- Subject and incidental charges must be paid by the end of the following month.
- Fees can be paid weekly, fortnightly, or monthly. Should you choose any of these options, an annual account keeping fee of \$44 (including GST) will be charged to cover the additional administrative costs. The account keeping fee for Semester 2 enrolments is \$22 (including GST).
- The College requires one term's notice in writing before withdrawal, and normal fees are due and payable during the notice period. Failure to give one term's notice in writing will incur penalty fees. The notice period will not commence until the completed documentation, signed by parents or guardian, is received and signed by the Principal.

- A signatory to the Student Enrolment Form cannot remove himself or herself from the Enrolment Contract without the College's and the other parent's consent.
- Any expenses incurred using debt collectors or other collection agencies are the responsibility of those guaranteeing fee payments.
