### **Acknowledgement of Country**

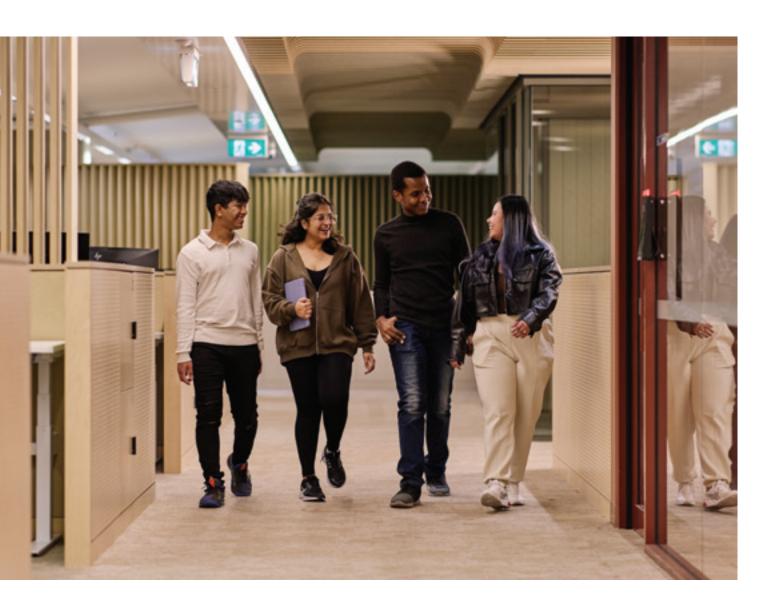

We respectfully acknowledge the Kaurna, Boandik, and Barngarla First Nations Peoples and their Elders past and present, who are the Traditional Owners of the lands that are home to our campuses across Adelaide and South Australia.

# Launching Adelaide University in 2026

Education and research can empower communities. Adelaide University is rising to the occasion by delivering nation-leading curriculum, exceptional student experiences, greater access to education, world-class research excellence and strong industry partnerships.

## **Our ambitions**

### **Member of the Group of Eight**

Australia's leading research-intensive universities

# **Top 5 nationally for student experience**

To be ranked in Australia's top 5 universities for student experience

## Top 1 % of universities worldwide

To be sustainably ranked in the top 1% of universities globally

## **Second largest** educator of low-SES students nationally

# Top in Australia for student employment

To be ranked as the best university nationally for student employment outcomes

# One of Australia's top 5 educators of regional and rural students

# Our campuses

Perfectly positioned on North Terrace, our Adelaide City Campus is where cutting edge connects with tradition.

The campus encompasses precincts both east and west of the city. You'll find the latest in teaching and research facilities, along with buildings steeped in history, contemporary spaces and vibrant galleries.

Just seven kilometres east of the city you'll find our Magill Campus, nestled among huge gum trees and set on acres of lush, open green space.

At each of our campuses you'll find modern study and meeting spaces, including cosy student lounges, rooms for private or group study, quiet zones and collaborative areas.

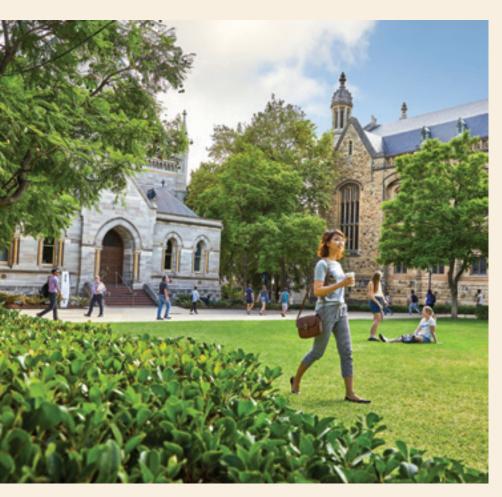

Your creativity will flourish in our world-class facilities which include industry-standard film and television

studios, premier performance venues, dedicated visual arts workshops, technologically advanced architecture spaces, and much more.

Discover vibrant social hubs where you can join a range of clubs or teams and meet friends after class. Unwind and stay active through utilising our on campus sporting fields and fitness hubs.

Enjoy a wide range of dining choices across our Adelaide City Campus precincts including casual favourites such as burgers and salads, plus Vietnamese and Japanese eateries. Or grab something fresh and tasty from one of the modern eateries on campus at Magill.

Our Adelaide City Campus is accessible by train, tram and bus while our Magill Campus can be reached by bus or car with plenty of affordable on campus parking available.

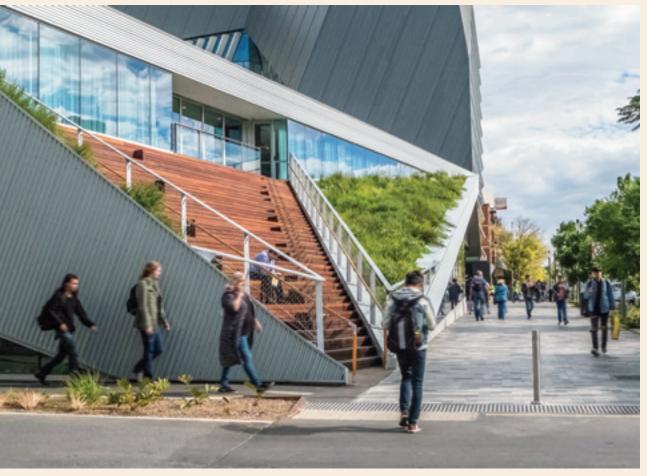

Adelaide City Campus

Magill Campus

# **World-class facilities**

### **Architectural inspiration**

From historical to contemporary, Adelaide University is well equipped to support your architectural learning journey. Immerse yourself in Australia's only architecture museum and explore more than 400,000 items, including architectural drawings, photographs, books and journals with a focus on the twentieth century, circa 1910 to 1980.

Architecture Museum

### **Visual expression**

Explore and develop your artistic practice in our dedicated visual art workshop spaces. You'll find all the tools and equipment you need to express and create across a range of mediums including print making, sculpture, glass, photography, jewellery and metal, ceramics, digital art and more. Be inspired by our on campus galleries including the highly celebrated Samstag Museum of Art and the revered South Australian School of Art (SASA) Gallery.

Jewellery studio

### **Practice and perform**

Whatever your genre of music, dance or performance art, you'll have a range of world-class facilities available to you. Adelaide City Campus is home to Elder Hall, one of Australia's finest concert halls featuring state-of-the-art audiovisual equipment, a Steinway grand piano and a spectacular French Classical organ. Magill Campus houses contemporary recording studios and a purpose-built playhouse, each fitted with industry-standard equipment. From practice to performance, you'll have the spaces and tools to develop your artistry.

Elder Conservatorium of Music

### **Screen ready**

Whether you're studying film and television or visual effects, our industry-standard studios will enhance your learning experience. Be immersed in our film and television studio, which includes one of the state's largest green screens. You'll work with the latest software and hardware including professional-grade cameras, studio sound and lighting equipment, motion capture technology, dedicated editing suites, virtual reality studios and more.

Motion capture technology

# Transformational teaching and learning

### **Enabling educational achievement**

Adelaide University is a place for lifelong learners, thanks to our comprehensive and contemporary curriculum. Our teaching approach is shaped by our partnerships with industry and we have built work integrated learning into our degrees. Our learning practices are supported digitally while also being internationally connected and reflective of our research.

### Fields of study

Adelaide University will offer more than 300 degrees across a wide range of in-demand disciplines. Our comprehensive suite of degrees will produce career-ready employable graduates, from all walks of life, aligned to disciplines and jobs in future areas of demand, including:

- Business and Economics
- Agriculture, Animal and Veterinary Science
- Architecture and Design
- Aviation
- Creative, Media and Communication
- · Computer Science and IT
- Engineering
- · Health and Biomedical Sciences
- · Humanities and Social Sciences
- Law and Justice
- · Mathematics and Data Science
- Medicine, Dentistry and Oral Health
- Music
- Nursing and Midwifery
- Property, Construction and Real Estate
- · Psychology and Social Work
- Science and Environment
- Teaching and Education

# Scholarships

For further information on scholarships visit: adelaideuni.edu.au/study/scholarships

Adelaide University is committed to providing educational opportunities by offering a range of scholarships. We're dedicated to ensuring students from all walks of life can access higher education. A scholarship could be the incentive you need to launch your future with us, and ensure you're prepared to step forward with confidence toward your career goals.

We're here to support your studies and help you thrive at university. Become the best you can be with an Adelaide University scholarship.

### **Adelaide University Vice Chancellor Scholarship**

A scholarship rewarding exceptional academic achievers. Recipients receive a stipend of up to \$10,000 per annum and a 100% fee waiver for up to four years¹.

### **Adelaide University Future Leaders Scholarship**

A scholarship recognising high academic achievers who demonstrate leadership potential and community service. Recipients will receive a stipend of up to \$15,000 per annum for the duration of the degree.

### **Adelaide University Aspire Scholarship**

A scholarship acknowledging academic achievers who demonstrate leadership potential and community service. Recipients will receive a stipend of up to \$5,000 per annum for the duration of the degree<sup>2</sup>.

### **Adelaide University Principals Scholarship**

A scholarship rewarding students who have excelled in their school academically and exhibited qualities of active service to their school and/or community. Recipients are nominated by their school principal and will receive a stipend of up to \$3,000 per annum for three years.

### **Adelaide University Attainment Scholarship**

A scholarship supporting students who demonstrate leadership and active community service within a work, academic or community setting and are commencing university studies through a non-ATAR or equivalent selection rank, ie. International Baccalaureate admissions pathway.

### **Adelaide University Career Catalyst Scholarship**

A scholarship supporting students to develop their careers, with the support of an employer. Eligible recipients will receive a 30% fee waiver for the duration of their degree.

### **Adelaide University Postgraduate Grant**

A grant for students looking to advance their career opportunities or change career direction by commencing a Master by coursework degree. Recipients will receive a one-off payment of \$5,000.

### **Adelaide University Access Scholarship**

A scholarship supporting students who have demonstrated financial barriers to accessing post-secondary study. Recipients will receive an annual stipend of up to \$6,000 per annum<sup>3</sup> for the duration of the degree.

### **Adelaide University Online Grant**

A grant dedicated to students studying online and who have demonstrated financial barriers to accessing post-secondary study and/or reside in a rural, regional, or remote community. Recipients will receive a one-off payment of \$1,500.

### Adelaide University Aboriginal and Torres Strait Islander Leaders Scholarship

A scholarship acknowledging exceptional academic achievement of Aboriginal and Torres Strait Islander students who demonstrate leadership potential or active service in their school or community. Recipients will receive a stipend of up to \$15,000 per annum for the duration of the degree.

### Adelaide University Aboriginal and Torres Strait Islander Aspire Scholarship

A scholarship acknowledging academic achievement of Aboriginal and Torres Strait Islander students who show leadership or active service in their school or community. Recipients will receive a stipend up to \$5,000 per annuum for the duration of the degree.

### Adelaide University Aboriginal and Torres Strait Islander Student Scholarship

A scholarship supporting Aboriginal and Torres Strait Islander students who have demonstrated financial barriers to accessing post-secondary study. Recipients will receive an annual stipend of up to \$6,000 per annum<sup>3</sup>.

- 1 Some degree exclusions apply.
- 2 This scholarship is offered to students who have been shortlisted for the Adelaide University Leaders Scholarship but were not awarded the scholarship, or received a conditional offer but did not meet the 95 Selection Rank criteria.
- 3 Stipend amount will be awarded on severity of financial hardship.

# The Adelaide Attainment Model

We're transforming how you'll study by reimagining the teaching and learning experience. The Adelaide Attainment model is designed for the contemporary learner and supports flexibility and engagement.

# Stackable degree structures

- Enables multiple entry pathways and multiple transition points creating personalised study journeys.
- Provides greater flexibility to support study-life balance.
- Easier credit transfers between degrees.

# Digitally rich learning environment

- Enhances accessibility and flexibility through the latest digital technologies.
- Provides instant content delivery and active-learning and collaboration.

# Integrated learning in industry and community

- Engage in real-world industry, community and professional settings.
- Opportunities for internships, placements, community projects, volunteering, or global study experiences.
- Connect with professional networks while you study.

### Common Core courses

You will be able to select Common Core courses from knowledge areas most valued by employers, including:

### **Artificial Intelligence:**

Introduces the fundamental principles, techniques, and real-world applications of AI.

### Data Knowledges:

Explores data types, sources, and structures, best practices for collecting, managing and analysing data, and strategies for evaluating and communicating information effectively.

## Entrepreneurship and Design Thinking:

Develops the tools and mindset to identify opportunities, develop sustainable solutions, and drive positive change.

### **Ethical Knowledges:**

Uncovers the fundamental principles of moral reasoning and their application to real-world situations.

### **Intercultural Understanding:**

Fosters cross-cultural communication and competency and a deeper understanding of how one's cultural background shapes life experiences.

### First Nations Knowledges:

Learning and centring Aboriginal voices and ways of knowing, being and becoming.

# Graduate qualities

Our curriculum design means you will graduate as a:

### Lifelong learner:

Have enduring passion for personal and professional development.

### **Ethical Leader:**

Do what is right over what is easy.

### Strategic problem solver:

Approach challenges with analytical rigour and creative insight.

### Global citizen:

Respect your role in the world and your capacity to enact positive change.

### Resilient thinker:

Succeed by harnessing critical, creative and adaptable thinking.

### **Trusted communicator:**

Articulate ideas effectively and inspire change.

# **Embedding First Nations knowledges**

First Nations Knowledges are meaningfully embedded into all curriculum through careful and purposeful collaboration with Aboriginal scholars, academics, Elders, Communities and Knowledge Holders. Cultural safety, strengthsbased approaches, and centering Aboriginal voices and ways of knowing, being and becoming are emphasised and integrated across all our study areas.

### The Adelaide Academy

The Adelaide Academy provides a wide range of intercurricular, co-curricular and extracurricular activities across a range of areas, including personal discovery, equity and social change, innovation, leadership for the future, and widening perspectives as well as additional mentoring and work-integrated learning.

### **Equity**

Adelaide University provides equity-aligned pathways to study and personalised support to remove barriers to education. This includes:

- An environment that supports diverse student participation.
- Equitable access to a world-class education for learners of potential.
- Advancing the access, participation and success of First Nations Peoples.
- Supporting you through your university experience to help you succeed in your learning and career journey.

# **Exceptional student experience**

adelaideuni.edu.au/life-at-adelaide/student-life

Adelaide University celebrates diversity and student voices.
Our vibrant and inclusive student community is a place for you to feel empowered, explore your passions and discover your purpose.

We're here to support you on your student journey, from day one. On campus and beyond, you'll have access to dedicated teaching and supporting staff, and a wide range of services.

### Aboriginal student services

Culturally safe and dedicated support services including scholarships, study help, peer mentoring and more, are available to Aboriginal students.

### **Academic support**

Whether you need general study guidance or more specific assistance, we've got you covered. You'll have access to writing, study skills and maths support, along with peer-led learning and 24/7 online support.

### Access and inclusion

If you have a disability, impairment, chronic health condition, or significant caring responsibilities, you can access confidential and personalised advice, adjustments and support to help you reach your study goals.

### Accommodation

Find your home away from home. We'll support you to find and apply for accommodation that's convenient, safe, accessible and right for you.

### **Career services**

Prepare for a lifetime of success. Attend networking and industry events, build career planning and management skills, access job opportunities and more.

### Counselling

Take care of your personal wellbeing with access to qualified counsellors on campus and online. Sessions are free and confidential.

### **Health clinics**

Stay healthy by accessing a range of on campus health clinics at reduced student rates including GP services, physiotherapy, podiatry, psychology and more.

### Orientation

Take the first step toward a fulfilling experience with our Orientation program. Join a campus tour, gain an understanding of your degree, meet people you'll be studying with and enjoy fun activities and events. You'll also be able to participate online.

### Religious needs

Private prayer rooms are available across all our campuses. You can also join a faith-based student group or connect with a range of religious chaplains and pastors on campus.

### Sports and fitness

Join a sports team, take a group fitness class, or hit an on campus gym or pool between classes.
There's something for everyone to stay fit and feel good.

# Student clubs, societies and association

Your student association is the voice and social heart of your student experience. With a wide variety of clubs and societies, you'll be sure to find your people and your passion.

# Pathways to Adelaide University

There are many ways you can gain entry into one of our degrees.

Guaranteed Entry

Grade-based Entry

STAT

Higher Education GPA

VET studies

## Selection rank (ATAR plus adjustment factors)

If you have qualified for the South Australian Certificate of Education (SACE) or hold an equivalent recent year 12 qualification, including the International Baccalaureate Diploma (IB), and have achieved a competitive selection rank, you can use this as a pathway into university.

Your Selection Rank (ATAR plus any applicable adjustment factors) will be used to compete for a place in a university degree. For the majority of our undergraduate degrees, you must not have completed more than 2 years full-time equivalent university study (48 units) to use your year 12 results.

Some degrees take additional factors into account as well as or instead of your ATAR, such as auditions, the University Clinical Aptitude Test (UCAT), oral interviews, etc.

### **Guaranteed Entry**

Guaranteed Entry gives you certainty when applying to study at Adelaide University using your ATAR. Most of our undergraduate degrees have a fixed entry selection rank (including adjustment factors), which means if you achieve that selection rank or higher, and meet any additional admissions criteria such as subject prerequisites, you are guaranteed entry into that degree.

### **Grade-based entry**

If you've completed your SACE and achieved an ATAR, you may also be eligible for entry into some of our most popular degrees based on your grades in selected year 12 subjects. You don't need to apply to be considered for grade-based entry, as this will automatically be done by SATAC on behalf of Adelaide University.

## STAT (Skills for Tertiary Admissions Test)

Never completed year 12 or any other higher education? You may wish to use the Skills for Tertiary Admissions Test (STAT) to gain entry to university. The STAT is a two-hour, multiple-choice test designed to assess a range of skills and knowledge needed to study at university.

The Australian Council for Educational Research (ACER) coordinates the STAT. To sit the test, you'll need to be over 18 years old before 1 February in the year that you wish to commence study. If you have been enrolled in the last two years, you must not have completed more than two years (full-time) tertiary study in total. For more information, visit:

stat.acer.org/au

# **Higher Education GPA** (Grade Point Average)

If you already have completed at least six months (full-time) of a recognised higher education degree at a recognised higher education institution, you can use your Grade Point Average (GPA) to gain entry to Adelaide University.

### **Internal transfer**

Perhaps you gained entry to a degree that wasn't your first preference or, after completing a few courses, have changed your mind about what you'd like to study. You can use your GPA (or any eligible previous qualifications) to apply for what is called an internal transfer. This is an option available to students who may have already started studying in one degree and, for a range of different reasons, would like to transfer into another degree at the same university. Please note that not all degrees are available via internal transfer. If unsure, you can contact our friendly student advisors for assistance.

### Vocational Education and Training (VET) Studies (Certificate IV or higher)

Have you completed a VET qualification at a Certificate IV or higher level? Your completed qualification can gain you entry to many of our degrees.

For students that have studied at either TAFE SA or other Registered Training Organisations (RTOs), most Certificate IV courses (including former Advanced Certificates or equivalent) meet the minimum entry requirements for a wide range of our undergraduate degrees. In some instances, a successfully completed Diploma or Advanced Diploma will be required to meet the minimum entry requirements.

# Preparatory programs at Adelaide University

Adelaide University is committed to providing access to higher education for people from all backgrounds and circumstances in life, and we offer a range of preparatory programs to help you gain entry into your preferred degree.

## Fee free tuition (a student amenities fee is required)

Our Foundation Studies and Aboriginal and Torres Strait Islander Pathway programs provide fee-free pathways to university, regardless of your educational experience. If you do not meet the required qualifications for direct entry into a bachelor degree, these programs provide alternative entry options while helping you adjust to the university environment.

Our preparatory programs set you up to succeed at university by building academic skills and prerequisite knowledge. You'll experience life as an Adelaide University student, learn from expert staff and have access to the full range of support services we provide.

Once you've successfully completed your program, you'll be able to transfer into one of Adelaide University's world-class undergraduate degrees.

### **Foundation Studies**

Foundation Studies is a fee-free program with no tuition fees. A student services amenities fee applies to all university students which can be deferred through the Federal Government HECS-HELP loan scheme. This program supports students with no previous qualifications to learn the skills required for successful university-level study.

It is designed for a range of students, including those who may not have an ATAR, are from regional and remote areas, are first in their family to attend university or who may have spent extended periods of time away from formal education.

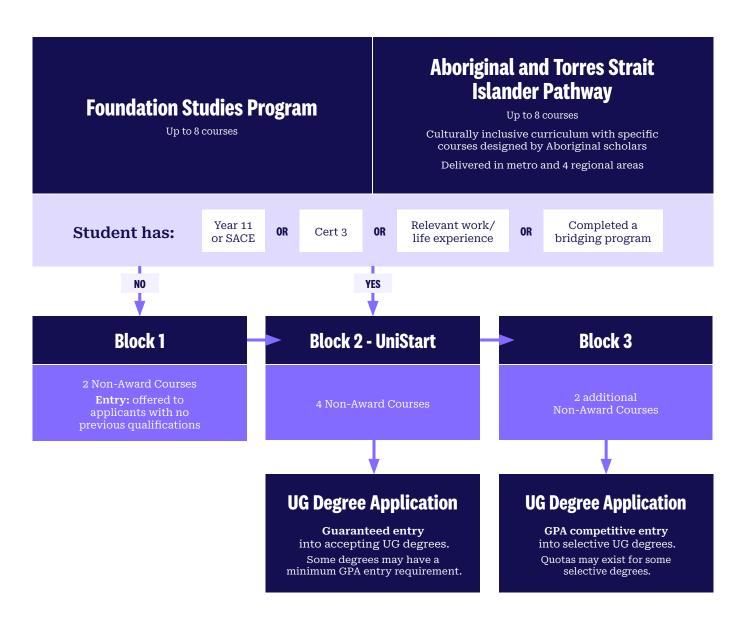

The Foundation Studies program is split into three blocks, with a series of entry, exit and transition points that cater to diverse educational backgrounds and your chosen destination degree.

adelaideuni.edu.au/study/ degrees/foundation-studies

### Aboriginal and Torres Strait Islander Pathway

Adelaide University is committed to becoming a university of choice for Aboriginal Peoples. Our Aboriginal and Torres Strait Islander Pathway is a fee-free program with no tuition fees. A student services amenities fee applies to all university students which can be deferred through the Federal Government HECS-HELP loan scheme. This program is offered also in regional areas, and provides culturally aware entry options and tailored study support. Like Foundation Studies, the Aboriginal and Torres Strait Islander Pathway is split into three blocks, with a series of entry, exit and transition points that cater to diverse educational backgrounds and your chosen destination degrees.

adelaideuni.edu.au/study/ degrees/aboriginal-and-torresstrait-islander-pathway

### **Block 1: preparatory courses**

The Block 1 courses develop your study skills, communication, critical writing, and research, including support in writing academic assignments, referencing and effective time management. These skills and experiences will create a strong foundation for your future at university.

On completion of this program block, you will have developed a comprehensive understanding of the university learning environment and will be able to successfully navigate studying at university. Additionally, you'll be able to communicate effectively in written and oral formats, engage confidently with numeracy, undertake academic research and have developed a tool kit to approach and organise your study.

## Block 2 - UniStart: pathway to guaranteed entry degrees

Students who have completed year 11, SACE or a Certificate 3 can enter the Foundation Studies program or Aboriginal and Torres Strait Islander Pathway directly at Block 2 - UniStart.

Block 2 - UniStart extends your engagement with the higher education learning environment and provides foundational knowledge and skill development for your intended destination degree. The courses are designed to develop critical thinking and foster an understanding of university and career pathways while developing foundational knowledge and skills in your chosen discipline.

On completing Block 2 - UniStart, you'll be guaranteed access to a range of accepting degrees, noting that some undergraduate degrees may require a minimum GPA to qualify.

## Block 3: pathway to selective entry degrees

Block 3 is designed to provide a pathway for students wanting to enter selected Adelaide University undergraduate degrees. The courses in this block build on the foundational discipline concepts established in Block 2 - UniStart, and will extend your knowledge to help you meet the entry criteria for your chosen degree.

Completing Block 3 qualifies you to apply to selective undergraduate degrees based on your GPA. Some selective undergraduate degrees with limited numbers of professional placements set caps on the intake, and entry may be competitive.

# Steps to success

### STEP 1

### **Explore your study options**

Researching your study options is an important first step, and there are many different tools and resources available to help you. You could start by reading through this brochure or head online to explore our website:

### adelaideuni.edu.au/study

Attending our Open Day is another great way to get a feel for what university life is like and to learn about the range of services available to support you during your university studies. You could also book a time to chat with one of our friendly future student advisors to ask any specific questions you may have.

## STEP 3

### **Apply via SATAC**

Applications open in early August for study commencing in the following year. You can apply for your chosen degrees through the SATAC website.

Before you apply, it's a good idea to familiarise yourself with the application process. This includes things like key dates and deadlines for applications, as well as SATAC fees and charges and when to pay. For more information, visit the SATAC website.

### Useful links

Find your Adelaide University degree: adelaideuni.edu.au/study

Have an enquiry: adelaideuni.edu.au/study/enquire

Scholarships:

adelaideuni.edu.au/study/scholarships

SATAC:

satac.edu.au

### STEP 2

# Check you meet the eligibility and entry requirements

All degrees have entry requirements—these are specific criteria you have to meet in order to be eligible for entry into a degree. Each degree will have different entry requirements, so it's important to find out what these are for your chosen degree and make sure you can meet them.

Entry requirements can include things like:

- Prerequisites you will need to complete either during your high school (SACE/IB) studies, bridging courses or approved alternatives.
- Assumed knowledge topics that, while not essential for admission into a degree, will help prepare you for many of the topics you'll study during your degree.
- Non-standard entry requirements, such as: attending an interview, undertaking additional assessments (e.g. the UCAT ANZ), performing an audition, submitting a written statement or creative portfolio.

### STEP 4

### Keep your preferences up to date

As part of your SATAC application, you'll be asked to list up to six preferences—these are the six degrees you are most interested in studying. SATAC makes offers by working down your preference list, so it's important to make sure your first preference is the degree you want to study most.

If you change your mind after you've submitted your application, don't worry! SATAC allows you to check and change your preferences as many times as you want before the cut-off date for your specific offer round. For a list of key dates, visit SATAC's website.

Helpful tip: Be sure to include some 'back up' options on your application. If you need support in choosing the best back up options or pathways into your dream degree, get in touch with our friendly future student advisors.

## STEP 5

### Check your offer

SATAC run several smaller offer rounds, one main offer round, then continue to make offers in the lead up to the start of the study period you applied for. SATAC makes offers to the highest preference for which you are eligible. This means the degree you most want to study should be your first preference. Remember to check all email folders—including your spam folder—for your offer.

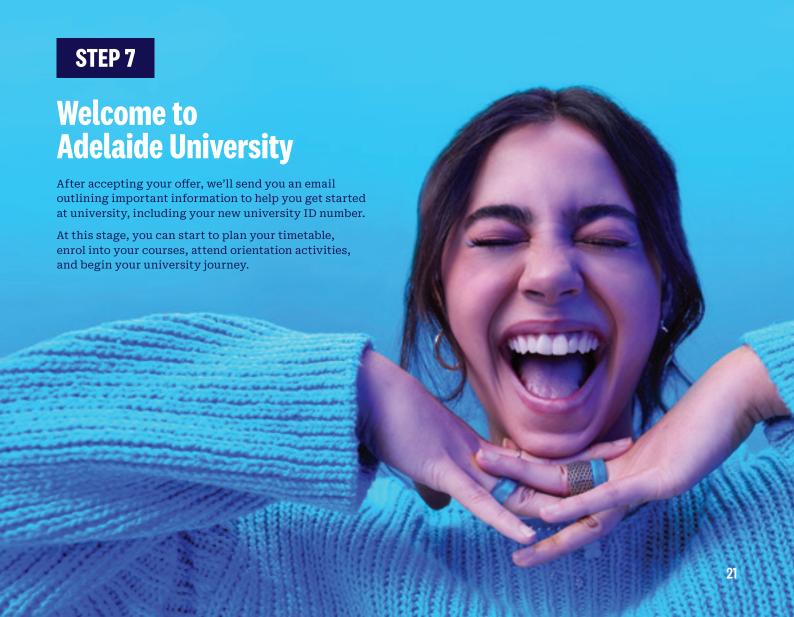

Helpful tip: Didn't receive an offer for your first preference? Don't stress—you could still be considered for future rounds!

## STEP 6

### **Accept your offer**

An offer email will be sent to the email address you provided on your SATAC application. If you have received an offer you don't need to respond, as SATAC will accept the offer on your behalf. If you would like to defer your offer until the following year, you will need to log in to your application through the SATAC website and change the response to the 'defer' option.

If the offer you received was for a degree that is not your first preference, SATAC will accept the offer but note that you would still like to be considered for an offer to your higher preference(s).

# ARCHITECTURE AND DESIGN

### **Degrees**

### Undergraduate

Bachelor of Architectural Design

Bachelor of Graphic Communication Design

Bachelor of Industrial Design

Bachelor of Interior Architecture (Honours)

### **Postgraduate**

Master of Architecture

Master of Design

Master of Landscape Architecture

Master of Urban and Regional Planning

### **Build your future**

Shape the world we live in through designing buildings, landscapes, furniture or products that deliver function, beauty and sustainability. Supported by our award-winning and industry experienced teaching staff you'll learn to design and create innovative spaces, places and products that influence how we engage and interact.

You'll develop a high level of proficiency with essential industry technology relevant to your area of study including computer-aided design (CAD), building information modelling (BIM), 3D modelling, virtual reality (VR) and more.

Hands-on learning opportunities that go beyond the classroom, including industry projects, internships and study tours, will provide you with valuable real-world experiences.

### World-class research

Your learning will be informed and supported by world-class research that focuses on emerging design practices and innovation that enhances quality of life and minimises environmental impact. You'll also have access to Australia's only internationally-recognised architecture museum with a collection of over 400,000 artefacts to explore and enhance your learning.

### **Career prospects**

Increased demand for housing has seen Australia experience a national shortage of architects\*, and significant future demand is expected, while the impacts of climate change are driving demand for professionals with the skills and knowledge to create sustainable, clean and energy-efficient places and products\*.

\*Jobs and Skills Australia, 2024

\*Evolution of Australian Architectural Trends, Archify, 2023

# CREATIVE

### **Degrees**

### Undergraduate

**Bachelor of Creative Arts** 

Bachelor of Film and Television

Bachelor of Fine Arts

Bachelor of Illustration and Animation

Bachelor of Visual Effects

### **Postgraduate**

Graduate Certificate in 3D Animation

Graduate Certificate in Creature Effects

Graduate Certificate in Compositing and Tracking

Graduate Certificate in Dynamic Effects and Lighting

Graduate Certificate in Film and Television

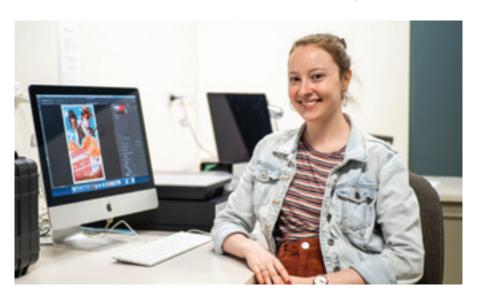

Master of Immersive Media Technologies

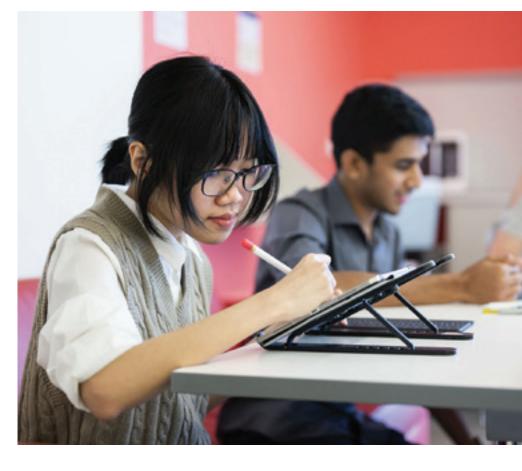

Create, inspire and influence though a variety of media and communication mediums. Our degrees have been designed in consultation with industry to ensure you develop essential content creation, communications, research and analytical skills that are both highly relevant to your chosen media or communication pathway and transferrable across industries.

Guided by our world-class teaching staff you'll explore the latest issues, trends and technologies across the media and communication landscape, and learn to leverage these to connect with your audiences.

You'll undertake work integrated learning opportunities such as internships and industry projects, including immersive learning experiences directly alongside industry heavyweights.

### World-class research

Your learning will be informed and supported by world-class research. Many of our teaching staff have national and international research profiles within their field of expertise and most are actively engaged with industry. Our research focuses on the complex interaction between media, individuals and societies in evolving technological, political and cultural environments.

### **Career prospects**

In an era where content is expected on-demand at a rapid pace, the need for skilled communication and media professionals has never been higher. It's expected that employment growth for the majority of media-related roles will continue to be moderate to very strong into the future.\*

\*Australian Government, Labour Market Insights, 2023

# MUSIC

### **Degrees**

### Undergraduate

Bachelor of Music

Bachelor of Music (Honours)

Bachelor of Music Theatre

### **Postgraduate**

Master of Music (Performance and Pedagogy)

Master of Music (Performance Studies)

## The centre of musical innovation

Music is the universal language of the world. It can bring people together, convey emotions and nourish our soul. Whatever your genre of choice, from classical to contemporary - or pursuing a professional pathway - you'll benefit from a world-class curriculum supported by expert, industry-connected teaching staff.

You'll develop your theoretical, technical and practical skills and knowledge to take your music career to the next level in a supportive and highly creative environment. From guest instruction and mentoring by leading industry figures, to networking opportunities, performance showcases and industry internships, we'll support you to reach for your dreams.

### World-class research

Your learning will be informed and supported by world-class research and industry connections. Adelaide University is home to the renowned Elder Conservatory of Music, one of Australia's most respected musical institutions, and the Sia Furler Institute of Contemporary Music and Media which is leading the way in interdisciplinary creativity.

### **Career prospects**

Driven by innovation, technological evolution and a global appetite for creative content, demand for skilled professionals is at an all-time high. It is projected that the creative industries will grow by around 40% by 2030, offering more than 8 million new jobs globally.\*

\*The future of the creative economy, Deloitte UK

## **Bachelor of Architectural Design**

Duration: 3 years full-time Campus: Adelaide City

### Why this degree

Architects are big thinkers, pairing artistic talent with technical innovation to shape the built structures of tomorrow. They bring aesthetics, technology, ethics and the environment together to create functional buildings, structures and living spaces. Whether you're a design enthusiast or eager to modernise the built environment, an architectural design degree will set you up for a variety of diverse and fulfilling careers. An ever-evolving profession that is constantly in demand, there's no limit to where architectural design could lead you.

### **Career outcomes**

You'll graduate with the ability to develop and professionally implement design ideas, and may choose to work as one of the following:

- Architect\*
- Draftsperson
- Urban designer
- · Environmental designer
- · Architectural technician
- · Heritage consultant.

You might design eco-friendly social housing for a growing community. You could engage in public policy, sparking new ideas and strategies to ensure heritage sites are kept intact and their cultural significance valued. Perhaps you might help plan the next big film set or design a world-class concert hall.

\*If you wish to work as an architect in South Australia you will need to successfully complete our Master of Architecture or an equivalent postgraduate degree and complete the registration requirements of the local registration authority. We do have a packaged offering.

## **Bachelor of Architectural Design majors**

Bachelor of Architectural Design majoring in Urban Planning

Campus: Adelaide City

Plan the next smart city or conserve cherished heritage sites through a Bachelor of Architectural Design (Urban Planning). You'll learn how to design, develop and manage architectural and urban projects of varying scales and complexities to deliver sustainable urban solutions. Graduate with the fundamental skills needed to tackle design challenges along with urban and regional planning theory vital for shaping responsible built environments.

\*To work as an Urban and Regional Planner, further study in the Master of Urban and Regional Planning is required.

### **Bachelor of Creative Arts**

Duration: 3 years full-time Campus: Adelaide City, Magill

### Why this degree

Ready to work in an industry that inspires, entertains and enriches our cultural landscape?

Through our Bachelor of Creative Arts, you'll be empowered to put your creativity to use and help shape our society and culture.

Curate your own career pathway by gaining skills across a range of creative disciplines. Build an entrepreneurial mindset and a deep understanding of the arts and cultural sector by connecting with leaders in the creative field.

Combine your creativity with professional know-how. Become a champion of the arts. Help to shape our cultural world.

#### **Career outcomes**

A creative arts degree can open doors to a wide range of careers that align with your interests and passions.

You could become a creative practitioner – think writer, web designer, or content creator. Or you could work in a professional role within the creative industries through jobs like an arts administrator, festival manager or cultural liaison officer.

You could find work in the public or private sector, in areas such as:

- · Digital media
- Publishing
- · Museums and galleries
- · Entertainment, festivals and events
- Community arts and cultural development
- · Urban renewal
- Policy development.

This degree also provides a pathway for further postgraduate study or research.

### **Bachelor of Creative Arts majors**

**Bachelor of Creative Arts majoring in Comicbook Creation** 

Campus: Adelaide City, Magill

Comics are so much more than superheroes in capes. They are a powerful medium for personal expression and social commentary; a way to address complex issues in an accessible way. If you love comics, graphic novels and cartoons, you can turn your passion into a viable career at Adelaide University.

Network with established creatives and build a standout professional portfolio. Meet like-minded peers. Get familiar with the comic book market and publishing landscape. Take your artistic techniques, character development and storytelling to the next level.

Soon, you could be joining the ranks of influential creators and contributing original works to the comic book industry.

### **Bachelor of Creative Arts majoring in Creative Industries**

### Campus: Adelaide City, Magill

The creative industries provide ways to help advocate for social change and bring new ideas to life.

With a Bachelor of Creative Arts majoring in Creative Industries you'll set yourself up with the skills, knowledge and industry connections to lead in this dynamic field. Curate your degree to match your career goals when you choose a second complementary major in a creative area that interests you the most. Collaborate with industry on a real-world project and develop your leadership skills.

Graduate culturally aware with a business mindset, ready to lead in the creative workforce.

### **Bachelor of Creative Arts majoring in Creative Writing**

### Campus: Adelaide City, Magill

Can poetry change the world?

For millennia, humans have used stories to educate, entertain, and inspire. Stories play an important role in shaping human beliefs, values and culture – and help us make sense of the world.

Creative writing focuses on storytelling, character development, and emotional engagement. It can take many forms – from fiction such as novels, short stories, poetry, and screenplays to creative non-fiction such as memoirs or travel writing. The act of writing can also be a deeply personal and emotional process, requiring vulnerability.

If wordsmithery is your wheelhouse, the Bachelor of Creative Arts majoring in Creative Writing is for you.

## **Bachelor of Creative Arts majors**

## Bachelor of Creative Arts majoring in Digital Media and Web Design

### Campus: Adelaide City, Magill

Do you dream of designing websites or digital experiences that millions will interact with? Adelaide University's Bachelor of Creative Arts majoring in Digital Media and Web Design prepares you for a creative career in the digital space. Explore the principles of user experience design to create interfaces, websites and new interactive experiences. Examine where digital media sits in our social, cultural and political systems. Gain real-world experience through internships and industry projects and build your own professional portfolio. Graduate with a mix of technical skills, creative confidence and business know-how. Step into this in-demand industry ready to make an impact.

### **Bachelor of Creative Arts majoring in Festivals**

### Campus: Adelaide City, Magill

Become a headline act in the thriving arts and cultural industry. Located in Australia's 'Festival State', Adelaide University's Bachelor of Creative Arts majoring in Festivals is designed to immerse you in our state's festival scene. Gain practical skills in event management and festival curation. Explore concepts like the role festivals play in our community, society and culture. Graduate with the practical skills and entrepreneurial mindset to make your mark on the festival sector.

## **Bachelor of Creative Arts majoring in Games Design and Production**

### Campus: Adelaide City, Magill

In game design, passion and perseverance are everything. Ready to level up?

Explore the theories, tools and techniques behind games and interactive media development. Learn storytelling approaches across a range of platforms and formats. Undertake an internship aligned to your career goals. Connect with professionals in the field. Learn to be a real team player, putting your creativity to work in a fun and commercially viable medium.

You'll build the business skills needed to stay savvy in game design, graduating with a broad and versatile portfolio. You'll be ready for exciting roles in a growing industry – whether as a game designer, artist or producer.

### Bachelor of Creative Arts majoring in Immersive Media

### Campus: Adelaide City, Magill

Technology is changing the way we deliver and consume content. We can tell stories, educate and create interactive experiences with immersive media. In the Bachelor of Creative Arts majoring in Immersive Media at Adelaide University, you'll learn how to create content for virtual (VR), mixed (MR), augmented realities (AR) and other immersive platforms.

You'll also gain professional experience along with creative and entrepreneurial skills.

Become an immersive experience designer, employable across the creative industries and changing how we see and interact with the future.

### **Bachelor of Creative Arts majoring in Performing Arts**

### Campus: Adelaide City, Magill

Performance art has the power to inspire, educate and ignite change. This is your stepping stone to entering and succeeding in the competitive entertainment industry.

Pursue your creative talents. Push yourself out of your comfort zone. Take your performance skills to the professional level. Create your own plays, film scripts and musical compositions. Connect with industry professionals and advance your creative vision, teamwork and technical expertise.

You'll graduate ready to inspire and entertain, whether in community theatres, on movie sets or in concert halls.

### **Bachelor of Creative Arts majoring in Screen Production**

### Campus: Adelaide City, Magill

Is your dream job making films, TV shows or digital media? Screen production gives you the tools to bring your ideas to life and be part of the filmmaking process.

In the Bachelor of Creative Arts majoring in Screen Production, you'll cultivate your creativity as you create exciting and engaging films that audiences will love. Working solo, or in productions teams, you'll plan and carry out every stage of screen production.

Express your creativity with storytelling, directing, and visual composition. Develop teamwork and leadership skills working on group projects. The entertainment and digital media industries are huge – and expanding – so there is high demand for screen production pros.

### **Bachelor of Film and Television**

Duration: 3 years full-time Campus: Adelaide City, Magill

### Why this degree

Step behind the camera or craft the next exciting script and bring your creative vision to life.

Work on real-world projects with industry professionals and academic staff connected to the film and television world. Oversee the big picture and learn how to secure funding for major projects, create the visual look of a show or film, cut and arrange footage in post-production, or select actors for roles.

Access state-of-the-art equipment and studios and expand your practical skills using industry-standard technology. You'll learn every stage of the production cycle, from conceptualisation and scriptwriting to production and post-production.

Graduate with a portfolio of work in a range of areas and tell your stories. Equip yourself with the technical expertise and collaborative skills to succeed in this growing industry.

### **Career outcomes**

Careers in film and television offer a diverse array of opportunities, depending on your interests and skills. Roles in the industry range from creative positions like directors, screenwriters and cinematographers to technical jobs like sound engineers, set designers and production assistants.

A career in film and television can be rewarding if you are passionate about storytelling and willing to navigate the competitive landscape of the industry. You might be the next Martin Scorsese, directing iconic and timeless films for Hollywood. You might manage the auditory elements of a production, including sound effects and mixing. You might even create and manage content specifically for streaming services like Netflix and Disney+.

Career outcomes can include:

- Director
- Filmmaker
- · Documentary and factual television creator
- · Online content creator
- Video editor
- Screenwriter
- Cinematographer
- · Film or television producer
- · Production manager.

### **Bachelor of Fine Arts**

Duration: 3 years full-time Campus: Adelaide City, Magill

### Why this degree

Love art and want a sustainable career? We'll give you the tools to turn creative expression into a profession.

Bring your ideas to life in dedicated studios and workshops. Build a formidable creative portfolio. Connect with Adelaide's vibrant network of galleries, studios and artist-run initiatives.

Expand your skills. Gain confidence and find your voice. Collaborate with peers, artists and mentors.

You'll graduate ready to build your career as a successful working artist.

#### **Career outcomes**

Graduates of the Bachelor of Fine Arts can build careers as artists and makers, but an artist's skills also have much broader application including:

- · Art education
- Arts and festival administration
- · Art writing and criticism
- · Gallery management and curation
- · Glass, ceramics, and jewellery design
- · Set design and construction for film and theatre
- Public art coordination
- · Community cultural development.

Or you can go on to further study with a Master's degree or a PhD in Fine Arts to take your skills, networks and career prospects to the next level.

# Bachelor of Graphic Communication Design

Duration: 3 years full-time Campus: Adelaide City, Magill

### Why this degree

Want a career where every day you put your creative skills to use? You'll bring ideas to life through innovative design and striking visuals.

From crafting memorable brand identities and infographics, to packaging solutions, websites and dynamic motion graphics, you'll transform concepts into powerful messages that inform, influence and inspire.

Work on real-world projects in state-of-the-art design studios, honing your craft while exploring diverse media – from print to digital.

Whether you're designing for publishing, branding or digital media platforms, an exciting and creative career in graphic communication design is waiting.

### **Career outcomes**

With a degree in graphic communication design, you could step into the role of a graphic designer, creating visually stunning and impactful designs that capture attention. You might also become an art director, guiding creative teams to bring innovative projects to life.

Perhaps you'll explore content creation, producing engaging visuals for websites, social media and marketing campaigns.

There are also exciting opportunities in UX design, where you could enhance user experiences through intuitive and aesthetic interfaces.

As a graduate, you'll be equipped to work in diverse sectors, from design consultancies, advertising agencies and tech companies to non-profits and corporate environments.

Your skills will open doors in branding, multimedia production and digital marketing. You'll be able to impactfully make your mark in the dynamic world of visual storytelling.

The possibilities are limitless when you embark on your creative career journey.

### **Bachelor of Illustration and Animation**

Duration: 3 years full-time Campus: Adelaide City, Magill

### Why this degree

Ready to transform your creativity into stunning illustrations and animations?

Create compelling pictures for a broad range of industries using 2D, 3D and stop-motion animation. Develop expertise in character design, digital effects, visual storytelling, and pictures for virtual and augmented reality.

The world of illustration and animation is constantly evolving as technology advances. From traditional painting and drawing to immersive augmented reality experiences and visually rich virtual worlds, you'll blend imagination with technology.

Whether you're illustrating for children's books, developing comics, animating characters for blockbuster films or designing vibrant artwork for games and apps, this career path lets you shape the future of education, entertainment and information through pictures.

#### **Career outcomes**

With a degree in illustration and animation, you could become an animator, crafting vibrant, lifelike characters and immersive worlds. Maybe you'll get a dream job working with Disney or Pixar. Or you could become an illustrator, creating artwork for books, comics, magazines or digital media. Perhaps you'll become a game designer, building immersive worlds packed with rich details, epic challenges and engaging stories that keep players coming back for more.

As a graduate, you'll have the skills to work in a range of settings, from film studios and gaming companies to advertising agencies and publishing companies. A world of creative possibilities awaits, where your talents can transform ideas into stunning illustrations or animations that inspire and captivate.

## **Bachelor of Industrial Design**

Duration: 3 years full-time Campus: Adelaide City, Magill

### Why this degree

Design with a difference. Excellent design hides in plain sight. When products work as expected, we hardly think about them. It's only when they are hard to use or prevent us from being able to achieve what we need to do, that we take notice.

Industrial designers create products and environments that are useable by all people, to the greatest extent possible. When crafting designs, they consider many factors including useability, aesthetics, materials, manufacturing processes, cost and sustainability.

View the world from different perspectives and discover how to tackle complex design challenges with creativity.

### **Career outcomes**

Graduates of this degree will qualify to work as industrial designers. With your versatile design knowledge and technical skillset, you'll be able to pursue dynamic careers across a variety of industry sectors. Some industrial designers choose to focus their expertise on a specific product category – like consumer electronics. Whereas others may prefer agency roles that allow them to work on lots of different kinds of projects.

You could work in a government infrastructure department, designing inclusive, community play spaces that enable children of all ages and levels of ability to play alongside their peers. Maybe you'll work in the packaging industry, utilising natural materials to create more sustainable types of packaging such as edible, single-use cutlery. Or perhaps you'll work in a design consultancy firm, working on a wide range of client projects that span across multiple industries.

Whatever your area of interest, career paths are available in a wide range of areas including:

- Assistive technology
- Car interior design
- Custom fabrication
- · Fashion and footwear
- Heavy equipment design
- Homewares and soft furnishings
- · Injection moulding
- · Machinery and equipment design
- Stage, set and prop design
- · Transportation design
- User experience (UX) design
- · Wearable technology
- · Web and e-commerce interface design.

## **Bachelor of Interior Architecture (Honours)**

Duration: 4 years full-time Campus: Adelaide City

### Why this degree

Push the boundaries of interior design and tackle complex, idea-driven challenges. With a focus on innovative, sustainable and inclusive human-centred design, explore advanced concepts that shape the future of interior spaces.

Learn to re-imagine how interior environments influence human behaviour, wellbeing and social interaction. Take your passion for design beyond aesthetics to create impactful spaces that cater to both the present and future needs of communities.

Transform everyday spaces into ones that foster connection, creativity and sustainability.

Your design skills will go beyond simply creating, they'll address real-world issues and set you apart in a dynamic industry.

#### **Career outcomes**

Graduates of the Bachelor of Interior Architecture (Honours) can pursue a range of advanced career paths. You could become an interior designer, creating both functional and aesthetically rich environments for residential or commercial spaces.

You are also well prepared for specialised roles such as a sustainability consultant, guiding organisations towards environmentally responsible practices. Or you could work as a design manager, leading multidisciplinary teams on complex projects.

Other career opportunities include:

- · Adaptive re-use specialist
- Interior designer for heritage preservation
- Place maker with a focus on interior public spaces
- · Exhibition or event designer
- · Furniture or lighting designer
- Project manager.

# Bachelor of Music majoring in Classical Performance

Duration: 3 years full-time Campus: Adelaide City

### Why this degree

Develop your creativity and musical talent and communicate with audiences at the deepest level.

Be part of an enduring and powerful art form by studying a Bachelor of Music majoring in Classical Performance. Inspire and be inspired. Broaden your horizons by learning to play in ensembles. Strengthen your collaborative skills and versatility as a musician.

#### **Career outcomes**

Careers in classical music require dedication and passion. Connect with audiences all over the world as a classical performer with orchestras, chamber ensembles and choirs. With a Bachelor of Music majoring in Classical Performance, you can launch a career on any stage.

You might also pursue the following careers:

- Performer
- · Music coordinator
- · Music director
- · Music educator
- · Music tutor.

# Bachelor of Music majoring in Creative Practice

Duration: 3 years full-time Campus: Adelaide City

### Why this degree

Are you creative with a passion for your own music? Captivated by writing for orchestra? Love music technology and behind-the-scenes elements of music production? Do you see yourself touring, performing to thousands?

With a Bachelor of Music majoring in Creative Practice, you'll create the next generation of music for the entertainment industry. You'll compose, record and perform music, while working closely with other artists and bring your ideas to life. Maybe you'll write music for the world's biggest stages. Perhaps you'll create video game soundtracks. Get ready for career opportunities spanning music composition, song writing, recording and music technology.

### **Career outcomes**

Your degree will unlock a range of careers. Perhaps you'll compose award-winning scores for film or video games. Maybe you'll fill the seats of prestigious concert halls, musical theatres, or music festivals. You might work behind the scenes, recording and producing other artists, or develop breakthrough creative technologies with AI.

You could also pursue the following careers:

- Composer
- · Contemporary recording artist
- Content creator
- Music educator
- Music journalist
- Music producer
- Music researcher
- Music technologist
- Orchestrator
- · Radio broadcaster
- Song writer
- · Sound engineer.

# Bachelor of Music majoring in Jazz Performance

Duration: 3 years full-time Campus: Adelaide City

### Why this degree

Jazz has improvisation at its core; it requires you to make quick decisions in the moment and communicate with your band mates and audience.

To master jazz, you'll need to expand your music theory and harmonic knowledge. You'll need to become comfortable with every corner of your instrument and improve your ear. Develop these skills and more with a Bachelor of Music majoring in Jazz Performance. Get ready to find your own musical dialect and become a highly skilled, versatile and dynamic artist.

### **Career outcomes**

Jazz music is an improvisational genre known for its syncopated rhythms and diverse musical influences. As an expert in jazz performance, you could pursue a diverse set of careers. Maybe you'll open your own jazz club. Perhaps you'll play in bands, ensembles, or perform as a solo artist.

You could also pursue the following careers:

- · Creative performer
- Composer
- · Band leader
- Music educator.

# Bachelor of Music majoring in Music Education

Duration: 3 years full-time Campus: Adelaide City

### Why this degree

Make a sound investment of your time nurturing musical talent.

With a Bachelor of Music majoring in Music Education, you'll empower musicians, helping them find their voice. Advance your knowledge in music theory and performance. Learn how to teach your passions. Be there as your students experience breakthrough moments. Foster creativity and musical skills in students of all ages. Make an impact your students won't forget.

### **Career outcomes**

Ener a fulfilling career sharing your passion for music with your students. As a Bachelor of Music graduate majoring in Music Education, you'll be ready for opportunities across various educational settings. Maybe you'll provide one-on-one music lessons in schools or run your own tuition business. Perhaps you'll develop new methodologies for teaching students, allowing them to experience music in ways they'll never forget.

You could also pursue the following careers:

- Composer
- Music coordinator
- Music educator
- Music festival director
- · Music journalist or critic
- Music producer
- Music researcher
- Music tutor
- Musician
- · Recording artist.

Note: additional study like our Master of Teaching (Secondary) degree is required to be eligible for classroom teacher registration in South Australia.

# Bachelor of Music (Honours) majoring in Classical Performance

Duration: 4 years full-time Campus: Adelaide City

### Why this degree

Refine your classical performance skills and challenge yourself as a musician.

With a Bachelor of Music (Honours) majoring in Classical Performance, you'll discover your full potential. Learn how to stand out among your peers. Build research skills to broaden your career prospects. Perfect your craft and become a more confident performer. Benefit from unique opportunities, including our partnership with the Adelaide Symphony Orchestra and Australian String Quartet. Start building your dream career.

#### **Career outcomes**

As a graduate, you'll be ready to excel as a classical musician or continue your studies into music research. Make a name for yourself as a classical pianist with a sound so unique, you're instantly recognised.

You could also pursue the following careers:

- Conductor
- · Elite performer
- Music critic or journalist
- Music scholar.

# Bachelor of Music (Honours) majoring in Creative Practice

Duration: 4 years full-time Campus: Adelaide City

### Why this degree

Keen to expand your job prospects by developing your research skills? Want to learn how to produce music that makes waves, or develop groundbreaking music technology?

Our Bachelor of Music (Honours) majoring in Creative Practice will take your career to new heights. Master your music composition, song writing, recording and production abilities. Conduct and share research in an area of creative practice you're passionate about. Take advantage of the growing opportunities available through music technology and research.

#### **Career outcomes**

Your comprehensive knowledge and skills across music composition, songwriting, and music technology will unlock a range of careers. Maybe you'll compose awardwinning scores for a musical or a chart-topping album. Perhaps you'll develop groundbreaking technology that reshapes the music industry. Either way you'll open doors to the possibilities of postgraduate research.

You could also pursue the following careers:

- · Contemporary recording artist
- Content creator
- Music educator
- Music journalist
- · Music producer
- · Music researcher
- · Music technologist
- Orchestrator
- Radio broadcaster
- Song writer
- · Sound engineer.

## Bachelor of Music (Honours) majoring in Jazz Performance

#### Why this degree

Develop a unique style and advance your jazz performance training.

Our Bachelor of Music (Honours) majoring in Jazz Performance will help you stand out from the crowd. Build your research skills, seeking answers to questions no one else is asking in the music world. Challenge yourself with advanced coursework. Gain a completive edge and broaden your career prospects. No matter your end goal, this degree will launch you into the career of your dreams.

#### **Career outcomes**

Prepare for a wide range of careers with your advanced jazz performance skills and expertise. Want to travel the globe as a jazz performer? How about contribute to music journals, tracing the influence of jazz music through the ages? An Honours degree in Jazz Performance will get you there.

You could also pursue the following careers:

- Music critic or journalist
- Music historian or scholar
- Musician
- Performer.

## Bachelor of Music (Honours) majoring in Music Education

Duration: 4 years full-time Campus: Adelaide City

#### Why this degree

Advance your musical knowledge and become a remembered music educator. Develop your research capabilities, asking questions that could change the course of music education. Improve as an educator and performer. Make an impact with your innovative teaching methods. With the Bachelor of Music (Honours) majoring in Music Education, you'll differentiate yourself from your peers and expand your career prospects.

#### **Career outcomes**

As a graduate, you'll unlock a variety of roles in music education. Maybe you'll work as a curriculum developer, designing new and innovative music curricula for schools. Perhaps you'll be a choir director, managing auditions, rehearsals, program selection, conducting and vocal coaching.

You might also pursue the following careers:

- Music coordinator
- · Music festival director
- Music journalist or critic
- Music educator
- Musician.

Note: additional study like our Master of Teaching (Secondary) degree is required to be eligible for classroom teacher registration in South Australia.

## Bachelor of Music (Honours) majoring in Musicology

Duration: 4 years full-time Campus: Adelaide City

#### Why this degree

Do you believe in the power of music? Want to discover its full potential?

Deepen you understanding of music's role in society with our Bachelor of Music (Honours) majoring in Musicology.

Explore all aspects of music theory – including its cultural, historic and psychological significance. Enhance your research skills. Gain a competitive edge in the job market. Ask unique questions in musicology and conduct important research that could change lives. Advance your communication skills and subject knowledge, ready to discover greater opportunities in music.

#### **Career outcomes**

The Bachelor of Music (Honours) majoring in Musicology will boost your employability and prepare you for a range of careers in music. You could pursue a career as a musicologist, researching key trends, influences and impacts of music. You might become a university lecturer, exposing students to critical aspects of music theory. Perhaps you'll pursue PhD studies to further your knowledge in musicology.

You might also consider the following careers:

- · Cultural heritage officer
- Music educator
- Music historian
- · Music journalist or critic
- Music librarian
- · Music researcher.

Note: additional study is required to be eligible for classroom teacher registration in South Australia.

#### **Bachelor of Music Theatre**

Duration: 3 years full-time Campus: Adelaide City

#### Why this degree

Enjoy the limelight of being centre stage? Want to become a 'triple threat' performer?

If you are a creative and collaborative individual with a love for acting, singing and dancing – this degree is for you. Join the vibrant community of music theatre. Learn how to captivate and entertain audiences all over the world. Maybe you'll see your name in lights as a performer on Broadway. Perhaps you'll pursue opportunities in choreography, composition or theatre production. Steal the stage and bring your creative ideas to life with a Bachelor of Music Theatre at Adelaide University.

#### **Career outcomes**

Our degree will equip you with the dynamic performance skills and essential knowledge to work across various areas of music theatre and the arts. You might work as a performer, touring the world as part of the cast of Wicked. Maybe you'll be a music theatre writer, producing the next highest grossing show on Broadway.

You might also like to pursue the following careers:

- Acting director
- Actor
- Artistic director
- · Arts manager
- Backstage assistant
- Backup singer
- Choreographer
- Dancer
- · Music theatre writer
- Performer.

#### **Bachelor of Visual Effects**

Duration: 3 years full-time Campus: Adelaide City, Magill

#### Why this degree

Transform your creative ideas into captivating visual effects (VFX) for audiences in film, video games and beyond.

Become a multidisciplinary VFX professional with skills across a range of relevant areas including compositing, tracking, creature effects, photorealistic lighting, 3D modelling, and 3D animation. With a career in visual effects, you might create seamless final shots for CGI-based blockbuster films, design alien worlds for science fiction films, or bring objects to life in fantasy films.

Expand your technical skills and creative techniques under industry guidance with a degree from Adelaide University. Work on practical projects and build a portfolio of work that showcases your talents in visual effects production.

The Bachelor of Visual Effects is a specialist degree, co-delivered with multi-award-winning studio, Rising Sun Pictures – ensuring you graduate ready to enter the global screen and media industry.

#### **Career outcomes**

A career in visual effects blends creativity with technology to bring imaginations to life on screen. The demand for skilled VFX artists is growing across multiple industries including film, television, games, and virtual reality (VR).

You might design and build CG sets, assets and characters for the next big children's animated television series. Maybe you'll bring to life real or mythical digital creatures, ensuring their movement, skin and fur is photorealistic. You might even seamlessly composite live-action footage with CG elements or backgrounds in blockbuster films and episodic series for Marvel and Disney.

Careers in the field are dynamic and exciting, with a variety of VFX roles including:

- 3D animator
- FX artist
- · Lighting artist
- Compositor
- Concept artist
- · Paint and roto artist
- Match move artist
- DMP artist
- 3D modeller
- Creature technical director
- Layout artist
- Production assistant/coordinator
- Rigger
- · VFX editor
- · Technical services operator.

You could work locally, nationally and internationally at companies including Rising Sun Pictures, Industrial Light and Magic, Framestore, MPC, Double Negative (DNEG), Pixel Zoo, Luma Pictures, Mighty Kingdom and Lightstorm Entertainment.

# **Careers and study**

#### **Careers**

Our contemporary, future-focused degrees have been developed in consultation with industry to provide you with both the broad and specialised skills and knowledge needed in the modern workplace. You'll graduate as an ethical leader, global citizen and lifelong learner capable of resilient thinking, strategic problem solving and trusted communication, ready to take on a world of opportunities.

# **Further study**

#### Completed an undergraduate degree, and looking to hone your expertise?

Whatever your career stage or goal, we offer a range of postgraduate qualifications designed to help you advance your skills. We've included a snapshot of the degrees available.

Explore the full suite at: adelaideuni.edu.au/study

#### **Graduate Certificate in 3D Animation**

Duration: 0.5 years full-time Campus: Adelaide City

Assumed knowledge: Prospective students should have entry level skills/knowledge in 3D Animation, or broad entry level skills/knowledge in visual effects.

Bring imagined worlds and their inhabitants to life.

3D animation takes worlds, characters and objects from our imaginations and brings them to life with motion and personality. These visual effects (VFX) creations can be seamlessly added to feature films and television shows by adding a pinch of impossible to live-action sequences, or as part of a fully animated production brimming with stylised charm.

Studying 3D animation will prepare you to create industry-standard animated content for screen. Learn tools and techniques to animate props, vehicles, humans and creatures. Get real-world experience and learn industry standards by studying on-site with Rising Sun Pictures. Graduate with new pieces for your professional showreel.

#### **Career outcomes**

The skills you'll learn in this degree are broadly applicable to all screen industries, including filmmaking, television and video games, as well as unexpected applications like marketing and education. You might become a 3D animator, developing photorealistic 3D animations of characters, digital doubles, and CG assets for films and episodic series. Perhaps you'll create rigs for digital 3D characters and assets – or ensure all aspects of a production run on time and to budget as a production coordinator.

#### **Master of Architecture**

Duration: 2 years full-time Campus: Adelaide City

Architects are big thinkers, pairing creative and technical knowledge to shape and transform the built environment. They combine aesthetics, construction technology, and environmental and social sustainability together to translate clients' ideas into reality. Unravel the intricacies of design, construction, and urban planning to engage with social, economic and environmental processes to proactively shape the future of built environments.

Our Master of Architecture will extend your knowledge of contemporary architecture practice, equipping you with the technical and creative skills ready to pursue an exciting career.

Learn in specialised architectural design studios and collaborate on real-world industry projects. You could work on heritage projects or design the world's tallest skyscraper. With a future demand for skilled architects, you'll graduate with the knowledge and skills to make a global impact on our changing world.

#### **Career outcomes**

Architects are innovative problem-solvers who use cutting-edge technology and collaboration to bring imaginative designs to life, shaping our world in the process. As a graduate of the Master of Architecture, you might specialise in preserving and restoring historic buildings and landmarks. Or build sustainable housing to cater for the world's booming population.

\*If you wish to work as an architect in South Australia you will need to successfully complete our Master of Architecture or an equivalent postgraduate degree . To work as an Urban and Regional Planner, further study in the Master of Urban and Regional Planning is required.

#### **Master of Immersive Media Technologies**

Duration: 2 years full-time Campus: Adelaide City

Redefine what's possible in media and entertainment.

Immersive technologies – such as augmented (AR), virtual (VR), mixed reality (MR) and haptic tools – are allowing us to push the limits of what's possible in interactive media and entertainment. From 360-degree video reporting and VR documentaries to room-scale MR experiences and AR-enabled mobile games.

This cutting-edge degree explores the exciting realm of immersive media technologies. You'll gain skills in storytelling, digital design and interactive technology. By mastering these tools, you can create meaningful, engaging experiences that entertain, educate and inspire us to action.

Shape the next wave of media. Push the boundaries of what's possible in our connected world. Drive innovation across entertainment, education and beyond.

#### **Career outcomes**

Your degree at Adelaide University will give you the skills to create virtual, mixed and augmented reality (VR, MR and AR) experiences. You could develop simulations to train pilots or doctors learning complex medical procedures. You might create an AR mobile app to assist vision-impaired users with navigation, object recognition or text reading. Or perhaps you'll draw on MR tools and technologies to create immersive exhibits that engage an audience's full senses.

VR, MR and AR will change how we work, communicate, and even travel, offering new ways to connect with people and experiences around the world.

#### **Master of Music (Performance Studies)**

Duration: 2 years full-time Campus: Adelaide City

Step up and take centre stage.

Dream of using your musical talent to make an impact on the world? Grace the stages of jazz venues in New York or conduct leading symphony orchestras.

Showcase your talents and share your musical and performance skills with the world. Become the most downloaded artist on Spotify or Apple and make your mark on the music scene. If you're ready to dazzle the world with your artistry, this degree sets the stage.

Advance your skills in performance and musical knowledge. Focus on intensive and skill-based technique. Reach the highest standards of professional performance. Develop your scholarly and critical thinking music abilities. Study traditional approaches to classical or jazz performance.

Be prepared for an exciting career to showcase your artistic growth and versatility. Lead, inspire and make a lasting impression on the world with a Master of Music (Performance Studies).

#### **Career outcomes**

Our degree will set you up to captivate audiences with every performance.

You could pursue a career as a soloist, orchestra member, music educator, or director of music programs. You might compose music for a Hollywood film. Passionate about live music? Perhaps you'll work as a music festival director, bringing local acts to the international stage.

# Study 100% online

# We're one of Australia's largest online universities.

Developed in consultation with industry, our 100% online degrees have been specifically designed for online learning. You'll have the freedom to study where and when it suits you with on-demand access to interactive and media-rich study resources.

From application to graduation, your online study journey will be fully supported. Our student support team is available over extended hours, ready to help you enrol, discuss your study goals, assist you in tailoring a personalised study plan or refer you to specialised support and career services.

You'll also have access to your dedicated team of experienced online teaching staff who will support your learning when you need it, even out of hours. Plus, our IT help desk is available 24 hours a day, seven days a week, so you can get help when you need it.

Studying online doesn't mean studying alone. You'll have opportunities to virtually connect with your peers and network with and learn from industry leaders and expert academics during your degree.

Unlock your potential and change your direction. Study a 100% online degree with Adelaide University.

# Future-making research

# Our researchers advance future-defining ideas and solutions.

They dream big, think deeply and challenge assumptions so we can make the world a better place. We forge dynamic partnerships, always collaborating to ensure our impact is transformative and enduring.

Operating on a large scale, we have more capacity for breakthroughs and a greater appetite for change.

Our research will transform South Australia's economy and accelerate its leadership on a global scale.

Our five signature research themes are founded on excellence and focused on impact:

- · Creative and Cultural
- Defence and National Security
- Food, Agriculture and Wine
- Personal and Societal Health
- Sustainable Green Transition

# Applying to Adelaide University

#### How to apply

Applications to Adelaide University undergraduate degrees are made online via SATAC:

#### satac.edu.au

Applications open in early August. Apply before 30 September to avoid paying the SATAC late fee. You can add and swap preferences for most programs until the Change of Preference deadline in early January 2026, except for a handful of programs (including Bachelor of Medical Studies/Doctor of Medicine, Bachelor of Science (Veterinary Bioscience), Bachelor of Oral Health, and Bachelor of Dental Surgery) which close to new preferences on 30 September.

#### **Entry pathways**

As part of its founding charter, Adelaide University has committed to delivering higher education for everyone, no matter their educational background. We offer pathways to study that support a diverse range of learning needs. These options include Year 12 entry, International Baccalaureate (IB), Grades-based entry, STAT, TAFE, and our preparatory programs, Foundation Studies and the Aboriginal and Torres Strait Islander Pathway.

To find out more about the available pathways, see pages 16 and 18.

#### **Adjustment factors**

SATAC centrally administers two South Australian universities adjustment factors schemes. The two schemes are the Universities Equity Scheme and the Universities Language, Literacy and Mathematics Scheme.

satac.edu.au/adjustment-factors

#### **Degree intake**

Many undergraduate degrees will allow students to commence study in February or July. Please refer to individual degrees to check whether midyear entry is available. For students looking to study 100% online we have intakes throughout the year.

#### **Deferring your studies**

Most undergraduate degrees can be deferred for up to two years. Please refer to specific degrees for exceptions.

#### English language requirements for international students

All international students undertaking an Australian Year 12 program are required to achieve a Pass grade or above in one of the approved English as a Second Language or English language subjects. If an applicant attempts but does not pass the English language subject, then alternative options, such as an acceptable English language proficiency test result, may be arranged.

Successful completion of the International Baccalaureate (IB) diploma meets the English language requirements of Adelaide University.

#### **Unique Student Identifier**

A Unique Student Identifier (USI) is your individual education number for life. It creates an online record of your education and training undertaken in Australia. If you are at university you need a USA. Without one, you cannot receive Commonwealth financial assistance, or your qualification or statement of attainment.

For more details, visit:

usi.gov.au/students/get-a-usi

#### **More information**

Find answers to your questions using our online Knowledge Base, or our helpful staff can respond.

adelaideuni.edu.au/about/faqs

#### **HECS Higher Education Loan**

The Higher Education Support Act 2003 has undergone some change, which will affect students studying in a Commonwealth supported place from 1 January, 2021. The changes include: Adjusting the maximum Student Contribution amounts for different areas of study, for students commencing a new program in 2021, Grandfathering Student Contribution amounts for continuing students, re-introducing the 10% HECS-HELP discount for HECS-HELP eligible students who make an up-front payment of \$500 or more towards their Student Contribution amount.

All Commonwealth supported students, and students accessing any of the HELP loans, must provide their valid Unique Student Identifier (USI).

For more information, please visit:

usi.gov.au

#### Student services and amenities fee

Students are charged an annual student services and amenities fee (SSAF) to assist with the funding of student services and amenities at the University. Eligible students may defer this fee to an SA-HELP loan.

#### **Additional costs**

Students may be required to pay for specialist equipment and reading materials, or may incur other incidental costs throughout their studies. Students are advised not to purchase any equipment until they receive their faculty/school handbook, available during Orientation.

#### 2025 fees and costs

Fees for Commonwealth Supported Places are calculated at the course (unit) level, not the program (degree) level, according to the area of study that each course falls within. As a guide the 2025 Student contribution bands are shown below, noting that these are likely to change for 2026.

adelaideuni.edu.au/study/how-to-apply/entry-requirements/commonwealth-supported-students

Areas of study	Student contribution per 1 EFTSL (24 units)	Student contribution per 0.125 EFTSL (3 units)
Band 1: Agriculture, English, Languages, Mathematics, Nursing, Postgraduate Clinical Psychology, Teaching	\$578	\$4,627
Band 2: Allied Health, Architecture, Engineering, Environmental Studies, IT, Performing Arts, Professional Pathway Psychology*, Science	\$1,164	\$9,314
Band 3: Dentistry, Medicine, Veterinary Science	\$1,655	\$13,241
Band 4: Accounting, Administration, Behavioural Science (not Professional Pathway Psychology*), Economics, Humanities, Law, Media, Social Studies	\$2,124	\$16,992
