus any applicable adjustment factors) will be used to compete for a place in a university degree.

For most of our undergraduate degrees, you must not have completed more than 2 years full-time equivalent university study (48 units) to use your year 12 results.

Some degrees take additional factors into account as well as or instead of your ATAR, such as auditions, the University Clinical Aptitude Test (UCAT), oral interviews, etc.

Guaranteed Entry

Choose your preferences with confidence. We offer Guaranteed Entry for most undergraduate degrees. There's no need for a separate application – you're automatically considered when you list your preferred Adelaide University degree as your highest preference.

If you don't achieve the grades for Guaranteed Entry, you'll still be considered on a competitive basis for available places in your preferred degree.

ATAR based

You'll be eligible for an ATAR based Guaranteed Entry place when you:

- Achieve an ATAR (including adjustment factors) that is equal or higher to the Guaranteed Entry score
- Meet any admissions criteria for your degree, for example a subject prerequisite.

Subject based

Did you achieve solid grades in year 12, but didn't get the ATAR you were expecting? You'll be eligible for a Subject based Guaranteed Entry place when you:

- Complete SACE (or equivalent) and have an ATAR of 50 or higher (not including adjustment factors)
- Utilise your best three grades from 20-credit subjects
- Meet any additional admissions criteria such as subject prerequisites.

Admission tests

STAT (Skills for Tertiary Admissions Test)

Never completed year 12 or any other higher education? You may wish to use the Skills for Tertiary Admissions Test (STAT) to gain entry to university. The STAT is a two-hour, multiple-choice test designed to assess a range of skills and knowledge needed to study at university.

The Australian Council for Educational Research (ACER) coordinates the STAT. To sit the test, you'll need to be over 18 years old before 1 February in the year that you wish to commence study. If you have been enrolled in university in the last two years, you must not have completed more than two years (full-time) tertiary study in total.

For more information, visit stat.acer.org/au

Higher Education GPA (Grade Point Average)

If you have already completed at least six months (full-time) of a recognised higher education degree at a recognised higher education institution, you can use your Grade Point Average (GPA) to gain entry to Adelaide University.

Internal transfer

Perhaps you gained entry to a degree that wasn't your first preference or, after completing a few courses, have changed your mind about what you'd like to study. You can use your GPA (or any eligible previous qualifications) to apply for what is called an internal transfer.

This is an option available to students who may have already started studying in one degree and, for a range of different reasons, would like to transfer into another degree at the same university. Please note that not all degrees are available via internal transfer. If unsure, you can contact our friendly student advisers for assistance.

Vocational Education and Training (VET) Studies (Certificate IV or higher)

Have you completed a VET qualification at a Certificate IV or higher? Your completed qualification can gain you entry to many of our degrees.

For students that have studied at either TAFE SA or other Registered Training Organisations (RTOs), most Certificate IV courses (including former Advanced Certificates or equivalent) meet the minimum entry requirements for a wide range of our undergraduate degrees. For some degrees, a successfully completed Diploma or Advanced Diploma will be required to meet the minimum entry requirements.

Preparatory programs at Adelaide University

Fee-free tuition (student amenities fee required)

Adelaide University is committed to welcoming students from all backgrounds and life stages, with preparatory programs designed to help you succeed and gain entry into your preferred degree.

The Foundation Studies and Aboriginal and Torres Strait Islander Pathway programs provide fee-free pathways to university, regardless of your educational experience. If you do not meet the required qualifications for direct entry into a bachelor degree, these programs provide alternative entry options while helping you adjust to the university environment.

Our preparatory programs set you up to succeed at university by building

academic skills and prerequisite knowledge. You'll benefit from small classes, academic support services and full access to campus facilities. Learn core academic skills and experience student life as an Adelaide University student.

Once you've successfully completed your program, you'll be able to transfer into one of Adelaide University's world-class undergraduate degrees.

Foundation Studies

Foundation Studies is a fee-free program with no tuition fees, designed to help you build essential skills for successful university study. A student services amenities fee applies to all university students which can be deferred through the Federal Government HECS-HELP loan scheme. This program supports students with no previous qualifications to learn the skills required for successful university-level study.

This program is ideal for students with no prior qualifications or formal education experience, including those who may not have an ATAR, are from regional and remote areas, are first in their family to attend university or who may have spent extended periods of time away from formal education.

The Foundation Studies program is split into three blocks, with a series of entry, exit and transition points that cater to diverse educational backgrounds and your chosen destination degree.

adelaide.edu.au/study/degrees/foundation-studies

Aboriginal and Torres Strait Islander Pathway

Adelaide University is dedicated to being a university of choice for Aboriginal and Torres Strait Islander Peoples.

Our Aboriginal and Torres Strait Islander Pathway is a fee-free program with no tuition fees. A student services amenities fee applies to all university students which can be deferred through the Federal Government HECS-HELP loan scheme.

This program is offered also in regional areas and provides culturally aware entry options and tailored study support. Like Foundation Studies, the Aboriginal and Torres Strait Islander Pathway is split into three blocks, with a series of entry, exit and transition points that cater to diverse educational backgrounds and your chosen destination degrees.

adelaide.edu.au/study/degrees/aboriginal-and-torres-strait-islander-pathway

Block 1

Preparatory courses

Block 1 courses develop essential academic skills like communication, critical writing and research. You'll receive support in writing academic assignments, referencing and effective time management. These skills and experiences will help you confidently navigate future university study and develop a comprehensive understanding of the university learning environment.

On completing Block 1 you'll be able to communicate effectively in written and oral formats, engage confidently with numeracy, undertake academic research and have developed a tool kit to approach and organise your study.

Block 2

Pathway to guaranteed entry degrees

Students who have completed year 11, SACE or a Certificate 3 can enter the Foundation Studies program or Aboriginal and Torres Strait Islander Pathway directly at Block 2.

Block 2 extends your engagement with the higher education learning environment and provides foundational knowledge and skill development for your intended destination degree. The courses are designed to develop critical thinking and foster an understanding of university and career pathways while developing foundational knowledge and skills in your chosen discipline.

On completing Block 2 you'll be guaranteed access to a range of accepting degrees, noting that some undergraduate degrees may require a minimum GPA to qualify.

Block 3

Pathway to selective entry degrees

Block 3 is designed to provide a pathway for students wanting to enter selected Adelaide University undergraduate degrees. The courses in this block build on foundational discipline concepts established in Block 2, and will extend your knowledge to help you meet the entry criteria for your chosen degree.

Completing Block 3 qualifies you to apply to selective undergraduate degrees based on your GPA. Some of these degrees have limited professional placement spaces, making entry competitive.

Steps to success

STEP 1 >>>

Explore your study options

Researching your study options is an important first step, and there are many different tools and resources available to help you. You could start by reading through this brochure or head online to explore our website: adelaide.edu.au/study

Attending our Open Day is another great way to get a feel for what university life is like and to learn about the range of services available to support you during your university studies. If you need personalised advice, book a time to chat with a future student adviser – they’re here to help with any specific questions you may have.

STEP 2 >>>

Check you meet the eligibility and entry requirements

All degrees have specific entry requirements that you have to meet in order to be eligible for entry into a degree. Each degree will have different entry criteria, so it’s important to find out what these are and make sure you can meet them.

Entry requirements can include things like:

- Prerequisites you will need to complete either during your high school (SACE/IB) studies, bridging courses or approved alternatives.
- Assumed knowledge topics that, while not essential for admission into a degree, will help prepare you for many of the topics you’ll study during your degree.
- Non-standard entry requirements, such as: attending an interview, undertaking additional assessments (e.g. the UCAT ANZ), performing an audition, submitting a written statement or creative portfolio.

SATAC

satac.edu.au

STEP 7 <<<

Welcome to Adelaide University

After receiving your offer, you’ll receive enrolment instructions and your new university ID number. You can then start to plan your timetable, enrol into your courses, attend orientation activities, and begin your university journey.

STEP 3**Apply via SATAC**

Applications open in early August for study commencing in the following year. You can apply for your chosen degrees through the SATAC website.

Before you apply, it's a good idea to familiarise yourself with the application process. Note important deadlines and key dates, any supporting documentation as well as SATAC fees and charges and when to pay. For more information, visit the SATAC website: satac.edu.au

STEP 4**Keep your preferences up to date**

As part of your SATAC application, you'll be asked to list up to six preferences—these are the six degrees you are most interested in studying. SATAC makes offers by working down your preference list, so it's important to make sure your first preference is the degree you want to study most.

If you change your mind after you've submitted your application, don't worry! You can change your preferences as often as needed up to the cut-off date for your specific offer round. For a list of key dates, visit SATAC's website.

Helpful tip: Be sure to include some 'back up' options on your application. If you need support in choosing the best back up options or pathways into your dream degree, get in touch with our friendly future student advisers.

STEP 6**Receive your offer**

An offer email will be sent to the email address you provided on your SATAC application. If you have received an offer you don't need to respond, as SATAC will accept the offer on your behalf. If you would like to defer your offer until the following year, you will need to log in to your application through the SATAC website and change the response to the 'defer' option.

If the offer you received was for a degree that is not your first preference, SATAC will accept the offer but note that you would still like to be considered for an offer to your higher preference(s).

STEP 5**Check your offer**

SATAC run several smaller offer rounds, one main offer round, then continue to make offers in the lead up to the start of the study period you applied for. SATAC will email your offer to the highest preference for which you are eligible. This means the degree you most want to study should be your first preference. Remember to check all email folders—including your spam folder—for your offer. You can also check your offer by logging back in to your application through the SATAC website.

Helpful tip: Didn't receive an offer for your first preference? Don't stress—you could still be considered for future offer rounds!

Build a business mind-set

Our business degrees have been developed in consultation with industry to ensure you graduate with the skills and knowledge employers demand. You'll build essential and highly transferable skills in problem solving, critical thinking, ethics, communication and collaboration.

Business, accounting, commerce management, marketing and economics are the pillars of every successful business organisation and economy. Study in these fields and you'll enhance your decision-making, data analysis and strategic planning abilities – ready to lead in today's fast-paced business world.

Learn through experience

Work-integrated learning experiences will provide you with valuable real-world experience and empower you to build professional networks. You'll connect with experienced professionals and participate in internships, exchanges or mentorship opportunities. Hands-on learning opportunities that go beyond the classroom will enable you to develop confidence in a supportive environment. Through an extensive range of electives and enriching learning experiences you'll have the flexibility to explore areas that interest you, and to tailor your studies to align with your career goals.

World-class research

Your learning will be informed and supported by world-class research. Adelaide University is home to a number of research centres and institutes at the cutting-edge of business innovation. These include the renowned Ehrenberg-Bass Institute for Marketing Science where more than 60 marketing scientists are at the forefront of discovering how brands grow and buyers behave. Entrepreneurship also flourishes at Adelaide University through our in-house business incubators ThinLab and the Innovation and Collaboration Centre.

Career prospects

Dynamic and rapidly evolving, the business industry is an exciting place to be. It's predicted that more than 90% of projected employment growth over the next ten years will occur in high skill level jobs requiring post-secondary school education*, with employers seeking a skilled and adaptable workforce. You'll be well positioned to pursue a range of business and economic career opportunities across a variety of industries.

Bachelor of Business

SATAC code	ABP137	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City		
Prerequisites	None		

Why this degree

With automation on the rise, it can be hard to stand out in business. How will you add value? What will you bring to the table? At Adelaide University, we teach you traditional business practices – and how to challenge them too. Whether you want to steer boardroom debates, lead Silicon Valley startups or manage a beloved sports team, our Bachelor of Business will help get you there. Fill your knowledge gaps. Gain credibility. Build vital networks. Advance your earning potential. Grow your entrepreneurial expertise. Learn to problem-solve and adapt in digital environments. Business is evolving – and we'll give you the tools to succeed.

Career outcomes

Our Bachelor of Business prepares you for global business challenges. You might be a Chief Executive Officer in a Fortune 500 company. You could lead a once-in-a-lifetime business venture, like SpaceX's reusable rockets, Spotify's revolutionary streaming or Oodie's wearable blankets. Perhaps you'll be a business coach, helping workplaces harness employee potential.

With the flexibility of this degree, you could also be a:

- Market research analyst
- Business development manager
- Human resources manager
- Project manager
- Operations manager
- Business analyst
- Digital strategist
- Business consultant
- Financial analyst
- Organisational change adviser
- Entrepreneur.

You might also like:

- Bachelor of Business (Management)
- Bachelor of Economics
- Bachelor of International Business.

Do you love curating unique and meaningful events? Turn your wanderlust into a career that could take you around the world – or deeper into your own backyard. A career in tourism, events or hospitality management is a perfect blend of innovation, analysis and community engagement. Situated in Australia's 'Festival State', our Bachelor of Business majoring in Tourism, Events and Hospitality Management is uniquely designed to engage with South Australia's year-long calendar of festivals and events. Explore future-focused topics, from sustainable tourism to digital innovation in events. Work on industry-based projects, undertaking research and collaborating with partners in the field. Gain a deep understanding of global travel patterns and tourism economics. From managing resorts and hotels, to creating unforgettable experiences and leading sustainable travel initiatives: you'll grow the skills and confidence to access boundless career opportunities. Lead operations, design innovative offerings, and connect with global audiences as you turn your passion for travel and events into a dynamic, boundary-breaking career.

Bachelor of Commerce majors

Bachelor of Commerce majoring in Accounting

SATAC code	ABP138	IB score	30.25
Start date	Feb, July	Guaranteed entry	80 (A,A,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City		
Prerequisites	None		

Why this degree

Each day, our digital environment unlocks new and exciting roles in accounting. All organisations – from the smallest business to the largest multinational corporation – need accountants to manage their finances. If you enjoy working with numbers, love a challenge, and want a rewarding career with great versatility and job security, accounting may be for you. With investments in cryptocurrency climbing, online scams on the rise, and businesses becoming more socially conscious – accounting is no longer just about the numbers. Who knows, your work may even help save the nation from an impending financial catastrophe.

Career outcomes

Embark on a rewarding journey in the world of accounting, where every number counts.

You might blend your passion for retail with accounting, purchasing trending items and reselling it back to major retailers, meticulously monitoring costs and contractual agreements. You could assist a new start up business to launch their latest product, tracking their expenditure and ensuring their financial goals are met. Perhaps you'll uncover financial irregularities as a vigilant investigator, identifying and thwarting money laundering schemes.

With your essential accounting skills and the ability to make strategic decisions at a professional level, you may find work as a:

- Risk consultant
- Forensic accountant
- Management accountant
- Practising accountant
- Tax accountant
- Business adviser.

In accounting, you'll have the chance to make a tangible impact that shapes the success and integrity of the organisations you work for.

Accreditation

This program is accredited by Chartered Accountants Australia and New Zealand (CAANZ) and CPA Australia. Graduates are eligible for membership with these professional accreditation bodies.

You might also like:

- Bachelor of Accounting
- Bachelor of Business (Economics, Finance and Trade)
- Bachelor of Economics.

Bachelor of Commerce majoring in Banking and Finance

SATAC code	ABP139	IB score	30.25
Start date	Feb, July	Guaranteed entry	80 (A,A,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City		
Prerequisites	None		

Why this degree

Fast-paced and ever-evolving, the financial field offers a thrilling career where you can configure numbers, solve challenges and connect with people. Emerging technologies including FinTech and RegTech have changed the landscape of banking, prompting employers to seek adaptable, forward-looking employees who demonstrate initiative. With a Bachelor of Commerce majoring in Banking and Finance, you'll graduate with the skillset to seamlessly perform calculations, analyse reports and convey your findings with conviction. Be it in the public, private or government sector, your prospects are boundless.

Career outcomes

You'll graduate with the financial knowledge and analytical skills to make educated business decisions at a professional level. With your skills, you could work as a:

- Financial analyst
- Investment banker
- Portfolio manager
- Business adviser
- Blockchain developer
- Data analyst.

You could be leading financial decisions for the nation, assessing cash flows, revenue streams, potential risks and identifying avenues for growth. You might capitalise on the real estate market, securing properties for clients and forecasting new investment opportunities. Perhaps you'll tap into the increasingly popular cryptocurrency world, becoming an expert in blockchain development.

You might also like:

- Bachelor of Business (Financial Planning)
- Bachelor of Commerce majoring in Accounting
- Bachelor of Commerce majoring in Financial Planning.

Bachelor of Commerce majors (continued)

Bachelor of Commerce majoring in Business Analytics

SATAC code	ABP141	IB score	30.25
Start date	Feb, July	Guaranteed entry	80 (A,A,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City		
Prerequisites	None		

Why this degree

Businesses across all industries are increasingly relying on data to drive decisions, optimise operations and innovate products. In the evolving landscape of business analytics, professionals need a diverse set of skills to stay ahead. Our Bachelor of Commerce majoring in Business Analytics is future-focused, equipping you for success in a digital world. Study industry-standard analytical tools, artificial intelligence and chatbot design. Learn to interpret and analyse complex data, an essential skill for modern businesses. Your expertise in analytics, along with your business knowledge, will give you a rounded and dynamic skillset. You'll graduate ready to apply data insights to help businesses achieve their goals, unlocking careers in finance, marketing, healthcare, tech, retail and government.

Career outcomes

You'll graduate ready to make informed business decisions, with a formidable and in-demand skillset. You could be a business intelligence analyst, leveraging cutting-edge technology to transform data into actionable insights. You might help sports teams make strategic decisions about player line-ups and tactics. Perhaps you'll analyse Spotify's listener habits to craft more engaging playlists.

You could also be a:

- Data analyst
- Management consultant
- Marketing analyst
- Big data analytics specialist
- Consumer insights analyst
- Customer experience manager.

You might also like:

- Bachelor of Business
- Bachelor of Business majoring in Innovation, Entrepreneurship and Strategy
- Bachelor of Economics majoring in Advanced Analysis.

Bachelor of Commerce majoring in Financial Planning

SATAC code	ABP142	IB score	30.25
Start date	Feb, July	Guaranteed entry	80 (A,A,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City		
Prerequisites	None		

Why this degree

Want to help individuals and businesses manage their wealth, tax and financial risk? Interested in developing financial plans that allow clients to reach their goals? This degree will give you the skills to excel as a finance professional. You'll consider current wealth, income and lifestyle aspirations to provide sound financial advice. With our strong practical focus and access to cutting-edge technology, you'll learn to craft visionary financial plans that meet legal and regulatory requirements. Developed in consultation with industry, this degree will give you the tools to succeed in a changing business landscape.

Career outcomes

You'll be qualified for rewarding careers that combine financial expertise with personal interaction, innovation and strategic planning. There are opportunities in financial institutions, investment banks, superannuation and insurance funds and financial advisory firms. You could be a superannuation consultant, helping clients invest and meet retirement goals. You might be an insurance broker, expertly navigating insurance choices to secure the best terms. Perhaps you'll help tech startups shoot for the stars.

You could also be a:

- Financial planner or adviser
- Client relationship manager
- Estate planner
- Investment adviser
- Wealth manager.

You might also like:

- Bachelor of Accounting
- Bachelor of Business (Financial Planning)
- Bachelor of Economics.

Bachelor of Commerce majors (continued)

Bachelor of Commerce majoring in Property

SATAC code	ABP143	IB score	30.25
Start date	Feb, July	Guaranteed entry	80 (A,A,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City		
Prerequisites	None		

Why this degree

Do you have a passion for the property sector? Are you interested in building your quantitative, analytical and business skills? Our Bachelor of Commerce majoring in Property will give you the expertise of a modern property professional and skilled data analyst. You'll graduate with a competitive edge, ready to seize opportunities across sectors. You'll be equipped to enter the finance and property industries working in commercial property development, investment and asset management.

Career outcomes

Graduate career-ready, equipped to shape sustainable and innovative property solutions. You could oversee a global real estate portfolio, pinpointing top investment opportunities through market analysis. You might forecast the next big residential boom. Perhaps you'll convert old warehouses into vibrant co-working spaces for creatives.

You could also be a:

- Property developer
- Land and property valuer
- Investment and asset manager
- Property analyst
- Portfolio manager
- Property funds manager
- Sales and leasing consultant.

You might also like:

- Bachelor of Business majoring in Real Estate
- Bachelor of Economics
- Bachelor of Construction Management.

Bachelor of Economics

SATAC code	ABP234	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City		
Prerequisites	None		

Why this degree

Enjoy tackling complex problems? Are you interested in how important economic and policy decisions are made? Want to use your analytical skills to make a positive impact on societies? If so, our Bachelor of Economics is for you. Economists are expert communicators who analyse, predict and navigate policies and decision-making. The job demands a comprehensive understanding of data and analysis. As an economist, you'll analyse key factors that influence how households, industries, governments and businesses make choices and operate. Your deep understanding of micro- and macroeconomics will help you address economic challenges, and their impact on individuals and societies. You'll graduate with a valuable skillset that prepares you for exciting, resilient and diverse careers.

Career outcomes

Studying the Bachelor of Economics at Adelaide University will give you critical skills to work in government, private and not-for-profit sectors. Use your analytical skills and reasoning to work as a government policy analyst, developing key economic policies for local or international government agencies. Perhaps you'll be a research economist, analysing the economic impact of policies and issues affecting the environment, international trade and the future of work. You might work as a consultant, providing your clients with the insights and tools to help them make strategic financial decisions. Maybe you'll generate social change working inside charities to reduce inequality and improve healthcare and education.

You could also pursue the following careers:

- Corporate policy adviser
- Data analyst
- Economic researcher
- Economist
- Information analyst
- Government policy adviser
- International trade or business analyst
- Research associate
- Economic communicator.

You might also like:

- Bachelor of Accounting
- Bachelor of Business
- Bachelor of Commerce majoring in Property.

Bachelor of Economics majors

Bachelor of Economics majoring in Advanced Analysis

SATAC code	ABP235	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City		
Prerequisites	None		

Why this degree

Economists analyse decision-making across households, businesses, government and broader society. Using critical thinking and rigorous problem-solving, they provide advice on business strategies, shape public policy and guide effective advocacy. Our Bachelor of Economics majoring in Advanced Analysis will give you the analytical skills employers are looking for. Graduate ready to help businesses, governments and social enterprises make complex decisions and navigate economic challenges.

Bachelor of Economics (Honours)

SATAC code	ABP117	IB score	30.25
Start date	Feb, July	Guaranteed entry	80 (A,A,B)
Duration	4 years full-time	Assumed knowledge	None
Campus	Adelaide City		
Prerequisites	None		

Why this degree

Become a leader in shaping public policy and advise businesses and social enterprises to make informed decisions. Economists analyse, evaluate and guide decision-making by individuals, businesses and government. They require future-focused skills of advanced quantitative analysis and critical thinking, grounded in contemporary research. With our Bachelor of Economics (Honours), you'll develop a comprehensive tool kit of problem-solving abilities. Learn to resolve social, behavioural and economic issues. Broaden your career prospects with a final-year, independent research thesis. Through internship career development and research opportunities, you'll graduate ready to take on a range of different careers.

Career outcomes

Our Bachelor of Economics (Honours) degree unlocks a wide range of careers across diverse sectors. Our graduates are sought-after to work as practicing economists in the business, governance, education, financial, technology and social sectors. You might work as a policy-maker, leading the development and implementation of health, education or tax policy. You may take on a business analyst role, analysing consumer trends and influences and providing these insights to businesses. Perhaps you'll undertake a research or consulting role, conducting studies, preparing reports and analysing complex data. Or you may bring your economic lens to big social problems as an advocate for change.

You might also be interested in the following careers:

- Corporate policy adviser
- Data analyst
- Economic researcher
- Economist
- Information analyst
- Government policy adviser
- International trade or business analyst
- Research associate
- Economic communicator.

You might also like:

- Bachelor of Accounting
- Bachelor of Commerce majoring in Property
- Bachelor of Economics.

Bachelor of Philosophy, Politics and Economics

SATAC code	ABP192	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City		
Prerequisites	None		

Why this degree

Study the same degree as Christopher Hitchens, Malala Yousafzai and multiple Australian Prime Ministers. Where do new innovations spring from? Why haven't ongoing problems been solved? Why are our societies set up the way they are, and how can we create change when the status quo feels so inevitable? Studying philosophy, politics and economics will give you an interdisciplinary understanding of three key areas that influence our past, present and future. Refine your creative problem-solving skills and learn how to think critically. Get motivated to tackle contemporary problems and global challenges. Become an informed and empowered leader capable of driving social, political and economic change.

Career outcomes

Understanding the world requires looking through more than one lens. That's why powerful leaders draw on diverse skills and knowledges. Your unique understanding of philosophy, politics and economics will equip you to problem-solve at all levels of complexity. You might consult on policy, write it – or become a politician yourself. You might work to protect human rights around the world, joining organisations like the United Nations or Amnesty International. Perhaps you'll be a journalist, author, a television presenter or lead CEOs to success as a consultant.

You could also be a:

- Economics, policy and social analyst
- Political adviser
- Economic policy adviser
- Financial adviser
- Public policy analyst
- Foreign affairs officer
- Corporate strategist
- Entrepreneur
- Diplomat.

You might also like:

- Bachelor of Arts majoring in Philosophy
- Bachelor of Arts majoring in Politics
- Bachelor of Economics.

Diploma in Sport Management

SATAC code	NA – direct applications (see below)	IB score	NA
Start date	Feb	Guaranteed entry	NA
Duration	1 year full-time	Assumed knowledge	None
Campus	Adelaide City and Adelaide Football Club		
Prerequisites	None		

Why this diploma

Swap the sidelines for centre field with a diploma that gets you closer to the action. Learn the business side of sport with our Diploma in Sport Management at Adelaide Football Club (AFC) and Adelaide University. Delivered in partnership with the Adelaide Crows Institute of Sports Business, this one-year program blends classroom learning with real industry experience. You'll explore the core principles of sport and recreation, gain insight into how sport organisations operate and build the skills to analyse business decisions in professional settings. Complete 120 hours of work placement with AFC and their partners, and be one of two graduates each year offered a paid full-time role at the Adelaide Football Club. Gain guaranteed entry into the second year of our Bachelor of Business majoring in Sport Management once you graduate. With access to elite facilities and expert mentors at AFC, you'll develop practical knowledge and build valuable connections in the field, setting you up for a strong start in the world of sport management.

This program is limited to AFC members and volunteers – students will become AFC volunteers once accepted into the program, and complete their placement hours with the Club and its partners. The Diploma is offered as a domestic fee-paying program, and eligible students can defer their fees with a FEE-HELP loan.

Bachelor of Criminology and Criminal Justice

SATAC code	ABP147	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City, Magill		
Prerequisites	None		

Why this degree

Are you fascinated by human behaviour? Do you want to understand and contribute to a safer society? Criminologists collect and analyse data to understand where, when and why crimes occur. They look for patterns – and question systems. They develop crime prevention strategies and work to improve societal safety and justice. In this eye-opening degree, you'll learn how crime is shaped by social, psychological and economic factors – and how a career in criminology can make a difference. Build the skills to advocate for a more just society. Grow intellectually, ethically and professionally. Pursue careers in crime analysis and research, policy development, community advocacy, crime prevention and safety, corrections, victim support or youth justice.

Career outcomes

Criminology is a complex field. In this degree, you'll learn how to contribute to a safer society by supporting crime prevention strategies and improving the justice system. You could work for the Australian Institute of Criminology, investigating cybercrime or terrorism. You might support victims of crime through advocacy and recovery programs. Perhaps you'll use evidence to improve the wellbeing of individuals in the justice system – or, start your own true crime podcast, analysing famous cold cases from around the world.

You could also be a:

- Victim advocate
- Crime analyst
- Community program coordinator
- Research analyst
- Policy adviser
- Juvenile justice specialist
- Probation officer
- Social services coordinator
- Court administrator
- Intelligence officer
- Cybersecurity analyst
- Risk prevention consultant
- Case manager
- Public safety officer.

Or combine your studies with other degrees, majors or minors to pursue a career in psychology, law, forensics and more.

You might also like:

- Bachelor of Arts majoring in Anthropology
- Bachelor of Laws (Honours)
- Bachelor of Psychology.

Bachelor of Criminology and Criminal Justice majors

Bachelor of Criminology and Criminal Justice majoring in Aboriginal Studies

SATAC code	ABP147	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City, Magill		
Prerequisites	None		

Listening to Aboriginal voices and understanding Aboriginal ways of thinking and being are critical elements of working with and supporting Aboriginal communities. Build your understanding of justice approaches that respect Aboriginal rights, knowledges and experiences. Explore the cultural and political contexts of how Aboriginal peoples experience the criminal justice system and how the system operates more broadly within Australia. You will be empowered to influence change within the criminal justice system and contribute to shaping culturally safe approaches to crime prevention and rehabilitation.

Bachelor of Criminology and Criminal Justice majoring in Anthropology

SATAC code	ABP147	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City, Magill		
Prerequisites	None		

Examine our criminal justice system through an anthropological perspective. Investigate the impact of crime on society. In diverse societies it is essential to know what drives us. Why do people commit crime? What systems are in place to reduce harm? Does our culture play a part in our behaviour? Explore the underlying factors that influence our actions. Discover valuable insights into human behaviour, cultural influences on crime and the societal context of criminal justice systems. Gain a holistic view of crime and human cultures. Graduate with a comprehensive understanding of how societies and cultures define, interpret and respond to criminal behaviour.

Bachelor of Criminology and Criminal Justice majors (continued)

Bachelor of Criminology and Criminal Justice majoring in Gender and Sexuality Studies

SATAC code	ABP147	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City, Magill		
Prerequisites	None		

Explore how gender and sexuality can help understand criminal behaviour or victimisation and influence experiences within the justice system. Understand how gender and sexuality are linked to power, privilege and inequality and explore contemporary identity issues. Build knowledge of Australian criminal law, policing, corrections and the justice system. Learning from research active academic staff, you'll develop transferable skills across communications, research, analysis and critical thinking. As a graduate you'll be ready to make an impact in the fields of criminology, policy, advocacy and community support.

Bachelor of Criminology and Criminal Justice majoring in History

SATAC code	ABP147	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City, Magill		
Prerequisites	None		

Get ready to uncover the past and lead the way to a better future. From medieval times to modern society, discover how the past has shaped contemporary social challenges, crime and justice. Learning from experts, you'll gain both broad and deep knowledge and build critical skills in research, analysis, communications and critical thinking. Work-integrated learning experiences are embedded throughout your studies and culminate in a practical or research-based internship during your final year in an area that interests you. Graduates of this degree will be particularly sought after within government departments and not-for-profit justice organisations.

Bachelor of Criminology and Criminal Justice majoring in International Security

SATAC code	ABP147	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City, Magill		
Prerequisites	None		

What do cybercrime and a pandemic have in common? The answer is international security. In the Bachelor of Criminology and Criminal Justice majoring in International Security at Adelaide University you'll explore the complexities of international security, crime, justice, social inequity and global politics. You'll build sought after critical research, analysis and policy development skills. Work-integrated learning and internship opportunities will provide you with real-world experiences. You'll graduate ready to make an impact on individual, regional, and global safety and security.

Bachelor of Criminology and Criminal Justice majoring in Politics

SATAC code	ABP147	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City, Magill		
Prerequisites	None		

Criminology is the study of crime and deviant behaviour. It aims to understand the reasons behind crime, how widespread it is, its effects, and ways to prevent it. The Bachelor of Criminology and Criminal Justice majoring in Politics equips you to think critically about crime and how to influence policies to create lasting meaningful change. You'll discover how to contribute to informed decision-making, develop a deep understanding about the complexity of crime and its impact on society, as well as intervention strategies. You'll graduate with the skills to be a future change-maker and drive meaningful reform.

Bachelor of Criminology and Criminal Justice majors (continued)

Bachelor of Criminology and Criminal Justice majoring in Population and Migration Studies

SATAC code	ABP147	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City, Magill		
Prerequisites	None		

The Bachelor of Criminology and Criminal Justice majoring in Population and Migration Studies equips you to think critically about crime and social justice. Discover key theories, concepts, and challenges in contemporary migration and criminal justice. Develop high level skills in demographic and socio-economic data collection, analysis, and interpretation. Understand and interpret issues in population and migration shifts, and its relation to geopolitical issues. You'll graduate with the skills to be an advocate and change maker, highly skilled in complex societal challenges related to crime, population growth and migration.

Bachelor of Criminology and Criminal Justice majoring in Social Research and Policy Analysis

SATAC code	ABP147	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City, Magill		
Prerequisites	None		

The Bachelor of Criminology and Criminal Justice majoring in Social Research and Policy Analysis equips you to think critically about crime, analyse and interpret data, and use this knowledge to design effective policies. You'll discover how to contribute to informed decision-making, develop a deep understanding about the complexity of crime and its impact on society, and intervention strategies. You'll gain insights into the causes of crime and learn how to develop evidence-based policies to prevent it.

Bachelor of Criminology and Criminal Justice majoring in Sociology

SATAC code	ABP147	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City, Magill		
Prerequisites	None		

Think big and change the world. From individuals to institutions and everything in between, you'll learn how societies are shaped and changed. You'll explore contemporary criminal justice issues, crime control and corrections, and build a solid understanding of Australian criminal law. You'll learn to apply sociological perspectives to complex social challenges and consider the significance of social difference and inequalities. Alongside specialised sociology and criminology knowledge you'll develop essential communications, research, analysis and critical thinking skills. You'll graduate as a sought-after catalyst for positive social change.

Bachelor of Laws (Honours)

SATAC code	ABP163	IB score	NA
Start date	Feb, July	Guaranteed entry	NA
Duration	4 years full-time	Assumed knowledge	None
Campus	Adelaide City		
Prerequisites	None		

Why this degree

Are you passionate about fairness and social justice? Make a tangible difference in people's lives with a Bachelor of Laws (Honours). Laws play a crucial role in the wellbeing of society – helping us maintain order, protect rights and freedoms, and promote justice. Empower yourself with both legal and business acumen. With your complex problem-solving skills, you'll help people navigate legal matters, championing their causes with integrity and dedication. You'll also gain knowledge across essential disciplines of business including accounting, people management, marketing principles, strategic decision making and corporate law. Engage with legal professionals through our on-campus Law Clinics or a placement in industry. Explore professional careers in sectors aligned with your interests. Become a responsible and globally conscious leader.

As a legal professional, you'll provide invaluable advice and solve disputes. With your complex problem-solving skills, you'll help people navigate legal matters, championing their causes with integrity and dedication. Studying law also sharpens ethical decision-making and strategic thinking, opening career paths in business, government, or NGOs. Consider studying a double degree, diversifying your knowledge across two fields and expanding your career prospects. You can choose to combine law with fields like journalism or psychology to fight injustice, expose corruption, or enhance our understanding of law and human behaviour.

Career outcomes

This degree is your path to becoming a legal professional. You'll build a foundation in how the law works and explore how laws change over time and why. Analyse and interpret laws, regulations and court rulings, and research past decisions to understand precedent. You'll graduate with a distinct way of thinking and transferable skills suited to roles in business, government or NGOs. Use your talents and legal expertise to guide, protect, and empower those you serve.

Accreditation

This program is accredited by the Legal Practitioners Education and Admission Council (LPEAC). To be admitted to legal practice, graduates are required to fulfil the practical requirements for admission, which includes the completion of the Graduate Diploma in Legal Practice.

You might also like:

- Bachelor of Criminology and Criminal Justice
- Bachelor of International Relations
- Bachelor of Laws (Honours), Bachelor of Psychology.

Law Double Degrees

Bachelor of Laws (Honours), Bachelor of Arts

SATAC code	ABP242	IB score	NA
Start date	Feb, July	Guaranteed entry	NA
Duration	5 years full-time	Assumed knowledge	None
Campus	Adelaide City, Magill		
Prerequisites	None		

Positively contribute to an increasingly interconnected world. Study Adelaide University's double degree of Bachelor of Laws (Honours), Bachelor of Arts to combine legal expertise with a multidisciplinary perspective. Choose from a wide range of electives based on your passions and career interests across law and arts. Approach legal issues with cultural, social and ethical understanding. Create a unique and versatile foundation for a wide range of careers in legal practice, government, commerce, industry, academia, social welfare and community organisations. Studying a law double degree with arts will complement, contextualise and enrich your legal studies. Develop innovative thinking, gain a comprehensive understanding of societal issues, and communicate with impact.

Accreditation

This program is accredited by the Legal Practitioners Education and Admission Council (LPEAC). To be admitted to legal practice, graduates are required to fulfil the practical requirements for admission, which includes the completion of the Graduate Diploma in Legal Practice.

SATAC code	ABP242	IB score	NA
Start date	Feb, July	Guaranteed entry	NA
Duration	5 years full-time	Assumed knowledge	None
Campus	Adelaide City		
Prerequisites	None		

Adelaide University's Bachelor of Laws (Honours), Bachelor of Economics will guide you through the legal systems that govern us and the economies we live within – and equip you with the practical and analytical skills to work effectively within both. Get the skills and confidence to tackle big picture thinking, large-scale policies, and concepts in modern Australia. Apply this knowledge with hands-on skills through dedicated software, facilities and career development opportunities. Develop valuable analysis and communication skills. Graduate as an informed, influential, analytical and ethical legal professional, ready to step into dynamic and varied careers.

Accreditation

This program is accredited by the Legal Practitioners Education and Admission Council (LPEAC). To be admitted to legal practice, graduates are required to fulfil the practical requirements for admission, which includes the completion of the Graduate Diploma in Legal Practice.

Bachelor of Laws (Honours), Bachelor of Economics (Honours)

SATAC code	ABP242	IB score	NA
Start date	Feb, July	Guaranteed entry	NA
Duration	6 years full-time	Assumed knowledge	None
Campus	Adelaide City		
Prerequisites	None		

Shape policy, advocate for others, and lead with the law with Adelaide University's Bachelor of Laws (Honours), Bachelor of Economics (Honours). Analyse and navigate the systems and structures that make modern Australia and explore the laws that govern our society. Our economic markets are also powered by these systems. How does the law influence the behaviours of consumers and governments? Studying law and economics will challenge you to find solutions to big questions. You'll tackle complex ideas, shape large-scale policies, and learn to think strategically. This double degree is designed for you to meet real-world challenges - empowering your success in your future career.

Accreditation

This program is accredited by the Legal Practitioners Education and Admission Council (LPEAC). To be admitted to legal practice, graduates are required to fulfil the practical requirements for admission, which includes the completion of the Graduate Diploma in Legal Practice.

Law Double Degrees (continued)

Bachelor of Laws (Honours), Bachelor of International Relations

SATAC code	ABP242	IB score	NA
Start date	Feb, July	Guaranteed entry	NA
Duration	5 years full-time	Assumed knowledge	None
Campus	Adelaide City		
Prerequisites	None		

Want to tackle complex legal and policy challenges around the world? You can combine legal expertise with an understanding of global politics, diplomacy and international systems. Unpack human rights issues on a global scale. Interrogate the laws that uphold those rights. Learn about global governance systems – the frameworks for understanding treaties, agreements, and international courts. Understand migration trends and policies. Investigate legal protections for refugees and asylum seekers. Explore politics, global trade systems and the impact of conflicts. Learn how law addresses issues like war crimes, maritime law, and international criminal law.

Accreditation

This program is accredited by the Legal Practitioners Education and Admission Council (LPEAC). To be admitted to legal practice, graduates are required to fulfil the practical requirements for admission, which includes the completion of the Graduate Diploma in Legal Practice.

Bachelor of Laws (Honours), Bachelor of Journalism

SATAC code	ABP242	IB score	NA
Start date	Feb, July	Guaranteed entry	NA
Duration	5 years full-time	Assumed knowledge	None
Campus	Adelaide City, Magill		
Prerequisites	None		

Craft narratives, shape policy and lead with the law. With a double degree in Laws (Honours) and Journalism, you'll navigate and analyse the systems and structures that define contemporary Australia. Explore the laws that govern society – shaping acceptable behaviours, resolving conflicts, and addressing injustices. Provide expert legal advice, advocate for meaningful change, and influence public policy. Master the art of storytelling and the craft of news writing. Create compelling narratives in the public interest to complement your legal studies. Develop critical thinking skills to connect theory with practice. Effectively communicate stories that inform, challenge, and inspire action. This double degree equips you to face real-world challenges, empowering your success for a meaningful career.

Accreditation

This program is accredited by the Legal Practitioners Education and Admission Council (LPEAC). To be admitted to legal practice, graduates are required to fulfil the practical requirements for admission, which includes the completion of the Graduate Diploma in Legal Practice.

Bachelor of Laws (Honours), Bachelor of Psychology

SATAC code	ABP242	IB score	NA
Start date	Feb, July	Guaranteed entry	NA
Duration	5 years full-time	Assumed knowledge	None
Campus	Adelaide City, Magill		
Prerequisites	None		

Studying Adelaide University's Bachelor of Laws (Honours), Bachelor of Psychology will empower you to make a positive impact on individuals and societies. Address complex problems with industry-informed problem-solving and communication skills. Study the core courses required to practice as a legal professional in Australia. Learn how psychology applies in every corner of society, and understand why people behave the way they do. Learn to gather and apply evidence, separating fact from fiction in today's digital age of misinformation. Develop an ethical focus, and how people's behaviours and interactions with the legal system are impacted by different environments, cultures and contexts. Graduate as an informed and ethically minded practitioner, ready to meet people where they're at and advocate for their needs.

Accreditation

This program is accredited by the Legal Practitioners Education and Admission Council (LPEAC). To be admitted to legal practice, graduates are required to fulfil the practical requirements for admission, which includes the completion of the Graduate Diploma in Legal Practice.

This program is accredited by the Australian Psychology Accreditation Council (APAC).

Bachelor of Law (Honours), Bachelor of Sustainability and Climate Change

SATAC code	ABP242	IB score	NA
Start date	Feb, July	Guaranteed entry	NA
Duration	5 years full-time	Assumed knowledge	None
Campus	Adelaide City, Magill		
Prerequisites	None		

Are you passionate about creating a fairer society? Do you dream of making a lasting impact on the planet? Combine your interests in law and environmental sustainability with a Bachelor of Laws (Honours), Bachelor of Sustainability and Climate Change at Adelaide University. Get equipped with the legal expertise to advocate for change and the environmental conscience to tackle some of the world's most pressing challenges. Gain a unique skillset across two distinct study areas and graduate with two degrees, and an honours qualification, in just five years. Become a champion for justice and a greener future.

Accreditation

This program is accredited by the Legal Practitioners Education and Admission Council (LPEAC). To be admitted to legal practice, graduates are required to fulfil the practical requirements for admission, which includes the completion of the Graduate Diploma in Legal Practice.

Bachelor of Criminology and Criminal Justice

Mode	100% online
Duration	3 years full-time

Why this degree

Are you fascinated by true crime stories? Interested in making a difference to your local community and beyond? Turn your curiosity into real impact with this 100% online degree. Criminology and criminal justice professionals have a unique opportunity to improve people's lives – and the wellbeing of society. They make a meaningful difference in local communities and on the global stage. Contribute to a better understanding of crime and criminal behaviour. Help people as they navigate the justice system. Improve outcomes for vulnerable groups through systemic policy change. Advocate for human rights and social justice. Gain a competitive edge for careers in rehabilitation, reintegration, community advocacy or corrections.

Career outcomes

Careers in the criminology and criminal justice sector cover a wide range of opportunities and pathways. Here's just a couple of things you might do:

- Work with law enforcement agencies to develop crime prevention strategies and policies.
- Analyse and interpret emerging trends in crime, antisocial behaviour and sentencing.
- Research issues related to crime and the justice system, including victim impact, offender rehabilitation and social justice.
- Examine the causes of criminal behaviour, and the psychological and sociological influences on offenders.

You might also like:

- Bachelor of Laws (Honours)
- Bachelor of Psychology
- Bachelor of Psychological Sciences and Sociology.

Further study

Completed an undergraduate degree, and looking to hone your expertise?

Whatever your career stage or goal, we offer a range of postgraduate qualifications designed to help you advance your skills. We've included a snapshot of the degrees available.

Explore the full suite at: adelaide.edu.au/study

Master of Business Administration

SATAC code	ACM124	Duration	1.5 years full-time
Start date	Mar, Jun, Aug	Campus	Adelaide City

The future belongs to those who lead and inspire change. The global business landscape is evolving rapidly. It needs leaders who are ready to tackle complex problems with confidence, creativity and integrity.

If you're looking to upskill, develop entrepreneurial skills, boost your earning potential or advance your career – Adelaide University's Master of Business Administration (MBA) is for you.

Our MBA is a dynamic, engaging and flexible degree that delivers invaluable networking opportunities with peers and industry executives alike. We're the only university in Australia that offers the Australian Institute of Company Directors (AICD) Company Directors Course, preparing you to think and act as a global business leader. Study a general MBA or choose to specialise in Marketing, Finance, Human Resource Management or Sustainable Futures.

Career outcomes

Take your career to new heights. An MBA is a versatile qualification, meaning you can pursue careers in a number of roles and areas. You might become a corporate strategist, analysing industry trends to inform strategic decisions. Alternatively, you may lead organisational transformations as a management consultant – or launch your own startup venture.

Discover other 100% online MBA options at: adelaide.edu.au/study

Master of Business Analytics

SATAC code	ACM125	Duration	2 years full-time
Start date	Feb, July	Campus	Adelaide City
Assumed knowledge	Knowledge of mathematics is a good background for many courses in this degree.		

In today's data-driven world, there is a growing demand for professionals who can interpret complex datasets and make tough decisions. Develop your expertise across predictive modelling and data visualisations while considering ethical practice. Learn to extract insights using artificial intelligence and chatbots, preparing you for the modern business environment. Build core business knowledge that transcends industries and roles, making you a versatile asset in any business context. Your expertise in analytics, along with your understanding of key business principles, will form the dynamic skillset companies are looking for. Graduate ready to progress your career to senior leadership.

Career outcomes

As a Master of Business Analytics graduate, you'll be qualified for a wide range of careers. You might work across management, consulting, business acquisition or strategy. You could be a business intelligence analyst, harnessing emerging tech to deliver results. Perhaps you'll work in big data, navigating extensive datasets to drive business growth.

Master of Laws

SATAC code	ACM168	Duration	1 year full-time
Start date	Feb, July	Campus	Adelaide City

Champion legal rights and fight for your passions. Find your place in the expanding legal landscape.

Adelaide University's Master of Laws opens doors to a variety of rewarding careers. You might protect our planet by working on climate change and conservation cases. Or become a pioneer in global business, navigating international trade. Perhaps you'll defend those who have suffered from human injustices.

Explore the challenging and rewarding world of law and gain a competitive edge in your career. Advance your knowledge and become a specialist, ready to advise and lead in legal settings within Australia and internationally.

Career outcomes

Graduates will be equipped to pursue advanced careers in law, with international and/or non-governmental organisations, in global enterprises, or for governments and policymakers.

A Master of Laws gives you a deeper understanding of the law and opens opportunities in both traditional legal roles and more specialised or global positions.

You might stand up for people's rights around the world, working with organisations like Amnesty International or the United Nations. Perhaps you'll join the world of global business, helping companies navigate the complex rules of international trade.

Master of Project Management

SATAC code	ACM159	Duration	2 years full-time
Start date	Feb, July	Campus	Adelaide City

Global demand for qualified project managers is soaring. Become one of the most in-demand professionals with a Master of Project Management from Adelaide University.

Learn to define project goals, assess risks, manage budgets and lead organisational transformations. Align your studies to your career aspirations with our flexible program, which includes a variety of elective courses, internships, career development opportunities and research projects.

Build a network of industry experts, leading project management academics and diverse professionals. Upon graduation, you'll have the skills to work across a range of sectors, from health to information technology. You'll be able to progress to senior project management positions or kickstart your career in a booming industry.

Career outcomes

Upon graduation, you'll have highly regarded skills applicable to a range of industries including health, engineering, construction and defence. You might work as a project manager, planning, executing and delivering projects. Or you may become a project consultant, providing specialised advice and expertise to enhance specific areas of a project.

Global Learning

Broaden your horizons by completing part of your Adelaide University degree overseas.

Make overseas study a part of your degree.

Enjoy a wide range of personal, academic, and professional benefits through our overseas experiences, including the unique opportunity to immerse yourself in a new culture and connect with people from around the globe.

With new opportunities continually being added to Adelaide University's offerings, you can choose an experience that suits you.

Future-making research

Our researchers create ideas that shape tomorrow.

They dream big, think deeply and challenge assumptions so we can make the world a better place. We forge dynamic partnerships, always collaborating to ensure our impact is future-defining, transformative and enduring.

Operating on a large scale, we have more capacity for breakthroughs and a greater appetite for change. We work with industry, government and community to make ideas real – from protecting our planet to shaping global food systems and supporting human health.

Our research will transform South Australia's economy and accelerate its leadership on a global scale.

Applying to Adelaide University

How to apply

Applications to most Adelaide University undergraduate degrees are made online via SATAC: satac.edu.au

Applications open in early August. Apply before 30 September to avoid paying the SATAC late fee. You can add and swap preferences for most programs until the Change of Preference deadline in early January 2027, except for a handful of programs (including Bachelor of Medical Studies/Doctor of Medicine, Bachelor of Science (Veterinary Bioscience), Bachelor of Oral Health, and Bachelor of Dental Surgery) which close to new preferences on 30 September.

Entry pathways

Adelaide University is committed to making higher education accessible to all, regardless of their educational background. We offer pathways to study that support a diverse range of learning needs. These options include Year 12 entry, International Baccalaureate (IB), Grades-based entry, STAT, TAFE, and our preparatory programs, Foundation Studies and the Aboriginal and Torres Strait Islander Pathway. To find out more about the available pathways, see pages 16 and 18.

Adjustment factors

SATAC centrally administers two South Australian universities adjustment factors schemes. The two schemes are the Universities Equity Scheme and the Universities Language, Literacy and Mathematics Scheme.

satac.edu.au/adjustment-factors

Degree intake

Many undergraduate degrees will allow students to commence study in February or July. Please refer to individual degrees to check whether midyear entry is available. For students looking to study 100% online we have intakes throughout the year. adelaide.edu.au/study

Deferring your studies

Most undergraduate degrees can normally defer for 12 months. Please refer to specific degrees for exceptions.

Concurrent degrees and double degrees

We offer concurrent degrees that allow students to study two qualifications simultaneously, to fast-track studies and enhance employability. Double degrees combine complementary disciplines and enable students to graduate with expertise in two areas and broaden career options.

Work-integrated learning (WIL)

Work-integrated learning offers students real-world experiences through internships and placements. Students are connected with valuable employability opportunities that allow them to apply their academic knowledge in real professional settings.

Additional entry requirements

Inherent requirements set the essential skills and knowledge all students must have to complete a course successfully.

English language requirements for international students

All international students undertaking an Australian Year 12 program are required to achieve a Pass grade or above in one of the approved English as a Second Language or English language subjects. If an applicant attempts but does not pass the English language subject, then alternative options, such as an acceptable English language proficiency test result, may be arranged.

Successful completion of the International Baccalaureate (IB) diploma meets the English language requirements of Adelaide University.

Unique Student Identifier

A Unique Student Identifier (USI) is your individual education number for life. It creates an online record of your education and training undertaken in Australia. If you are at university you need a USI. Without one, you cannot receive Commonwealth financial assistance, or your qualification or statement of attainment.

For more details, visit: usi.gov.au/students/get-a-usi

More information

Find answers to your questions using our online 'Frequently Asked Questions page', or our helpful staff can respond.

HELP (Higher Education Loan Program)

A HECS-HELP loan allows students to borrow from the Australian Government to cover some or all of their student contribution. To be eligible for HECS-HELP, you must be studying in a Commonwealth Supported Place.

Students who receive HECS-HELP will have part or their entire student contribution amount paid to Adelaide University by the Australian Government, and a HECS-HELP debt recorded for them with the Australian Taxation Office (ATO). Students then become responsible for repaying this debt later through the Australian taxation system.

For more information on HECS-HELP loans, visit: studyassist.gov.au

Student services and amenities fee

Students are charged an annual student services and amenities fee (SSAF) to assist with the funding of student services and amenities at Adelaide University. Eligible students may defer this fee to an SA-HELP loan.

Additional costs

Students may be required to pay for specialist equipment and reading materials, or may incur other incidental costs throughout their studies. Students are advised not to purchase any equipment until they receive their faculty/school handbook, available during Orientation.

2027 fees and costs

Student Contribution amounts for Commonwealth Supported Places are regulated by the Government. Contributions are calculated at the course level, not the program level, according to the area of study that each course falls within. As a guide the 2026 Student contribution bands are shown below. The Government indexes Student Contributions annually.

adelaideuni.edu.au/study/how-to-apply/entry-requirements/commonwealth-supported-students

Area of study	Student contribution per 1 EFTSL (48 units)
Agriculture, Education, English, Indigenous and Foreign Languages, Mathematics, Nursing, Statistics, Postgraduate Clinical Psychology	\$4,738
Allied Health, Built Environment, Computing, Engineering, Environmental Studies or Science, Other Health, Visual and Performing Arts, Surveying, Pathology, Professional Pathway Psychology or Professional Pathway Social Work	\$9,537
Medicine, Dentistry or Veterinary Science	\$13,558
Accounting, Administration, Commerce, Communications, Law, Society and Culture	\$17,399

What is 1 EFTSL?

Eligible Full Time Study Load (EFTSL) is the Australian Government’s measure of a student enrolment load. One EFTSL is equal to full-time study for one student for one year. Each subject you enrol in is equal to 0.125 EFTSL.
