Tirkangkaku is the Aboriginal name bestowed upon Adelaide University by the Kurna People.

Tirkangkaku means "Place of Learning" and is a gift representing 65,000 years of continuous discovery.

In Kurna culture, learning is never passive – it's active and transformative.

Tirkangkaku is a place where all knowledge systems can come together and learn from each other. A place where the world's oldest living culture shapes cutting-edge discovery. A place where we are creating the future, while honouring the past.

Acknowledgement of Country

We respectfully acknowledge the Kaurna, Boandik, and Barngarla First Nations Peoples and their Elders past and present, who are the Traditional Owners of the lands that are home to our campuses across Adelaide and South Australia.

Member of the Group of Eight

Australia's leading research-intensive universities.

Ranked #82 in the world

and 8th nationally in the 2026 QS World University Rankings.

Welcome to Adelaide University

**Adelaide University is Australia's
university for the future ranked
in the global top 100.***

** Ranked equal 82, 2026 QS World University Rankings*

We are transforming higher education by combining face-to-face learning with advanced digital technologies to create a flexible, student-centred experience. Degrees are designed to be stackable and personalised, supported by digital learning, industry partnerships and extensive work-integrated learning opportunities.

The Common Core provides interdisciplinary skills that employers value – ensuring students graduate with real-world knowledge and experience. Across all programs, Adelaide University fosters strong graduate qualities, embeds First Nations perspectives and provides equity-focused support so every student can succeed.

Go8 member

We are part of Australia's elite research-intensive university group.

Connected

Australia's most connected university: Building on our 7,000 strong partnerships with industry and collaborators.

7,000

Real-world

Real-world experience: Work-integrated learning is embedded across all programs, giving students hands-on opportunities.

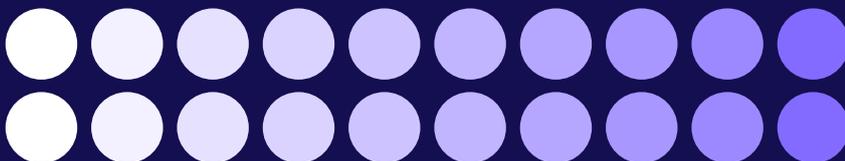

Equity and inclusion

We champion inclusive education through First Nations Knowledges and equity-focused pathways.

Transformative and flexible education: Australia's most accessible, contemporary and future-focused teaching and learning experience.

Transformative

Our campuses

Experience vibrant campus life with face-to-face lectures, social spaces and modern facilities.

Or, choose flexible 100% online study supported by expert teaching and a connected learning community.

Perfectly positioned on North Terrace, our Adelaide City Campus is where cutting edge connects with tradition.

The Adelaide City Campus encompasses precincts both east and west of the city. You'll find the latest in teaching and research facilities, along with buildings steeped in history, contemporary spaces and vibrant museums and galleries.

Just six kilometres east of the city you'll find Magill Campus, nestled among huge gum trees and set on acres of lush, open green space. Mawson Lakes Campus, the state's technological heart, is set alongside 114 hectares of wetlands, just twelve kilometres from the city centre.

Our regional campuses at Mount Gambier and Whyalla are well positioned within their respective regions, which offer a relaxed lifestyle.

At each of our campuses you'll find modern study and meeting spaces, including cosy student lounges, rooms for private or group study, quiet zones and collaborative areas.

Gain a digital edge to your teaching practice by undertaking our Apple eLearning program and achieve Apple Teacher status upon completion. Become a radio superstar by utilising our contemporary radio studios and broadcasting via the student-run station, UniCast. Develop your professional social work skills in our purpose-built studios, or kickstart your journalism, television, film or visual effects career in our industry-standard virtual production and TV studio.

Discover vibrant social hubs where you can join a range of clubs and teams, or meet friends after class. Unwind and stay active at the on campus sporting fields and fitness hubs.

Adelaide City Campus

Enjoy a wide range of dining choices across our Adelaide City Campus precincts including casual favourites such as burgers and salads, plus Vietnamese and Japanese eateries. Mint Café will become your go-to at Whyalla Campus, while you can grab something fresh and tasty from the canteen at Mount Gambier Campus or our modern on-campus cafes at Magill and Mawson Lakes.

You'll never be far from your next class with affordable on campus student accommodation at Whyalla, while city loop buses will get you around Mount Gambier with ease. Our Adelaide City, Mawson Lakes and Magill campuses are easily accessed by public transport. In addition, our Magill Campus can be reached by bus or car with plenty of affordable on-campus parking available.

Mawson Lakes Campus

Flexible online learning

You'll enjoy the same world-class teaching, personalised support and sense of community as our on-campus students – without needing to attend in person. Access digital learning environments, collaborate in virtual classrooms and connect with your peers and teachers.

You'll have flexible access to coursework, interactive resources and dedicated online student services to help you succeed wherever you are.

Magill Campus is **6km** from the city centre.

07

Adelaide University has seven campuses in total.

Magill Campus

World-class facilities

Australia's SMARTest school

Take your teaching practice to the next level in one of Australia's most technologically advanced teacher education facilities. Located at our Magill Campus, our SMARTSchool is an experimental and digitally connected learning environment which enables you to explore the potential of digital technologies to support innovative approaches to teaching and learning.

Custom-built social work studios

Adelaide University has custom-built social work studios at Magill, Mount Gambier and Whyalla campuses. Equipped with cameras, recording equipment and two-way mirrors, you'll be able to observe simulated scenarios and learn through self-reflection. Supported by field practitioners and academic staff, you'll gain practical interviewing and consultation skills to strengthen your professional practice.

Industry-standard virtual production and TV studio

Whether you're studying journalism, film and television or visual effects, our industry-standard studio will enhance your learning experience. Equipped with a professional green screen, cameras, lighting, and software, the virtual production and TV studio at Magill Campus offers a world-class learning environment.

You're on the air

You'll have access to contemporary, industry-standard digital radio studio facilities at our Magill Campus with our student-operated station, UniCast, broadcasting online 24/7. Gain hands-on experience in presenting and producing in a supportive environment as you learn to use commercial-grade radio hardware and software. Become a UniCast volunteer to further your radio experience, an opportunity open to all Adelaide University students. Or, be part of Adelaide University Student Radio, the oldest student-run radio program in Australia.

Study 100% online

Study with us from anywhere in Australia.

Whether you're looking to advance in your field or it is time for a career change, our 100% online mode might be what you're looking for. We offer the chance to study to anyone in Australia, with 50 programs covering Business, Marketing and Communication, Health Science, Construction, and Psychology.

Flexible learning for busy people

Our courses are designed to give you the flexibility to study on your own terms, with learning resources available on-demand. Fit study around your work, family, and life commitments without compromising the quality of your education.

Designed and delivered by our experts

We're committed to creating quality programs and learning experiences. Our academics create learning materials with the latest insights from industry, which our online learning experts bring to life using interactive technology and tools like videos, quizzes, and podcasts.

Studying online doesn't mean studying alone

You'll be supported throughout your 100% online studies by a dedicated Student Assist Officer and have access to academic and technical support seven days a week - even outside of regular hours. You will also become part of our online learning community with the opportunity to connect with other students across Australia.

Scholarships

adelaideuni.edu.au/study/scholarships

Adelaide University is dedicated to helping more people access higher education through a wide range of scholarships designed for all backgrounds. Discover scholarships for academic excellence, leadership, Aboriginal and Torres Strait Islander students and more. A scholarship could be the incentive you need to launch your future with us and ensure you're prepared to step forward with confidence toward your career goals.

We're here to support your studies and help you thrive at university. Become the best you can be with an Adelaide University scholarship.

Adelaide University Vice Chancellor Scholarship

A scholarship rewarding exceptional academic achievers. Recipients receive a stipend of up to \$10,000 per annum and a 100% fee waiver for up to four years¹.

Adelaide University Future Leaders Scholarship

A scholarship recognising high academic achievers who demonstrate leadership potential and community service. Recipients will receive a stipend of up to \$15,000 per annum for the duration of the degree.

Adelaide University Aspire Scholarship

A scholarship acknowledging academic achievers who demonstrate leadership potential and community service. Recipients will receive a stipend of up to \$5,000 per annum for the duration of the degree².

Adelaide University Principals Scholarship

A scholarship rewarding students who have excelled in their school academically and exhibited qualities of active service to their school and/or community. Recipients are nominated by their school principal and will receive a stipend of up to \$3,000 per annum for three years.

Adelaide University Attainment Scholarship

A scholarship supporting students who demonstrate leadership and active community service within a work, academic or community setting and are commencing university studies through a non-ATAR or equivalent selection rank, ie. International Baccalaureate admissions pathway.

Adelaide University Career Catalyst Scholarship

A scholarship supporting students to develop their careers, with the support of an employer. Eligible recipients will receive a 30% fee waiver for the duration of their degree.

Adelaide University Postgraduate Grant

A grant for students looking to advance their career opportunities or change career direction by commencing a Master by coursework degree. Recipients will receive a one-off payment of \$5,000.

Adelaide University Access Scholarship

A scholarship supporting students who have demonstrated financial barriers to accessing post-secondary study. Recipients will receive an annual stipend of up to \$6,000 per annum³ for the duration of the degree.

Adelaide University Online Grant

A grant dedicated to students studying online and who have demonstrated financial barriers to accessing post-secondary study and/or reside in a rural, regional, or remote community. Recipients will receive a one-off payment of \$1,500.

Adelaide University Aboriginal and Torres Strait Islander Leaders Scholarship

A scholarship acknowledging exceptional academic achievement of Aboriginal and Torres Strait Islander students who demonstrate leadership potential or active service in their school or community. Recipients will receive a stipend of up to \$15,000 per annum for the duration of the degree.

Adelaide University Aboriginal and Torres Strait Islander Aspire Scholarship

A scholarship acknowledging academic achievement of Aboriginal and Torres Strait Islander students who show leadership or active service in their school or community. Recipients will receive a stipend up to \$5,000 per annum for the duration of the degree.

Adelaide University Aboriginal and Torres Strait Islander Student Scholarship

A scholarship supporting Aboriginal and Torres Strait Islander students who have demonstrated financial barriers to accessing post-secondary study. Recipients will receive an annual stipend of up to \$6,000 per annum³.

¹ Some degree exclusions apply.

² This scholarship is offered to students who have been shortlisted for the Adelaide University Leaders Scholarship but were not awarded the scholarship, or received a conditional offer but did not meet the 95 Selection Rank criteria.

³ Stipend amount will be awarded on severity of financial hardship.

The Adelaide Attainment Model

Adelaide University is redefining what the future of higher education looks like in Australia.

Here, traditional learning meets the future – face-to-face experiences enriched by the latest digital technologies, giving you the flexibility to learn your way, while staying deeply connected to your peers and teachers.

We aim to foster the most flexible, future-focused learning and teaching environment that puts you at the centre.

Your studies won't be confined to just the classroom. You'll work alongside industry leaders who help shape what and how you learn, ensuring every experience is practical, relevant and inspired by the real world. Through hands-on projects and professional collaborations, you'll gain the skills and confidence that future employers are already looking for.

But your education at Adelaide University goes beyond preparing for a career – it's about readying you for the world. Under the guidance of expert industry partners, you'll learn to think critically, act ethically and create inclusively, ready to shape an innovative and global future.

Education for the future

Stackable degree structures

Our degree structures allow multiple entry pathways and transition points, creating individual and personalised study journeys. You can easily transition between undergraduate programs, and we offer a range of innovative options to extend your undergraduate studies into postgraduate pathways.

Digitally rich learning environment

At Adelaide University, digital technology is not just a tool for delivering content – it provides instant content delivery to support active learning, collaboration, and engagement, enhancing the accessibility and personalisation of our teaching and learning.

Industry informed curriculum

Connect with professional networks while you study. Our curriculum is designed in partnership with over 7,000 industry partners, including those who collaborate on research with Adelaide University. This means the skills we teach are contemporary and industry aligned, informed by the engaged research we undertake, and designed to shape employable graduates.

Community embedded learning

Work-integrated learning – such as placements and clinics – is a key part of our education and is embedded in every program we teach. This hands-on experience provides practical, applied knowledge, and helps students develop a professional network, so you graduate with strong industry experience and contacts.

Depending on your chosen degree, work-integrated learning can include:

- **Internships and placements:** Get hands-on experience by working with real organisations in your field as part of your degree.
- **Industry projects:** Collaborate on real-world projects that solve genuine industry or community challenges.
- **Simulation:** Build practical skills through realistic workplace simulations or online experiences.

Interdisciplinary understanding: The Common Core

The Common Core is a suite of interdisciplinary courses designed to prepare Adelaide University graduates with transferable skills employers value most. These courses foster collaboration and broad perspectives, and an understanding of how each field shapes and connects with society.

You'll select the Common Core courses you want to study from six knowledge areas, engaging with peers across the university, including:

- **Artificial Intelligence:** Introduces the fundamental principles, techniques, and real-world applications of AI.
- **Data Knowledges:** Explores data types, sources, and structures, best practices for collecting, managing, and analysing data, and strategies for evaluating and communicating information effectively.
- **Entrepreneurship and Design Thinking:** Develops the tools and mindset to identify opportunities, develop sustainable solutions, and drive positive change.
- **Ethical Knowledges:** Uncovers the fundamental principles of moral reasoning and their application to real-world situations.
- **Intercultural Understanding:** Fosters cross-cultural communication and competency and a deeper understanding of how one's cultural background shapes life experiences.
- **First Nations Knowledges:** Learning and centring Aboriginal voices and ways of knowing, being and becoming.

The Adelaide Academy

The Adelaide Academy is a future-focused initiative designed to offer high-potential and high performing students the opportunity to take their studies to the next level. As Adelaide University establishes itself, the Academy will grow to offer a suite of enriched learning experiences that go beyond the core curriculum, including:

- Advanced discipline-based coursework
- Industry engagements and internships
- Research projects
- Interdisciplinary workshops and challenges.

The Academy is being developed to recognise and support academic excellence and ambition and will evolve over time to reflect the needs of high-performing students and the expectations of a competitive global workforce.

Fostering our Graduate Qualities

At Adelaide University, our Graduate Qualities are about more than just what you learn – they're about who you become. These values and skills are built into everything we teach, helping you grow into a confident, capable graduate ready to take on your future.

You will graduate as a:

- **Lifelong learner** with enduring passion for personal and professional development.
- **Ethical leader**, who does what is right over what is easy.
- **Strategic problem solver**, who approaches challenges with analytical rigour and creative insight.

- **Global citizen**, with respect for your role in the world and your capacity to enact positive change.
- **Resilient thinker**, able to succeed by harnessing critical, creative and adaptable thinking.
- **Trusted communicator**, who can articulate ideas effectively and inspire change.

Embedding First Nations knowledges

At Adelaide University, you'll learn from and with Aboriginal voices, perspectives and knowledge holders.

First Nations Knowledges are woven throughout your studies, in all study areas, through genuine collaboration with Aboriginal scholars, Elders, and communities – ensuring cultural respect, inclusion, and understanding are part of every learning experience.

Our equity-aligned education

At Adelaide University, we believe everyone deserves the chance to succeed. We offer equity-focused pathways and personalised support to help you overcome barriers and achieve your study goals.

This includes:

- An environment that supports diverse student participation.
- Equitable access to a world-class education for learners of potential.
- Advancing the access, participation and success of First Nations Peoples.
- Supporting you through your university experience to help you succeed in your learning and career journey.

Exceptional student experience

From day one, we're here to support you on your student journey. On campus and beyond, you'll have access to dedicated teaching and supporting staff, and a wide range of services.

Aboriginal student services

Culturally safe and dedicated support services including scholarships, study help, peer mentoring and more, are available to Aboriginal students both on campus and online.

Academic support

Whether you need general study guidance or more specific assistance, we've got you covered. You'll have access to writing, study skills and maths support, along with peer-led learning and 24/7 online support, so you can get help anywhere, anytime.

Access and inclusion

If you have a disability, impairment, chronic health condition, or significant caring responsibilities, you can access confidential and personalised advice, adjustments and support through online services to help you reach your study goals.

Accommodation

Find your home away from home. We'll support you to find and apply for accommodation that's convenient, safe, accessible and right for you, including guidance for regional students.

Career services

Prepare for a lifetime of success. Attend networking and industry events, build career planning and management skills, access job opportunities and more.

Counselling

Take care of your personal wellbeing with access to qualified counsellors on campus and online. Sessions are free, confidential and available regardless of your location.

Health clinics

Stay healthy by accessing a range of on campus health clinics at reduced student rates including GP services, physiotherapy, podiatry, psychology and more.

Orientation

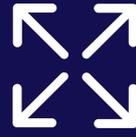

Take the first step toward a fulfilling experience with our Orientation program. Join a campus tour, gain an understanding of your degree, meet people you'll be studying with and enjoy fun activities and events. You'll also be able to participate online through live sessions and virtual tours.

Religious needs

Private prayer rooms are available across most of our campuses. You can also join a faith-based student group or connect with a range of religious chaplains and pastors on campus.

Sports and fitness

Join a sports team, take a group fitness class, or hit an on campus gym or pool between classes. There's something for everyone to stay fit and feel good.

**Wide range
of services**

**Dedicated teaching
and support staff**

Student clubs, societies and association

Your student association is the voice and social heart of your student experience. With a wide variety of clubs and societies, you'll be sure to find your people and your passion.

Pathways to Adelaide University

There are many ways you can gain entry into one of our degrees.

Selection rank (ATAR plus adjustment factors)

If you have qualified for the South Australian Certificate of Education (SACE) or hold an equivalent recent year 12 qualification, including the International Baccalaureate Diploma (IB), and have achieved a competitive selection rank, you can use this as a pathway into university.

Your Selection Rank (ATAR plus any applicable adjustment factors) will be used to compete for a place in a university degree.

For most of our undergraduate degrees, you must not have completed more than 2 years full-time equivalent university study (48 units) to use your year 12 results.

Some degrees take additional factors into account as well as or instead of your ATAR, such as auditions, the University Clinical Aptitude Test (UCAT), oral interviews, etc.

Guaranteed Entry

Choose your preferences with confidence. We offer Guaranteed Entry for most undergraduate degrees. There's no need for a separate application – you're automatically considered when you list your preferred Adelaide University degree as your highest preference.

If you don't achieve the grades for Guaranteed Entry, you'll still be considered on a competitive basis for available places in your preferred degree.

ATAR based

You'll be eligible for an ATAR based Guaranteed Entry place when you:

- Achieve an ATAR (including adjustment factors) that is equal or higher to the Guaranteed Entry score
- Meet any admissions criteria for your degree, for example a subject prerequisite.

Subject based

Did you achieve solid grades in year 12, but didn't get the ATAR you were expecting? You'll be eligible for a Subject based Guaranteed Entry place when you:

- Complete SACE (or equivalent) and have an ATAR of 50 or higher (not including adjustment factors)
- Utilise your best three grades from 20-credit subjects
- Meet any additional admissions criteria such as subject prerequisites.

Admission tests

STAT (Skills for Tertiary Admissions Test)

Never completed year 12 or any other higher education? You may wish to use the Skills for Tertiary Admissions Test (STAT) to gain entry to university. The STAT is a two-hour, multiple-choice test designed to assess a range of skills and knowledge needed to study at university.

The Australian Council for Educational Research (ACER) coordinates the STAT. To sit the test, you'll need to be over 18 years old before 1 February in the year that you wish to commence study. If you have been enrolled in university in the last two years, you must not have completed more than two years (full-time) tertiary study in total.

For more information, visit stat.acer.org/au

Higher Education GPA (Grade Point Average)

If you have already completed at least six months (full-time) of a recognised higher education degree at a recognised higher education institution, you can use your Grade Point Average (GPA) to gain entry to Adelaide University.

Internal transfer

Perhaps you gained entry to a degree that wasn't your first preference or, after completing a few courses, have changed your mind about what you'd like to study. You can use your GPA (or any eligible previous qualifications) to apply for what is called an internal transfer.

This is an option available to students who may have already started studying in one degree and, for a range of different reasons, would like to transfer into another degree at the same university. Please note that not all degrees are available via internal transfer. If unsure, you can contact our friendly student advisers for assistance.

Vocational Education and Training (VET) Studies (Certificate IV or higher)

Have you completed a VET qualification at a Certificate IV or higher? Your completed qualification can gain you entry to many of our degrees.

For students that have studied at either TAFE SA or other Registered Training Organisations (RTOs), most Certificate IV courses (including former Advanced Certificates or equivalent) meet the minimum entry requirements for a wide range of our undergraduate degrees. For some degrees, a successfully completed Diploma or Advanced Diploma will be required to meet the minimum entry requirements.

Preparatory programs at Adelaide University

Fee-free tuition

(student amenities fee required)

Adelaide University is committed to welcoming students from all backgrounds and life stages, with preparatory programs designed to help you succeed and gain entry into your preferred degree.

The Foundation Studies and Aboriginal and Torres Strait Islander Pathway programs provide fee-free pathways to university, regardless of your educational experience. If you do not meet the required qualifications for direct entry into a bachelor degree, these programs provide alternative entry options while helping you adjust to the university environment.

Our preparatory programs set you up to succeed at university by building

academic skills and prerequisite knowledge. You'll benefit from small classes, academic support services and full access to campus facilities. Learn core academic skills and experience student life as an Adelaide University student.

Once you've successfully completed your program, you'll be able to transfer into one of Adelaide University's world-class undergraduate degrees.

Foundation Studies

Foundation Studies is a fee-free program with no tuition fees, designed to help you build essential skills for successful university study. A student services amenities fee applies to all university students which can be deferred through the Federal Government HECS-HELP loan scheme. This program supports students with no previous qualifications to learn the skills required for successful university-level study.

This program is ideal for students with no prior qualifications or formal education experience, including those who may not have an ATAR, are from regional and remote areas, are first in their family to attend university or who may have spent extended periods of time away from formal education.

The Foundation Studies program is split into three blocks, with a series of entry, exit and transition points that cater to diverse educational backgrounds and your chosen destination degree.

adelaide.edu.au/study/degrees/foundation-studies

Aboriginal and Torres Strait Islander Pathway

Adelaide University is dedicated to being a university of choice for Aboriginal and Torres Strait Islander Peoples.

Our Aboriginal and Torres Strait Islander Pathway is a fee-free program with no tuition fees. A student services amenities fee applies to all university students which can be deferred through the Federal Government HECS-HELP loan scheme.

This program is offered also in regional areas and provides culturally aware entry options and tailored study support. Like Foundation Studies, the Aboriginal and Torres Strait Islander Pathway is split into three blocks, with a series of entry, exit and transition points that cater to diverse educational backgrounds and your chosen destination degrees.

adelaide.edu.au/study/degrees/aboriginal-and-torres-strait-islander-pathway

Block 1

Preparatory courses

Block 1 courses develop essential academic skills like communication, critical writing and research. You'll receive support in writing academic assignments, referencing and effective time management. These skills and experiences will help you confidently navigate future university study and develop a comprehensive understanding of the university learning environment.

On completing Block 1 you'll be able to communicate effectively in written and oral formats, engage confidently with numeracy, undertake academic research and have developed a tool kit to approach and organise your study.

Block 2

Pathway to guaranteed entry degrees

Students who have completed year 11, SACE or a Certificate 3 can enter the Foundation Studies program or Aboriginal and Torres Strait Islander Pathway directly at Block 2.

Block 2 extends your engagement with the higher education learning environment and provides foundational knowledge and skill development for your intended destination degree. The courses are designed to develop critical thinking and foster an understanding of university and career pathways while developing foundational knowledge and skills in your chosen discipline.

On completing Block 2 you'll be guaranteed access to a range of accepting degrees, noting that some undergraduate degrees may require a minimum GPA to qualify.

Block 3

Pathway to selective entry degrees

Block 3 is designed to provide a pathway for students wanting to enter selected Adelaide University undergraduate degrees. The courses in this block build on foundational discipline concepts established in Block 2, and will extend your knowledge to help you meet the entry criteria for your chosen degree.

Completing Block 3 qualifies you to apply to selective undergraduate degrees based on your GPA. Some of these degrees have limited professional placement spaces, making entry competitive.

Steps to success

STEP 1 >>>

Explore your study options

Researching your study options is an important first step, and there are many different tools and resources available to help you. You could start by reading through this brochure or head online to explore our website: adelaide.edu.au/study

Attending our Open Day is another great way to get a feel for what university life is like and to learn about the range of services available to support you during your university studies. If you need personalised advice, book a time to chat with a future student adviser – they’re here to help with any specific questions you may have.

STEP 2 >>>

Check you meet the eligibility and entry requirements

All degrees have specific entry requirements that you have to meet in order to be eligible for entry into a degree. Each degree will have different entry criteria, so it’s important to find out what these are and make sure you can meet them.

Entry requirements can include things like:

- Prerequisites you will need to complete either during your high school (SACE/IB) studies, bridging courses or approved alternatives.
- Assumed knowledge topics that, while not essential for admission into a degree, will help prepare you for many of the topics you’ll study during your degree.
- Non-standard entry requirements, such as: attending an interview, undertaking additional assessments (e.g. the UCAT ANZ), performing an audition, submitting a written statement or creative portfolio.

SATAC

satac.edu.au

STEP 7 <<<

Welcome to Adelaide University

After receiving your offer, you’ll receive enrolment instructions and your new university ID number. You can then start to plan your timetable, enrol into your courses, attend orientation activities, and begin your university journey.

STEP 3**Apply via SATAC**

Applications open in early August for study commencing in the following year. You can apply for your chosen degrees through the SATAC website.

Before you apply, it's a good idea to familiarise yourself with the application process. Note important deadlines and key dates, any supporting documentation as well as SATAC fees and charges and when to pay. For more information, visit the SATAC website: satac.edu.au

STEP 4**Keep your preferences up to date**

As part of your SATAC application, you'll be asked to list up to six preferences—these are the six degrees you are most interested in studying. SATAC makes offers by working down your preference list, so it's important to make sure your first preference is the degree you want to study most.

If you change your mind after you've submitted your application, don't worry! You can change your preferences as often as needed up to the cut-off date for your specific offer round. For a list of key dates, visit SATAC's website.

Helpful tip: Be sure to include some 'back up' options on your application. If you need support in choosing the best back up options or pathways into your dream degree, get in touch with our friendly future student advisers.

STEP 6**Receive your offer**

An offer email will be sent to the email address you provided on your SATAC application. If you have received an offer you don't need to respond, as SATAC will accept the offer on your behalf. If you would like to defer your offer until the following year, you will need to log in to your application through the SATAC website and change the response to the 'defer' option.

If the offer you received was for a degree that is not your first preference, SATAC will accept the offer but note that you would still like to be considered for an offer to your higher preference(s).

STEP 5**Check your offer**

SATAC run several smaller offer rounds, one main offer round, then continue to make offers in the lead up to the start of the study period you applied for. SATAC will email your offer to the highest preference for which you are eligible. This means the degree you most want to study should be your first preference. Remember to check all email folders—including your spam folder—for your offer. You can also check your offer by logging back in to your application through the SATAC website.

Helpful tip: Didn't receive an offer for your first preference? Don't stress—you could still be considered for future offer rounds!

Humanities

Degrees
Undergraduate
Bachelor of Arts
Bachelor of International Relations
Postgraduate
Master of Aboriginal Studies
Master of Curatorial and Museum Studies

Cultivate purpose

See the world through new eyes. Cultivate a sense of purpose, curiosity and creativity to drive change and shape the future. Guided by our expert teaching, you'll broaden your perspectives, advance your creativity and develop essential skills in critical thinking, research, analysis, communication and collaboration.

Make your degree your own with the flexibility to choose from a wide range of majors and electives and build a unique pathway that aligns with your interests and career goals.

Discover your passion

Explore your passions, from Aboriginal studies and English literature to cultural studies, languages, linguistics, politics, international studies, history and so much more. You'll be empowered to demonstrate your diverse ways of knowing, being and doing, while work-integrated learning experiences will ensure you graduate ready to make a difference.

World-class research

Your learning will be informed and supported by world-class research. Our researchers are thought leaders and change makers. Adelaide University is home to the internationally recognised interdisciplinary research centre Creative People, Products and Places (CP3), which focuses on humanities and creative practice research.

Career prospects

Over the coming decade, it's predicted that 92% of new jobs created will require post-secondary education*. Now, more than ever, employers are seeking a workforce with high-level communication and problem-solving skills, critical and creative thinking, adaptability and leadership capabilities. As an arts graduate, you'll be well-positioned to meet these needs head on.

* Jobs and Skills Australia, 2024

Bachelor of Arts

SATAC code	ABP233	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City, Magill		
Prerequisites	None		

Why this degree

How does the content we consume shape our understanding of the world? Does our postcode predict our future salary? Can the use of generative AI tools ever be ethical? What does it mean to ‘belong’ in a community?

Our Bachelor of Arts empowers you to tackle big questions that have no easy answers and discover solutions where others see only obstacles. It prepares you for a huge variety of careers where understanding how to work with people, communities and complex systems is essential.

Build your dream degree and future-proof your career by majoring in two unique study areas. Sharpen your critical thinking, research and communication skills while gaining real-world experience through internships and professional industry experiences.

Wherever life takes you, an arts degree from Adelaide University gives you the foundation to help shape our world for the better.

Career outcomes

Your arts degree will empower you to uncover a wide range of career choices that align with your values and interests. You’ll graduate with the knowledge and skills to thrive in our rapidly changing world and make a change for the better.

The career choices available are as diverse as the courses you’ve studied, and the versatility of an arts degree means you can apply your skill set to almost any industry.

You could combine your expertise in Aboriginal studies and linguistics to support First Nations communities to revive, protect and promote the recovery of endangered Aboriginal languages. You might draw upon your sociology skill set to lead social service programs, supporting and advocating for people experiencing homelessness. Or perhaps you’ll utilise your knowledge of environmental management to advise local government on transitioning to more environmentally sustainable approaches to public works projects.

More broadly, you could find work in the public or private sector, in areas such as:

- Foreign affairs and diplomacy
- Policy development
- Environmental management and planning
- Corporate communications
- Humanitarian work
- Government and public service
- Management
- Marketing and public relations
- Media and publishing.

This degree also provides a pathway for further postgraduate study or research.

You might also like:

- Bachelor of Creative Arts
- Bachelor of Media and Communication
- Bachelor of Philosophy, Politics and Economics.

Bachelor of Arts majors

Bachelor of Arts majoring in Aboriginal Studies

Bachelor of Arts majoring in Creative Writing

SATAC code	ABP233	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City	Prerequisites	None

Humans have always been storytellers. Storytelling and creative writing can be used to comfort or challenge, remember or reimagine, educate or entertain. Our Bachelor of Arts majoring in Creative Writing will teach you how to observe and respond creatively to the world around you, using compositional and editorial skills.

You'll explore a wide range of literary forms including fiction, creative non-fiction, screenwriting and poetry, and develop an extensive portfolio of your own original creative and critical writing. Industry experiences and internship opportunities will help you make connections and hone your professional skills. You'll graduate as an expert storyteller, with the skills and knowledge to become a professional writer who captivates audiences and leaves a mark on the literary world.

Bachelor of Arts majoring in Cultural Studies

SATAC code	ABP233	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City	Prerequisites	None

Can the way a city is designed show us what a society values and prioritises? How do social media platforms influence our identities and consumption habits? Why do certain stories become popular, and whose stories are missing or unheard? What does it mean to be successful, according to different cultures? Through our Bachelor of Arts majoring in Cultural Studies, you'll explore the different ways culture influences our lives and shapes our identities.

Discover how everything – from the music we listen to, the clothes we wear, the food we eat and the way we communicate – hints at what we value, how we see ourselves and our place in society. Question your assumptions. Challenge social norms. Gain a more expansive view and appreciation of cultural diversity. Develop high-level communication and critical thinking skills. Graduate equipped for an exciting career in a range of people-focused industries.

Bachelor of Arts majoring in English Literature

SATAC code	ABP233	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City	Prerequisites	None

Literature doesn't just reflect the worlds we live in – it shapes them. To study English Literature is to join a centuries-old conversation with some of the greatest minds ever to lift our imaginations to do the impossible. A short poem can undermine a regime; a novel can alter opinions and change laws; a play can vividly dramatize unconscious social tensions. With our Bachelor of Arts majoring in English Literature, you'll be introduced to the key genres, methods and traditions of literature written in English around the world – from Shakespeare to the present day.

Explore a wide range of literary forms including plays, poems, short stories, novels and more, in their social and historical contexts. Develop high-level skills in literary analysis, argument and evaluation, and emerge with the expertise to thrive in your next chapter.

Bachelor of Arts majors (continued)

Bachelor of Arts majoring in Environmental Management

SATAC code	ABP233	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City	Prerequisites	None

The environmental challenges we face today are complex and undeniable. Protecting and sustaining our natural world for generations to come will require the expertise of many. Our Bachelor of Arts majoring in Environmental Management will equip you with the skills to contribute to this vital work.

Examine the impacts of human economic activities and their relationship to current environmental issues. Expand your knowledge of biodiversity, water, land and climate issues. Learn how research outcomes can be effectively translated into environmental policy and on-the-ground action. Gain a solid grounding in the principles and practices of environmental management and discover the role of environmental impact assessments (EIA) in guiding best-practice approaches. Graduate ready to address environmental challenges head-on.

Bachelor of Arts majoring in French Studies

SATAC code	ABP233	IB score	26.25
Start date	Feb	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City	Prerequisites	None

Ever wanted to know more about French artists, writers or thinkers, like Voltaire, Diderot or Sartre? What about the food, films and fashion? France's cultural impact is undeniable. Our Bachelor of Arts majoring in French Studies builds your language skills in reading, writing, listening and speaking. Learn to construct effective arguments in French and excel in professional settings. You'll explore France's culture through courses on French literature, film and contemporary society. Enjoy guest lectures by local and international scholars. Benefit from hands-on learning and language immersion experiences, including internships and study abroad programs. You'll graduate ready to pursue careers in international business, diplomacy, teaching, tourism and more.

Bachelor of Arts majoring in Gender and Sexuality Studies

SATAC code	ABP233	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City	Prerequisites	None

In our Bachelor of Arts majoring in Gender and Sexuality Studies, you'll tackle complex and controversial social and cultural issues. Examine how gender and sexuality intersect with race, class and other social identities. Dissect social structures and cultural dynamics to understand power, privilege and identity. Reflect critically on your own positionality. Learn to collaborate meaningfully and thrive in industry settings, with hands-on internships in the field. You'll graduate with the analytical and communication tools to champion marginalised perspectives in your future workplaces and communities – on both the local and global stage.

Bachelor of Arts majoring in Geography

SATAC code	ABP233	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City	Prerequisites	None

Our Bachelor of Arts is designed to help you think critically, succeed in your career and adapt to a changing future. The Geography major covers human and physical geography, focusing on themes of space and place. Prepare to roll up your sleeves and tackle the pressing challenges of our world. Get hands-on with the latest geographical tools. Learn how to gather, assess and present complex data. Benefit from immersive field trips and real-world case studies. You'll learn first-hand how to piece together environmental puzzles and come up with smart, practical solutions. You'll gain analytical and technical skills for careers in planning, policy, natural resources, emergency management and more.

Bachelor of Arts majors (continued)

Bachelor of Arts majoring in German Studies

SATAC code	ABP233	IB score	26.25
Start date	Feb	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City	Prerequisites	None

Ready to become a truly global citizen? Learning a new language means unlocking different ways of being and seeing the world. Gain a unique sense of achievement. Access deep cultural understanding. Enhance your humanity and open doors to new experiences in a globally connected world. With our evidence-based and hands-on teaching approach, you'll actively talk and interact in German from the beginning. You'll enjoy meaningful cultural experiences, including international exchanges with the German Academic Exchange Service. You'll graduate as an adaptable professional, ready to thrive in multilingual careers. Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City	Prerequisites	None

Our Bachelor of Arts majoring in International Security gives you an in-depth and nuanced understanding of regional and global security challenges facing Australia and its allies in the Indo-Pacific. The degree is challenging and comprehensive, building critical analytical and strategic skills to address traditional and emerging security threats. Learn to solve complex problems, assess risks and make informed policy decisions. Explore international negotiations, crisis decision-making, terrorism, ethics, security and justice in Australia – and beyond. Engage with international security experts through guest lectures, workshops and hands-on internships. Graduate with in-demand skills across private security, government, NFPs, international business, media and more.

Bachelor of Arts majors (continued)

Bachelor of Arts majoring in Italian Studies

SATAC code	ABP233	IB score	26.25
Start date	Feb	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City	Prerequisites	None

Immerse yourself in a culture known for its rich heritage, iconic cuisine, beautiful landmarks, and artistic contributions that have made a lasting impression in Australia. Italy is one of the most visited countries, with a globally significant concentration of sites significant to European cultural history. Imagine a career that transcends borders, opening you up to local and international job opportunities. In the Bachelor of Arts, you can complete two majors – so you can tailor your major in Italian Studies to your unique career aspirations. You might work across business, government, tourism, diplomacy, media, hospitality, fashion, design or international law.

Bachelor of Arts majoring in Japanese Studies

SATAC code	ABP233	IB score	26.25
Start date	Feb	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City	Prerequisites	None

Our Bachelor of Arts is flexible and exploratory, designed to build critical thinking skills and prepare you for professional success. The Japanese Studies major explores Japan's language, culture and global impact. You'll investigate the role of language in society, analyse emerging research – and even undertake your own. Our curriculum goes beyond studying Japan from a textbook perspective, focusing on experiential learning and real-world application. You'll build a versatile toolkit of intercultural communication and digital literacy skills. Whether you aim for roles in international trade, diplomacy, education or cultural exchange, you'll graduate ready to take on exciting challenges in a globally connected world.

Bachelor of Arts majoring in Karna Languages

SATAC code	ABP233	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City	Prerequisites	None

Language helps us understand the world – and find our place in it. Aboriginal languages in Australia carry culture, memory and identity, utilising complex grammars and sophisticated meaning making systems. In the context of colonisation, they are powerful pathways for justice, healing and pride. In the context of world languages, they demonstrate unique linguistic structures and strategies. By studying a Bachelor of Arts majoring in Karna Languages, you can be part of a living, growing movement to maintain, reclaim and revive Indigenous languages globally. Learn from respected Aboriginal academics and experts in Indigenous languages globally. Be part of the University's important commitment to maintain, reclaim and revive local languages. Build the skills to raise the consciousness of your community and empower future generations.

Bachelor of Arts majoring in Linguistics and Applied Linguistics

SATAC code	ABP233	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City	Prerequisites	None

Build a deep understanding of human language and explore the relationship between language, meaning, the self and society. With our Bachelor of Arts majoring in Linguistics and Applied Linguistics, you'll explore the diversity of the over 7000 languages spoken today. Learn how they influence and reflect the human experience and discover how linguistics applies to contemporary issues. Engage in industry placements to build expertise. Master cross-cultural communication. Champion social justice by breaking down language barriers. Preserve cultures, celebrate diversity and fight discrimination. Use your voice – and your understanding of linguistics – to become an advocate for change.

Bachelor of Arts majors (continued)

Bachelor of Arts majoring in Philosophy

SATAC code	ABP233	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City	Prerequisites	None

Our Bachelor of Arts has a strong focus on flexibility, critical thinking and career readiness. The Philosophy major is tailored for curious minds eager to understand and influence the philosophical discussions that shape our world. You'll explore big questions concerning reality, meaning and morality. What is consciousness? Do we have free will? Is it ever okay to interfere with another person's autonomy? Investigate complex issues – from the nature of time and space to human knowledge, consciousness and applied ethics. Our hands-on approach means you won't just learn about philosophy; you'll actively philosophise yourself. You'll build a formidable toolkit of logical, analytical, problem-solving and creative thinking skills, all highly valuable across your future career.

Bachelor of Arts majoring in Politics

SATAC code	ABP233	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City	Prerequisites	None

Are you curious about power, freedom and how countries are governed? Studying the Bachelor of Arts majoring in Politics allows you to see beneath the surface of world affairs. It's a chance to develop a global perspective, understand how societies are structured, and see how events on the other side of the world can impact your local community. Explore big ideas about ethics, morality, rights and responsibilities. Undertake placements and investigate real-world challenges. Select a second major to broaden your knowledge and employment prospects. Graduate prepared to make informed decisions, influence policy and address the most urgent social, economic and environmental issues of our time.

Bachelor of Arts majoring in Population and Migration Studies

SATAC code	ABP233	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City	Prerequisites	None

Our Bachelor of Arts is flexible and future-focused, nurturing creative thinking – and career preparation. The Population and Migration Studies major is interdisciplinary, exploring global and Australian population dynamics and migration. You'll tackle big questions in the field. Why do people choose to live in the city? How does migration change the culture of a country? What are the social impacts of overpopulation? Through data analysis, policy examination and case studies, you'll learn to lead change and make informed planning decisions. Your expertise can play a key role in vital humanitarian efforts, policy and research, with exciting opportunities for innovation and impact.

Bachelor of Arts majoring in Screen Studies

SATAC code	ABP233	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City	Prerequisites	None

Our Bachelor of Arts degree is renowned nationally and internationally for undergraduate study in the humanities and social sciences. Majoring in Screen Studies will give you the skills and knowledge to critically evaluate film texts and industries, developing a deep understanding of theoretical, historical and critical approaches to analysis. You will study cinema and film culture from around the world, exploring a range of genres – from horror and science fiction to crime noir and Spaghetti Westerns. In addition, you will select a second major to create a unique degree and graduate with multi- and interdisciplinary expertise. You will engage in real-world learning, enabling you to explore professional pathways in areas aligned with your interests.

Bachelor of Arts majors (continued)

Bachelor of Arts majoring in Social Research and Policy Analysis

SATAC code	ABP233	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City	Prerequisites	None

Do you dream of making the world a better place? Explore the potential for policy to make positive social change with our Bachelor of Arts majoring in Social Research and Policy Analysis. Analyse contemporary social challenges, understand the influence of evidence in shaping policy and learn how to design and conduct research. You'll also explore solutions for an equitable future and develop the skills to advocate for evidence-based policy. Flexible work-integrated learning, and a final year internship will get you job ready. Equipped with a double major and knowledge that is both broad and deep, you'll have a range of career opportunities available to you.

Bachelor of Arts majoring in Sociology

SATAC code	ABP233	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City	Prerequisites	None

Do you want to drive positive social change and become a compassionate, creative leader in our diverse and dynamic world? Our Bachelor of Arts majoring in Sociology will challenge you to think ethically and act creatively and compassionately. You'll explore current social issues and crises, learn about important social institutions, and understand the forces that influence them. Highly flexible with a range of majors to choose from, this degree allows you to tailor your studies to your specific interests. You'll graduate in demand by a range of sectors – including government, social services, public health policy, criminal justice and more.

Bachelor of Arts majoring in Spanish Studies

SATAC code	ABP233	IB score	26.25
Start date	Feb	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City	Prerequisites	None

The Bachelor of Arts majoring in Spanish Studies immerses you in Spanish language, culture and society. Through language acquisition, literature and contemporary culture courses, you'll discover the rich traditions of the Spanish-speaking world. Our staff are passionate, experienced and accessible, eager to propel your language mastery forward and support your research ambitions. Benefit from personalised tutoring and mentoring, participate in immersion programs and overseas exchanges and gain real-world experience through tailored internships. You'll graduate ready for dynamic careers that demand cultural agility, advanced communication and a global perspective.

Bachelor of International Relations

SATAC code	ABP236	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Adelaide City	Prerequisites	None

Why this degree

Secure an international career that really makes a difference. A single event in one country can send waves across the globe, shaping our lives in unexpected ways. Studying International Relations isn't just about learning – it's about understanding how we're all inter-connected and discovering how we can make a real impact.

Discover the excitement of exploring different countries, diverse cultures, global cooperation and conflicts, and Australia's role on the world stage. Engage with issues that matter – climate change, human rights, and the power to drive positive change in international affairs and humanitarian efforts.

With the insights you gain, you'll be prepared to debate pressing world issues and pursue an international career where you can truly make a difference.

Career outcomes

Upon graduation, you'll be ready for exciting roles in diplomacy, foreign service, international organisations, not-for-profits, and international journalism. Your keen understanding of global political and economic shifts will be a sought after skill across various fields.

Your capacity for diplomacy, advocacy, partnership-building, and policy analysis could guide you toward impactful roles with the United Nations, World Trade Organization, Department of Defence, or Department of Foreign Affairs and Trade. You might also apply these skills in consulting or public relations, where strategic communication is key.

Be inspired by these potential careers:

- Foreign service officer
- International trade specialist
- Immigration officer
- Mediator
- Human rights officer
- International marketing strategist
- National security agent
- Cultural affairs officer
- Economic development officer
- Policy analyst
- International relations consultant
- International development worker.

Or continue your studies with a master or PhD to boost your career to the next level.

You might also like:

- Bachelor of Arts majoring in International Development
- Bachelor of Criminology and Criminal Justice
- Bachelor of Journalism.

Bachelor of International Relations majors

Bachelor of International Relations majoring in Chinese Studies

Bachelor of Journalism

SATAC code	ABP162	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Magill, Adelaide City	Prerequisites	None

Why this degree

Harness your passion for storytelling to create compelling and important narratives. Explore the art of storytelling as you master the craft of news writing. Utilise skills in audio and video production to explore social issues through investigative reporting. You'll inform and inspire communities, make meaningful connections with your audience, challenge perceptions and prompt positive change.

Connect theory and practice succeeding in the field of journalism. Get ready to amplify a range of voices through dynamic storytelling, as you explore diverse media platforms and connect with audiences in fresh and exciting ways.

Career outcomes

With a Bachelor of Journalism, you could become a journalist, reporting on the latest news and shaping public conversation. You might work as a producer, creating compelling audio-visual stories for television, radio or digital platforms. Perhaps you'll take on a role as a digital content creator, crafting engaging multimedia pieces for online publications and social media. You'll graduate ready to pursue opportunities in diverse sectors like broadcasting and podcasting, online news sites and magazines, corporate communications, government and not-for-profits.

You might also like:

- Bachelor of Arts majoring in Creative Writing
- Bachelor of Communication
- Bachelor of Media and Communication majoring in Strategic Communication.

Bachelor of Journalism majors

Bachelor of Journalism majoring in Creative Writing

SATAC code	ABP162	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Magill, Adelaide City	Prerequisites	None

Take your creativity to the next level by combining the art of journalism with creative writing. With the Bachelor of Journalism majoring in Creative Writing, you'll learn to craft compelling stories across multiple formats, from poetry and prose to news articles and screenplays. Maybe you'll author an award-winning novel, write a script for a blockbuster movie or popular TV series, or be the lead journalist reporting on major global events. Whether you're investigating real-world issues or creating imaginative worlds, you could make a lasting impact on readers and audiences worldwide.

Bachelor of Journalism majoring in Digital and Social Media Storytelling

SATAC code	ABP162	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Magill, Adelaide City	Prerequisites	None

Skilled storytellers are invaluable. They help people learn new things and understand the world around them with content that's accessible and relevant. By studying a major in Digital and Social Media Storytelling, you'll gain in-demand skills, dual expertise and flexibility in your future career. Gain the tools to navigate today's fast-paced digital environment. Build foundational skills in news writing, audio journalism and multimedia production. Practise creating engaging content across social media, podcasts and video platforms. You'll graduate ready to build brand reputations, start important conversations and captivate audiences around the globe.

Bachelor of Journalism majors (continued)

Bachelor of Journalism majoring in Immersive Media

SATAC code	ABP162	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Magill, Adelaide City	Prerequisites	None

Do you dream of an exciting career making compelling documentaries or developing immersive experiences? With the Bachelor of Journalism majoring in Immersive Media, you'll learn to blend journalism with cutting-edge technologies. You'll have the skills to design immersive environments where audiences can experience stories as participants rather than just spectators. You could lead projects in game design, develop interactive content for social media platforms or produce compelling audio-visual stories. Or you might take on a role creating content for digital platforms, TV, film or even the expanding world of live-streamed events. As industries continue to demand more interactive and engaging content, you'll be ready to shape the future of media with your innovative storytelling abilities.

Bachelor of Journalism majoring in Politics

SATAC code	ABP162	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Magill, Adelaide City	Prerequisites	None

Interested in uncovering the political stories behind the policies and people shaping our world? Our Bachelor of Journalism majoring in Politics opens doors to a journalism career where you'll investigate, analyse and communicate political events and trends. You could cover election campaigns and examine social issues. As a political correspondent, you'll share compelling stories that inform and influence the public. Use your skills to provide insightful perspectives on the challenges of today's world. You'll have the expertise to not just report the news but shape the way people understand and engage with it.

Bachelor of Journalism majoring in Strategic Communication

SATAC code	ABP162	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
Campus	Magill, Adelaide City	Prerequisites	None

Interested in a field that combines journalism's storytelling and investigative skills with strategic communication? With a Bachelor of Journalism majoring in Strategic Communication, you'll tell important stories and create influential content that connects with audiences across digital, social and traditional media platforms. From crafting powerful messages for brands to reporting on pivotal societal issues, you could lead conversations and shape perceptions. Be the creative mind behind a viral campaign, a trusted advisor on crisis communication or a social media strategist building online communities. Whether you're influencing public opinion or guiding a brand's voice, you'll have the skills to make a lasting impact on the way people see and engage with the world.

Bachelor of Media and Communication

SATAC code	ABP166	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)

Campus	Adelaide City, Magill	Prerequisites	None

Communication can make or break an organisation. Being able to craft and deliver important messages effectively, and in a way that enhances trust, is critical to achieving core business objectives. Our Bachelor of Media and Communication majoring in Strategic Communication will develop your critical knowledge and skills in the creation and execution of strategic communication. Draw on public relations and communication theories and apply them to real-life settings. Study alongside award-winning academics in industry-focused courses and undertake an industry internship. These experiences and more ensure you'll graduate with the expertise to thrive in a variety of media and strategic communication roles.

Bachelor of Communication

Mode	100% online
Duration	3 years full-time

Why this degree

Transform ideas into compelling narratives that resonate with diverse audiences. Become a skilled architect of dialogue, crafting compelling campaigns that captivate the digital landscape. Picture yourself as a social media maestro, orchestrating impactful messaging for government, industry, or not-for-profits. Or work as a public relations expert steering an organisation through the storm of a crisis.

Gain real-world experience while learning to connect, persuade and inspire. Whether that's writing articles that spark conversations in the community or designing engaging content for a travel website – your way with words can shape perceptions and drive change. Your future as a communication expert awaits.

Career outcomes

With a communication degree you could become a communications officer, delivering key messages and managing media relations. Or you might take on a content creator role, crafting engaging copy for social media, blogs and websites. Maybe you'll specialise in digital media, building and executing strategies as a social media manager.

There are also opportunities to work as a media liaison officer, coordinating press events and managing media inquiries. As a graduate you'll be able to take on a variety of roles in different organisations – from healthcare, financial services and IT to community organisations, not-for-profits and government, the opportunities are endless.

You might also like:

- Bachelor of Digital Media
- Bachelor of Journalism
- Bachelor of Media and Communication.

Bachelor of Digital Media

Mode	100% online
Duration	3 years full-time

Why this degree

Digital media professionals don't just follow trends, they set them. Want to make an impact through visual storytelling? Or shape how people engage with technology and media?

In this fast-moving field, staying ahead of digital trends is essential. Explore cutting-edge practices and technologies that influence how we communicate through digital media. You'll need to be bold, flexible and collaborative.

Learn to work in diverse teams with other creative roles. Bring ideas to life in ways that challenge, inspire and connect. Create motion graphics that captivate, videos and digital designs that inspire action, or social media campaigns that go viral. Digital media is where ideas take shape. The future is yours to design.

Career outcomes

Express your creativity and play a role in influencing everything from marketing strategies to community engagement. You could work as a digital content creator, crafting engaging videos and content that captivate audiences. You might work as a social media manager, shaping a brand's online presence and connecting with followers. Perhaps you'll become a graphic designer, transforming ideas into stunning visuals that tell compelling stories. Whether you're developing content for businesses, managing online campaigns or designing digital experiences for cultural institutions, a degree in digital media opens the door to a variety of fulfilling careers. You'll have the skills and knowledge to make a significant impact on how people interact with brands and businesses.

You might also like:

- Bachelor of Creative Arts majoring in Digital Media and Web Design
- Bachelor of Journalism majoring in Digital and Social Media Storytelling
- Bachelor of Media and Communication majoring in Immersive Media.

Bachelor of Journalism

Mode	100% online
Duration	3 years full-time

Why this degree

Grow your reputation as a source of well-researched, reliable and credible information in the age of misinformation, with our 100% online journalism degree.

Journalists help us make sense of the world. They ensure accurate news, current affairs and other forms of journalism are published. With the rise of digital media, where anyone can spread fake news, it's now more important than ever to start building your reputation as a source of journalistic skill and credibility. Learn how to analyse information critically – an essential skill in the age of misinformation. Build digital skills, preparing you to publish compelling stories across a range of platforms.

Our Bachelor of Journalism degree will open doors to diverse careers. Work in journalism, magazine publishing, documentary and immersive storytelling, communication, public relations, content creation or media management.

Career outcomes

As a Bachelor of Journalism graduate, you'll be ready to pursue a variety of careers. You could become a producer, responsible for coming up with stories for print or digital publications. Perhaps you'll work in a newsroom as a political journalist, reporting on the biggest political events. Maybe you'll be a communications officer, developing marketing and communication materials like scripts, social media posts and email campaigns.

Degrees

Undergraduate

Bachelor of Social Science

Bachelor of Social Work

Bachelor of Social Work (Honours)

Postgraduate

Master of Social Work

Empowering people

Underpinned by principles of social justice and human rights, social workers are knowledgeable and skilled professionals trained to support and empower people, individuals and communities to improve social inclusion, wellbeing and bring about social change.

Guided professional development

Guided by our world-class teaching staff, you'll learn techniques to see the person in their environment and recognise the impacts of social disadvantage on the wellbeing and safety of population groups. You'll be supported to develop the skills and knowledge that will enable you to drive improved social outcomes.

You'll undertake work-integrated learning through internships and placements, accessing simulated practical learning experiences in the world-class Social Work Skills Lab, whilst also utilising public clinics like our Health Clinics and Community Centre, which will build your knowledge, skills and confidence in a supported environment.

World-class research

Your learning will be informed and supported by world-class research. With on campus research centres like the Social Relationships and Communities Research Centre, you'll be at the cutting edge of social change.

Career prospects

The demand for the welfare workforce has been steadily increasing over the years and is expected to continue growing – it is estimated that by 2049–50, 721,800 workers will be required to fulfill demand.*

** Australian Institute of Health and Welfare, Welfare workforce: demand and supply, 2023*

Bachelor of Social Science majoring in Ageing and Disability

SATAC code	ABP238 – Magill ABP239 – Whyalla ABP 241 – Mount Gambier		
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
IB score	26.25	Prerequisites	None
Campus	Magill, Mount Gambier or Whyalla		

Why this degree

Everyone deserves to live life on their own terms. For Australians who are older and people living with disability, this isn't always easy.

Navigating complex systems to get the right support is hard work and a daily reality for many. Person centred support teams are important allies. Getting to know a person's unique needs and connecting them with the right resources to maintain their independence is vital work.

Our Bachelor of Social Science majoring in Ageing and Disability prepares you for a rewarding career in the human services, supporting individuals who are older and those living with disability to ensure their voices and wishes are central in all service and support discussions. Professionals in these sectors address social injustice and barriers to participation. Tackle complex issues creatively. Skilfully navigate major systems – like the National Disability Insurance Scheme (NDIS) and My Aged Care – ensuring individuals receive the right supports.

Graduate with the expertise to make a real difference.

Career outcomes

Human services workers connect people in need to the supports that empower them to more fully participate in their own lives and contribute to their communities. Human services roles vary depending on the specific needs of the individuals they support. Broadly speaking, they undertake assessments to understand an individual's unique support needs, aspirations and then connect them with relevant resources and services – empowering them to make informed decisions about their support.

You could work as a case manager, coordinating access to support services for individuals living with disabilities. Maybe you'll take on a role as a community outreach worker, designing programs that enhance social connection for citizens who are older. Perhaps you'll join a holistic care team in a rehabilitation clinic, assisting individuals transition from acute health systems to at-home community living.

You can pursue careers in many different sectors and contexts, including:

- Aged care facilities
- Community organisations
- Disability service providers
- Schools and educational institutions
- Social services agencies
- Transitional housing programs.

Accreditation

This program is accredited by Community Work Australia (CWA). Graduates are eligible for membership of CWA.

You might also like:

- Bachelor of Health Science
- Bachelor of Social Science majoring in Human Services
- Bachelor of Social Work.

Bachelor of Social Science majoring in Human Services

SATAC code	ABP238 – Magill ABP239 – Whyalla ABP 241 – Mount Gambier		
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	3 years full-time	Assumed knowledge	None
IB score	26.25	Prerequisites	None
Campus	Magill, Mount Gambier or Whyalla		

Why this degree

At their core, human services are about helping people achieve stability and improve their quality of life.

This could be assistance with food and housing – or counselling and financial support for people experiencing crisis. It could be helping isolated individuals find friends and a sense of purpose through community programs or influencing social policy to improve conditions for individuals, groups and communities.

Put your belief in equality and fairness into practice. Gain the tools to influence social policies. Develop high level communication, ethical and cultural competency skills. Become an effective agent of systemic change and pursue rewarding careers supporting individuals, families and communities.

Career outcomes

Human services professionals ensure people in need are connected to the support they require to achieve stability, maintain independence and improve their quality of life. Their roles are as varied as the needs of the clients they serve; they may work in local government, community outreach, disability support, aged care, child protection, social work, housing and more.

You could work as a case manager, connecting clients experiencing crisis with crucial support services. You might be a community outreach worker, designing fun programs that enhance social connection for young people with disabilities. Perhaps you'll work in a community health clinic alongside allied health professionals, helping run support groups for new parents.

You could also work in:

- Aged care facilities
- Advocacy groups
- Community organisations
- Disability service providers
- Healthcare facilities
- Residential care settings
- Schools and educational institutions
- Social services agencies
- Transitional housing programs
- Youth development programs.

Accreditation

This program is accredited by Community Work Australia (CWA). Graduates are eligible for membership of CWA.

You might also like:

- Bachelor of Community Health
- Bachelor of Social Science majoring in Ageing and Disability
- Bachelor of Social Work.

Bachelor of Social Work

SATAC code	ABP214 – Magill ABP215 – Whyalla ABP 216 – Mount Gambier		
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	4 years full-time	Assumed knowledge	None
IB score	26.25	Prerequisites	None
Campus	Adelaide City, Magill or Mount Gambier or Whyalla		

Why this degree

Are you passionate about social justice, human rights and equality? Do you want to support people to make a real difference in their lives and social circumstances?

Social workers are a lifeline for people experiencing points of crisis or significant change. They can work individually in private practice, or as part of a larger interprofessional team in a wide range of clinical, community or organisational settings. Social workers support individuals, families, and communities to address life challenges, enhance wellbeing and bring about social change.

Social work careers blend intellectual challenge with emotional fulfilment. The work is dynamic and varied, offering opportunities to engage with diverse populations and complex social issues. You'll love effecting positive change and contributing to a more just and equitable society.

Career outcomes

As a social worker, you'll work with people to provide holistic assessment, evidence-based intervention and support, counselling and service referrals. You'll practice research, advocacy and influence policy to promote a more fair and inclusive society.

There are employment opportunities for social workers in a wide range of sectors, including:

- Homelessness
- Correctional services
- Youth justice
- Courts and justice system
- Child protection
- Domestic, family and sexual violence
- Aged care
- Primary and Tertiary healthcare
- Mental health
- Leadership and management
- Refugees and asylum seekers
- Schools
- Disability
- Social Policy and research
- Community Development and community work.

Accreditation

This program is provisionally accredited by the Australian Association of Social Workers (AASW).

Graduates are eligible for membership of the AASW.

You might also like:

- Bachelor of Psychology
- Bachelor of Psychological Sciences and Sociology
- Bachelor of Social Science majoring in Human Services.

Bachelor of Social Work (Honours)

SATAC code	ABP129	IB score	26.25
Start date	Feb, July	Guaranteed entry	70 (B,B,B)
Duration	4 years full-time	Assumed knowledge	None
Campus	Adelaide City, Magill	Prerequisites	None

Why this degree

Social workers are found on humanity's frontlines, offering support to people experiencing hardship or significant change. They take a whole-person approach, considering all parts of an individual's life, including the social context, to ensure support services are tailored to their specific needs.

This honours degree provides an advanced level of knowledge in the political and behavioural sciences. You'll also complete a major research project under the guidance of an experienced supervisor, with the opportunity to publish upon completion.

Career outcomes

Social workers with an honours degree hold advanced knowledge and skills. Along with typical social work activities, they specialise in using evidence-based practise, synthesising ideas and undertake research and advocacy, with the ultimate aim of promoting a more fair and inclusive society.

The fields and sectors employing social workers are as varied as the populations they assist. You could work in a hospital, providing advocacy support to give patients a voice and ensure they receive appropriate care and resources. Maybe you'll specialise in services for the elderly, assisting older people to live well and remain independent for as long as possible.

The fields and sectors in which social workers are employed are every bit as diverse as the populations and people they serve.

You could work in areas like:

- Academia and research
- Aged care
- Child and family services
- Community centres
- Disability services
- Employee assistance programs
- Government agencies
- Social policy
- Healthcare (hospitals, out-patient clinics, community and allied health settings)
- Hospice and end-of-life planning
- International and humanitarian organisations
- Justice and corrections
- Mental health support services
- Non-profit organisations
- Schools and educational settings
- Addiction and substance misuse settings
- Veterans' affairs.

Accreditation

This program is provisionally accredited by the Australian Association of Social Workers (AASW).

Graduates are eligible for membership of the AASW.

You might also like:

- Bachelor of Community Health
- Bachelor of Psychology (Honours)
- Bachelor of Social Work.

Teaching and Education

Degrees

Undergraduate

Bachelor of Teaching (Early Childhood Education)
Bachelor of Teaching (Primary) (Honours)
Bachelor of Teaching (Secondary) (Honours)

Postgraduate

Master of Education
Master of Teaching (Early Childhood Education)
Master of Teaching (Primary)
Master of Teaching (Secondary)

Ignite a love of learning

Teachers play a crucial role in our development, especially for babies, children and young people. Wherever you see yourself teaching – from early childhood through to adult education – we can help you get there. Supported by our world-class teaching staff, you’ll develop the skills and knowledge to run an engaging classroom and lead contemporary education practices.

Building teaching confidence

From your first year you’ll gain valuable real-world experience; and will continue to build your confidence and expertise throughout your studies via extensive practical placements across a variety of education settings. You’ll graduate ready to enter the classroom as a digitally competent, culturally sensitive teacher equipped with essential communication and critical inquiry skills.

World-class research

Your learning will be informed and supported by world-class research. Adelaide University is leading the way in shaping the future of education, particularly through emerging understanding of learner diversity and technological advancement with our Centre for Change and Complexity in Learning, Centre for Islamic Thought and Education, and Centre for Research in Educational and Social Inclusion at the forefront of this research.

Career prospects

Demand for teachers and educators across the lifespan is expected to remain strong*, with particularly high demand for early childhood educators in South Australia as the government implements expanded access to preschool.

** Australian Government, Labour Market Insights, 2023*

Bachelor of Teaching (Early Childhood Education)

SATAC code	ABP219 – Magill, Mawson Lakes ABP221 – Mount Gambier ABP222 – Whyalla		
Start date	Feb	Guaranteed entry	80 (A,A,B)
Duration	3 years full-time	Assumed knowledge	None
IB score	30.25	Prerequisites	None
Campus	Magill, Mawson Lakes or Mount Gambier or Whyalla		

Why this degree

Early childhood education goes far beyond nursery rhymes, picture books and learning the alphabet. It's about giving young children the language, confidence, social skills and behaviours to set them up for a lifelong journey of discovery. And the research is clear – quality early childhood education has a positive effect on learning and development throughout the school years (Australian Institute of Health and Welfare). With our Bachelor of Teaching (Early Childhood Education), you'll become a resourceful and engaging teacher, ready to inspire the next generation. You'll learn effective modern teaching techniques, understand childhood development, and discover how to create safe and inclusive classrooms. Graduate classroom-ready; having completed 640 hours of placements in early childhood settings, starting from first year.

Career outcomes

You will graduate with a qualification recognised by the Australian Children's Education & Care Quality Authority (ACECQA) and the Teachers Registration Board of South Australia. This means you'll be able to register and work as a teacher in early childhood and care sites, including long day care centres and preschools. You'll even be able to start working in early childhood settings from the end of your second year, while completing your studies.

Accreditation

This program is accredited by The Australian Children's Education & Care Quality Authority (ACECQA). The program is an approved early childhood qualification for Early Childhood Teachers under the National Quality Framework.

Bachelor of Teaching (Primary) (Honours)

SATAC code	ABP223 – Magill, Mawson Lakes ABP224 – Mount Gambier ABP225 – Whyalla		
Start date	Feb	Guaranteed entry	80 (A,A,B)
Duration	4 years full-time	Assumed knowledge	None
IB score	30.25	Prerequisites	None
Campus	Magill, Mawson Lakes or Mount Gambier or Whyalla		

Why this degree

As a primary school teacher, you'll be many things: role model, confidant, supporter, educator. You'll help your students build foundational literacy, numeracy and critical thinking skills while nurturing their unique talents and helping them become well-rounded individuals with their own passions. Learn inclusive and culturally responsive teaching practices while specialising in your chosen area of the Australian Curriculum. If you enjoy engaging with young people, believe in the power of education to transform lives, and want a career that truly makes a difference – our Bachelor of Teaching (Primary) (Honours) is for you. With a comprehensive curriculum and 640 hours of practical placement starting from first year, you'll be ready to inspire and educate students from Reception to Year 6.

Career outcomes

You will graduate with a qualification recognised by the Teachers Registration Board of South Australia. This will enable you to work as a Reception to Year 6 teacher in primary schools within Australia and other select countries. Your honours qualification will help you stand out and enhance your employment prospects.

Accreditation

This program is accredited by the Teachers Registration Board of South Australia (TRB). Graduates of this program may register to teach in South Australia, and in most cases, interstate and overseas (please check interstate and international countries for specific registration requirements relevant to those jurisdictions).

Bachelor of Teaching (Secondary) (Honours)

SATAC code	ABP226 – Adelaide City, Mawson Lakes ABP227 – Mount Gambier ABP228 – Whyalla		
Start date	Feb	Guaranteed entry	80 (A,A,B)
Duration	4 years full-time	Assumed knowledge	None
IB score	30.25	Prerequisites	None
Campus	Adelaide City, Mawson Lakes or Mount Gambier or Whyalla		

Why this degree

Inspire students to discover their unique potential as an innovative and engaging secondary school teacher of Years 7 to 12.

Teaching is a rewarding career where every day brings new opportunities to make a difference. With our Bachelor of Teaching (Secondary) (Honours), you'll gain the knowledge and skills to not only help students thrive academically, but to become well-rounded individuals.

Follow your passions by specialising in two subject areas aligned with the Australian Curriculum. Gain practical experience in the classroom with 640 hours of placement, starting from first year. Master positive classroom management and culturally responsive teaching practices. Create inclusive and supportive learning environments for students of all abilities.

Become a respected and valued member of your community and inspire the next generation.

Career outcomes

You will graduate eligible to apply for registration with the Teachers Registration Board of South Australia. You will also be eligible for registration as a teacher in other Australian states and select countries. Your honours year of study will set you apart and enhance your employment prospects.

You will be qualified for roles such as:

- Secondary school teacher (Years 7-12)
- Senior years coordinator
- Youth support worker
- Education consultant or policy advisor.

Accreditation

This program is accredited by the Teachers Registration Board of South Australia (TRB). Graduates of this program may register to teach in South Australia, and in most cases, interstate and overseas (please check interstate and international countries for specific registration requirements relevant to those jurisdictions).

Master of Teaching

SATAC code	Early Childhood Education: ACM222 Primary: ACM223 Secondary: ACM236 – English ACM237 – Health, Physical and Outdoor Education ACM238 – Humanities and Social Sciences ACM239 – Languages ACM241 – Mathematics ACM242 – Psychology ACM243 – Science ACM244 – Technologies ACM245 – The Arts		
Campus	Early Childhood Education: Magill or Mawson Lakes Primary: Magill or Mawson Lakes Secondary: Adelaide City or Mawson Lakes		
Start date	Feb	Duration	2 years full-time

Leverage your knowledge from a previous degree, aligned to the Australian Curriculum, and get the qualification you need to teach in your specialised area. Our postgraduate teaching degrees prepare you to educate and inspire learners from early childhood through to secondary school. You'll build strong, research-informed teaching skills, gain extensive practical experience, and graduate with a qualification recognised for teacher registration in South Australia.

These programs equip you to nurture children from birth to age eight, spark curiosity in primary students from Reception to Year 6, or guide adolescent learners from Years 7-12 in specialist secondary subject areas – opening doors to an impactful career in teaching.

Choose from the following degrees:

- Master of Teaching (Early Childhood Education)
- Master of Teaching (Primary)
- Master of Teaching (Secondary).

Career outcomes

Graduate with a qualification recognised by the Australian Children's Education & Care Quality Authority (ACECQA)* and the Teachers Registration Board of South Australia. Graduates of this program may register to teach in South Australia, and in most cases, interstate and overseas (please check interstate and international countries for specific registration requirements relevant to those jurisdictions).

Accreditation

This program is accredited by the Teachers Registration Board of South Australia (TRB). Graduates of this program may register to teach in South Australia, and in most cases, interstate and overseas (please check interstate and international countries for specific registration requirements relevant to those jurisdictions).

*ACECQA accreditation is through the Master of Teaching (Early Childhood Education) only.

Master of Education

SATAC code	ACM144	Start date	Feb, July
Duration	2 years full-time	Campus	Adelaide City, Magill, Mawson Lakes

The education landscape is undergoing significant and exciting transformations. The decisions made today may resonate for generations. That's why we need visionary leaders who can interpret research, see new possibilities and drive systemic change.

How can we alleviate pressure on teachers? What will help neurodivergent students – and teachers – reach their potential? How can we ensure viewpoint diversity in our classrooms? As an educational leader, tackle big questions of equity, inclusion and engagement. Redefine how systems operate to better serve communities. Lead the charge towards a smarter, more adaptive future.

Career outcomes

You'll graduate from this degree ready to lead meaningful change in education. You might revolutionise teaching with gamified learning platforms. You could pioneer virtual reality classrooms or establish an international think tank. Perhaps you'll transition into a PhD or publish a best-selling book.

Please note, this degree does not provide a recognised qualification for teaching in schools. For this pathway, see our Master of Teaching.

Master of Social Work

SATAC code	ACM218	Start date	Feb
Duration	2 years full-time	Campus	Adelaide City, Magill

Build a rewarding career where compassion meets action as a social worker. Address issues stemming from mental health, poverty and social injustice. Enhance wellbeing through advocacy, social change, relationship building and empowerment.

With Adelaide University's Master of Social Work, you'll support people facing hardship or significant change – providing a holistic approach to connect them with essential support services.

If you're passionate about social justice, dedicated to helping those in need, and enjoy finding practical solutions to complex issues, this degree will provide the skills and hands-on experience necessary to build a brighter, more equitable future for all.

Career outcomes

Social workers provide support, counselling and service referrals. They undertake research and advocacy, with the aim of promoting a fairer, more inclusive society.

You could work in hospital or healthcare settings, providing advocacy support to patients to ensure they have a say in their care and receive appropriate care and resources. Maybe you'll specialise in services for the elderly, assisting older people to live well and remain independent for as long as possible. Perhaps you'll become a researcher, exploring important questions and issues within the social work field to inform future practice.

The fields and sectors employing social workers are as varied as the populations they assist.

Accreditation

This program is provisionally accredited by the Australian Association of Social Worker (AASW). Graduates are eligible for membership of the AASW

Master of Strategic Communication

SATAC code	ACM221	Start date	Feb, July
Duration	2 years full-time	Campus	Adelaide City

Design communications that move people. From creative product launches to timely and clear disaster response information – effective communication is key in moving us towards action. In an era of constant chatter and demands on our attention, it is more difficult than ever for organisations and businesses to get their messages out when it matters most. Which is why, no matter the sector, professionals with the expertise to cut through the noise to inspire, connect and influence are highly sought after.

Our Master of Strategic Communication equips you with the versatile skill set needed to lead strategic communication planning, management and execution across all key digital and non-digital channels – in any sector, anywhere in the world.

Career outcomes

As a graduate of the Master of Strategic Communication at Adelaide University, you'll emerge equipped to lead strategic communication in any sector, anywhere in the world.

You might take up a role as a corporate communications manager, developing and implementing communication strategies designed to enhance a company's image and reputation. Maybe you'll lead rebranding initiatives for large, global organisations as a global brand manager. Perhaps you'll become a crisis communication consultant, advising businesses on how to communicate effectively and manage public perception in the event of product recalls or organisational restructures.

Global Learning

Broaden your horizons by completing part of your Adelaide University degree overseas.

Make overseas study a part of your degree.

Enjoy a wide range of personal, academic, and professional benefits through our overseas experiences, including the unique opportunity to immerse yourself in a new culture and connect with people from around the globe.

With new opportunities continually being added to Adelaide University's offerings, you can choose an experience that suits you.

adelaide.edu.au/study/global-learning

Activate

Challenge yourself and explore your passion.

Activate is designed to complement your Year 12 studies, with school approval and timetabling support part of the application process. You'll also have access to Adelaide University's academic support, digital platforms, and student services, including mentoring.

With flexible options for a range of students, Activate builds confidence, supports academic growth, and provides you with experience before stepping into your first year of university.

Future-making research

Our researchers create ideas that shape tomorrow.

They dream big, think deeply and challenge assumptions so we can make the world a better place. We forge dynamic partnerships, always collaborating to ensure our impact is future-defining, transformative and enduring.

Operating on a large scale, we have more capacity for breakthroughs and a greater appetite for change. We work with industry, government and community to make ideas real – from protecting our planet to shaping global food systems and supporting human health.

Our research will transform South Australia's economy and accelerate its leadership on a global scale.

Applying to Adelaide University

How to apply

Applications to most Adelaide University undergraduate degrees are made online via SATAC: satac.edu.au

Applications open in early August. Apply before 30 September to avoid paying the SATAC late fee. You can add and swap preferences for most programs until the Change of Preference deadline in early January 2027, except for a handful of programs (including Bachelor of Medical Studies/Doctor of Medicine, Bachelor of Science (Veterinary Bioscience), Bachelor of Oral Health, and Bachelor of Dental Surgery) which close to new preferences on 30 September.

Entry pathways

Adelaide University is committed to making higher education accessible to all, regardless of their educational background. We offer pathways to study that support a diverse range of learning needs. These options include Year 12 entry, International Baccalaureate (IB), Grades-based entry, STAT, TAFE, and our preparatory programs, Foundation Studies and the Aboriginal and Torres Strait Islander Pathway. To find out more about the available pathways, see pages 16 and 18.

Adjustment factors

SATAC centrally administers two South Australian universities adjustment factors schemes. The two schemes are the Universities Equity Scheme and the Universities Language, Literacy and Mathematics Scheme.

satac.edu.au/adjustment-factors

Degree intake

Many undergraduate degrees will allow students to commence study in February or July. Please refer to individual degrees to check whether midyear entry is available. For students looking to study 100% online we have intakes throughout the year.

adelaide.edu.au/study

Deferring your studies

Most undergraduate degrees can normally defer for 12 months. Please refer to specific degrees for exceptions.

Concurrent degrees and double degrees

We offer concurrent degrees that allow students to study two qualifications simultaneously, to fast-track studies and enhance employability. Double degrees combine complementary disciplines and enable students to graduate with expertise in two areas and broaden career options.

Work-integrated learning (WIL)

Work-integrated learning offers students real-world experiences through internships and placements. Students are connected with valuable employability opportunities that allow them to apply their academic knowledge in real professional settings.

Additional entry requirements

Inherent requirements set the essential skills and knowledge all students must have to complete a course successfully.

English language requirements for international students

All international students undertaking an Australian Year 12 program are required to achieve a Pass grade or above in one of the approved English as a Second Language or English language subjects. If an applicant attempts but does not pass the English language subject, then alternative options, such as an acceptable English language proficiency test result, may be arranged.

Successful completion of the International Baccalaureate (IB) diploma meets the English language requirements of Adelaide University.

Unique Student Identifier

A Unique Student Identifier (USI) is your individual education number for life. It creates an online record of your education and training undertaken in Australia. If you are at university you need a USI. Without one, you cannot receive Commonwealth financial assistance, or your qualification or statement of attainment.

For more details, visit: usi.gov.au/students/get-a-usi

More information

Find answers to your questions using our online 'Frequently Asked Questions page', or our helpful staff can respond.

adelaide.edu.au/about/faqs

HELP (Higher Education Loan Program)

A HECS-HELP loan allows students to borrow from the Australian Government to cover some or all of their student contribution. To be eligible for HECS-HELP, you must be studying in a Commonwealth Supported Place.

Students who receive HECS-HELP will have part or their entire student contribution amount paid to Adelaide University by the Australian Government, and a HECS-HELP debt recorded for them with the Australian Taxation Office (ATO). Students then become responsible for repaying this debt later through the Australian taxation system.

For more information on HECS-HELP loans, visit: studyassist.gov.au

Student services and amenities fee

Students are charged an annual student services and amenities fee (SSAF) to assist with the funding of student services and amenities at Adelaide University. Eligible students may defer this fee to an SA-HELP loan.

Additional costs

Students may be required to pay for specialist equipment and reading materials, or may incur other incidental costs throughout their studies. Students are advised not to purchase any equipment until they receive their faculty/school handbook, available during Orientation.

2027 fees and costs

Student Contribution amounts for Commonwealth Supported Places are regulated by the Government. Contributions are calculated at the course level, not the program level, according to the area of study that each course falls within. As a guide the 2026 Student contribution bands are shown below. The Government indexes Student Contributions annually.

adelaideuni.edu.au/study/how-to-apply/entry-requirements/commonwealth-supported-students

Area of study	Student contribution per 1 EFTSL (48 units)
Agriculture, Education, English, Indigenous and Foreign Languages, Mathematics, Nursing, Statistics, Postgraduate Clinical Psychology	\$4,738
Allied Health, Built Environment, Computing, Engineering, Environmental Studies or Science, Other Health, Visual and Performing Arts, Surveying, Pathology, Professional Pathway Psychology or Professional Pathway Social Work	\$9,537
Medicine, Dentistry or Veterinary Science	\$13,558
Accounting, Administration, Commerce, Communications, Law, Society and Culture	\$17,399

What is 1 EFTSL?

Eligible Full Time Study Load (EFTSL) is the Australian Government's measure of a student enrolment load. One EFTSL is equal to full-time study for one student for one year. Each subject you enrol in is equal to 0.125 EFTSL.
